The Misses Barrie Charitable Trust

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 5 April 2024.

Objectives and activities

Objects and aims

During the life of both Settlers or the Survivor, the income of the Trust Fund and also so much of the capital of the Trust Fund as the Settlers may from time to time determine was to be paid to such charities or for such charitable purposes as the Settlers may from time to time direct.

After the death of the Survivor of the Settlers on 24 June 1994, the Trustees have power to pay or apply the capital and income of the Trust Fund to such charities or for such charitable purposes and in such proportions in such manner and subject to such terms and conditions as they may at their uncontrolled discretion having regard to any directions given or wishes expressed by the Settlers to the Trustees.

Fundraising disclosures

Investment Management Costs

The Trust's investment portfolio is managed by the investment manager – Rathbones, who acquired Spiers & Jeffrey in July 2019. Following the integration of Spiers & Jeffrey into Rathbones, client fees were increased. The fees are now a flat fee, based on the value of the fund rather than a combination of lower management fees but also transaction costs. The Trustees discussed this fee increase at that time, comparing the fees with other brokers. The trustees agreed that the benefit of continuity was more important and agreed to the fee increase.

Public benefit

The Trustees consider that all grants are made for the public benefit and are aware of the guidance in that respect published by the Charity Commission for England and Wales.

The Trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Grant making policies

The Trust has established its grant making policy to achieve its objectives by supporting various small to medium sized charities.

The Trustees regret that due to the large number of unsolicited applications for grants received each week they are not able to notify those which are unsuccessful.

Applications should be accompanied where appropriate by up to date accounts or financial information.

The Misses Barrie Charitable Trust

Trustees' Report (continued)

Financial review

The Income Account for the Trust ended the year with a deficit of £322,170. Total income from the Trust investment portfolio for the year was £232,917. Expenditure was £71,083, and Grants were £199,123.

The Capital Account for the Trust is £7,273,513 before adjusting for this deficit on the Income Account, and the Trustees have accepted for many years that a deficit on the Income Account is acceptable while the Capital Account remains so large. In effect the Trustees accept that the broker costs are covered from the Capital Account.

	£
Balance Brought forward	-284,880.70
Prior Year Adjustment	0.00
Net Income for the Year	161,833.71
Transfer from the Designated fund	0.00
Sub-Total	<u>-123,046.99</u>
Grants made in the year	199,123.00
Balance Carried Forward	<u>-322,169.99</u>

Policy on reserves

Previously, the Trust has set aside specific reserves for exceptional grants to the RNLI. As no exceptional grants are planned at this time, the trustees have agreed that there is no need to set aside specific reserves.

Plans for future periods

Structure, governance and management

Nature of governing document

The Misses Barrie Charitable Trust is a registered charity, number 279459, governed by a Declaration of Charitable Trusts dated 18 December 1979 by the late Miss Sheila Coupar Barrie and the late Miss Moira Morrison Barrie.

New Trustees are appointed by the existing Trustees. The Trust Deed does not provide for any minimum or maximum number of Trustees or for any fixed term for which they may act.

At the Trustees' meetings, normally held twice a year, the Trustees agree the broad strategy and areas of activity for the Trust, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration of grants and the processing and handling of applications prior to consideration by the Trustees is delegated to the Administration Office. Save as mentioned below all Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of related party transactions and Trustees expenses are disclosed in Note 13 to the accounts.

John Carter, one of the Trustees, is a partner of Raymond Carter & Co, the Administrators of the Trust. A fee is charged for these services and is agreed annually by the other Trustees.

The Misses Barrie Charitable Trust

Trustees' Report (continued)

Financial instruments

Objectives and policies

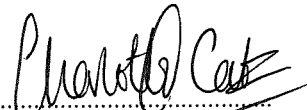

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Cash flow risk

The charity's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The charity uses foreign exchange forward contracts and interest rate swap contracts to hedge these exposures.

Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

The annual report was approved by the trustees of the charity on 12 September 2024 and signed on its behalf by:

.....
Mrs Charlotte Carter
Trustee

The Misses Barrie Charitable Trust

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Misses Barrie Charitable Trust

Independent Auditor's Report to the Members of The Misses Barrie Charitable Trust

Opinion

We have audited the financial statements of The Misses Barrie Charitable Trust (the 'charity') for the year ended 5 April 2024, which comprise the Statement of Financial Activities, Balance Sheet, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, and applicable law (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

The Misses Barrie Charitable Trust

Independent Auditor's Report to the Members of The Misses Barrie Charitable Trust (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Report) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities (set out on page 5), the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditor that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The Misses Barrie Charitable Trust

Independent Auditor's Report to the Members of The Misses Barrie Charitable Trust (continued)

Irregularities, including fraud, are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatements due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing the risks of material misstatement in respect of irregularities, including fraud, the audit engagement team made enquiries of management, and those charged with governance, regarding the procedures relating to identifying, evaluating and complying with;

1. laws and regulations and whether they were aware of any instances of non-compliance;
2. detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
3. the internal controls established to mitigate risks related to fraud or non-compliance with laws and regulations;

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, General Data Protection Regulations, Charities Act 2011 and the Charities Statement of Recommended Practice. We performed audit procedures to detect non-compliance, which may have a material impact on the financial statements. These included reviewing financial statement disclosures and evaluating advice received from external advisors. There were no significant laws and regulations we deemed as having an indirect impact on the financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments and evaluating the rationale in relation to any significant, unusual transactions and transactions entered into outside of the normal course of business.

Valuation and existence of investments was also considered a significant risk. Audit procedures performed on investments included but was not limited to; obtaining the Investment valuation report from the Investment manager; Obtaining confirmation of title resting with the charity of the investments; Testing a sample of the investment valuations at the year end; Checking the internal controls and qualifications of the investment manager.

The Misses Barrie Charitable Trust

Independent Auditor's Report to the Members of The Misses Barrie Charitable Trust (continued)

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to trustees in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The Misses Barrie Charitable Trust

Notes to the Financial Statements for the Year Ended 5 April 2024

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

The Misses Barrie Charitable Trust meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Investment income

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

The Misses Barrie Charitable Trust

Notes to the Financial Statements for the Year Ended 5 April 2024 (continued)

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Trade debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Trade creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

The Misses Barrie Charitable Trust

Notes to the Financial Statements for the Year Ended 5 April 2024 (continued)

2 Investment income

	Unrestricted funds General £	Total 2024 £	Total 2023 £
Income from dividends;
