## Trustee's Report

Registered Charity No 279552

### Principal Office

Bridge House  
Old Hutton  
Kendal  
Cumbria  
LA8 0NH

The Trustees present their Report and Financial Statements for the year ended 5 April 2025.

The Trustees on 5 April 2025 and during the year were JE Williams, TG Williams and JJ Williams.

The Radfield Trust was founded in 1979 by deeds dated 8 May 1979 and 4 February 1980. The number of trustees is required to be between two and five and appointments are made by the present trustees.

The objects of the Charity authorised under the Deeds are for such charitable purposes as comply with the law and are at the absolute discretion of the Trustees. With limited incoming resources they have decided that it is best and most economical to administer the Charity themselves. Accordingly, they search for mainly but not exclusively registered charities to be selected at the Trustees' discretion. There is no restriction on the range of charitable objects and purposes to be helped.

Under the Trust Deeds there are wide powers of investment with no restrictions. In considering the appropriate policy to be adopted the Trustees concluded that quoted charity-sector investment trusts meet their requirements. The underlying investments of the trusts chosen since 1990 provide a wide spectrum of investments, which over the years have generated satisfactory income and capital. These funds are managed by Black Rock Investment Management (UK).

The Radfield Trust only makes donations and grants on a short-term basis. Accordingly, the Trustees consider that there is no requirement to hold free reserves beyond any immediate commitments for administration expenses. They also consider that the Trust has minimum risk exposure.

Donations of £22,000 were made during the year to Dementia UK (£10,000), The Alzheimer's Society (£10,000) and the Kirkby Lonsdale Fire Recovery Fund (£2,000).

Approved and signed by the Trustees on 30 May 2025.
