**Report of the Trustees
for the year ended 5 April 2024**

The Trustees present their Report with the financial statements of the Charitable Settlement for the year ended 5 April 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Update bulletin 2).

OBJECTIVES AND ACTIVITIES

Objectives and aims

As stated in 'Structure, Governance and Management', the trust fund is to be held to pay the income and so much of the capital as the Trustees think fit to such charities and for such charitable purposes as they in their absolute discretion determine. The Charitable Settlement does not actively fundraise.

Public benefit

The Trustees confirm that they have referred to the information contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Settlement's objectives and activities, their grant making policy and plans for future periods.

The Trustees believe that through making donations to a wide variety of UK-based charitable institutions, they are delivering a public benefit.

Grantmaking

The Charitable Settlement invites applications for funding of projects from UK-based registered charities. The Trustees also invite suggestions for charitable funding from other members of the First Baron Catto of Cairncatto's family. Each application is considered by the Trustees and taken on its own merit. At present there are no annual commitments. Donations are considered and made on a quarterly basis.

FINANCIAL REVIEW

Investment policy and objectives

The funds of the Charitable Settlement are made up of 210,728 Ordinary 1p (2023 - 2,783,940 ordinary 10p) shares in Synthomer plc, 1,133,706 (2023 - 1,242,966) shares in the Edentree Balanced Fund for Charities and 75,381 (2023 - 75,381) shares in COIF Charities Ethical Investment Incorporation.

The total income in the year to 5 April 2024 was £101,295 (2023 - £670,444) and comprised £69,602 in dividends and £31,693 in interest received.

The Charitable Settlement made donations totalling £370,230 in the year ended 5 April 2024 (2023 - £373,312).

Reserves policy

The Charitable Settlement maintains reserves in its CAF Bank Accounts to provide sufficient funds to meet administration and support costs and to cover ongoing and exceptional donations which may arise from time to time.

FUTURE PLANS

The Trustees believe that the number and extent of their grants produce a significant public benefit. They, therefore, propose to manage the Charitable Settlement's funds so as to enable it to continue with its present objectives to provide grant support annually amounting to a similar proportion of total funds as hitherto so that many and varied charitable institutions may continue to benefit from its financial support in future years.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Thomas Sivewright Catto Charitable Settlement is an unincorporated Charitable Settlement constituted under a trust deed dated 26 October 1979 and is a registered charity, number 279549.

The Thomas Sivewright Catto Charitable Settlement was established by The Hon Isabel Ida Gordon Catto, The Hon Mrs Ruth Gordon Bennett and Stephen Gordon Catto, Second Baron Catto of Cairncatto (the Settlers), the surviving children of The Right Hon Thomas Sivewright Catto, First Baron Catto of Cairncatto, to commemorate the one hundredth anniversary of his birth on 15 March 1879.

The Charitable Settlement was established by gifts from the Settlers, the funds of which they placed under their joint control in their joint capacity as Trustees. The Trustees have the same full and unrestricted power of investing the funds of the Charitable Settlement in all respects as if they were absolutely entitled thereto beneficially.

The trust fund is to be held to pay the income and so much of the capital as the Trustees think fit to such charities and for such charitable purposes as they in their absolute discretion determine.

Trustees who have served during the year and since the year end are set out below. Surviving Trustees have the power to appoint new Trustees. There is no minimum or maximum number of Trustees or re-appointment period specified in the trust deed.

The Trustees meet quarterly to consider applications received for funding. The day to day administration of the processing and handling of applications, and payments of the donations once agreed by the Trustees, is delegated to a Trust Administrator.

Independent examiner's report to the trustees of The Thomas Sivewright Catto Charitable Settlement

I report to the Settlement Trustees on my examination of the accounts of The Thomas Sivewright Catto Charitable Settlement (the Trust) for the year ended 5 April 2024.

Responsibilities and basis of report

As the Settlement Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements
for the year ended 5 April 2024**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the Charitable Settlement, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Update bulletin 2)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The Charitable Settlement has applied Update Bulletin 2 as published on 5 October 2018 and does not include a cash flow statement on the grounds it is applying FRS102 Section 1A.

Income

All income is recognised in the Statement of Financial Activities once the Charitable Settlement has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Charitable Settlement to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The Charitable Settlement is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the Charitable Settlement. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Investments

Investments are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening fair value (purchase date if later). Unrealised gains and losses are calculated as the difference between the fair value at the year end and the opening market value (or purchase date if later). Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1. ACCOUNTING POLICIES - continued

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a maturity of twelve months or less from the date of acquisition or opening of the deposit or similar account

Creditors and provisions

Creditors and provisions are recognised where the Charitable Settlement has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments

The Charitable Settlement only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
