Structure, governance and management

Description of the charity's trusts

Type of governing document

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

The Group is an educational charity, established under rules which are common to all Scout Groups.

The Group has adopted The Scout Associations model constitution as written in Chapter 5 of Policy, Organisation and Rules

The Group is to be managed by the Board of Trustees (previously the Group Executive Committee), that act collectively as charity Trustees of the Scout Group and in the best interests of its members.

The Board of Trustees exists to support the Group Lead Volunteer in meeting the responsibilities of their appointment and are responsible to:

- Comply with the Policy, Organisation and Rules of The Scout Association.
- Protect and maintain any property and equipment owned by and/or used by the Group.
- Manage the Group finances.
- Provide insurance for people, property and equipment.
- Provide sufficient resources for Scouting to operate. This includes, but is not limited to, supporting recruitment, other adult support, and fundraising activities.
- Promote and support the development of Scouting in the local area.
- Manage and implement the Safety Policy locally.
- Ensure that a positive image of Scouting exists in the local community.
- Appoint and manage the operation of any Sub-Committees, including appointing a Chair to lead the sub-Committees.
- Ensure that Young People are meaningfully involved in decision making at all levels within the Group.
- The opening, closure and amalgamation of Sections in the Group as necessary.

The Board of Trustees must also:

- Appoint Administrators, Advisers, and Co-opted members of the Board of Trustees.
- Approve the Annual Report and Annual Accounts after their examination by an appropriate auditor, independent examiner or scrutineer.
- Present the Annual Report and Annual Accounts to the Scout Council at the Annual General Meeting; file a copy with the District Board of Trustees; and if a registered charity, to the appropriate charity regulator if the regulator's rules require it.
- Maintain confidentiality with regard to appropriate Trustee business.

	<p>The Board of Trustees must also: The Board of Trustees is made up of three types of members.</p> <ul style="list-style-type: none"> • Ex-officio members have a role on the Board due to their role in Scouting. These include: <ul style="list-style-type: none"> ◦ Group Scout Leader • Appointed Members <ul style="list-style-type: none"> ◦ Chair of BoT ◦ Treasurer of BoT ◦ Trustee members • Co-opted members <p>The Board of Trustees meet 3/4 times a year.</p>
Trustee selection methods	<p>The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.</p>

Additional governance issues

a) The induction and training of trustees;

Members of the Trustee Board are required to complete a programme of mandatory training within the first 5 months of joining the Board. They are also cleared for working with children by the Disclosure and Barring Service.

b) trustee' consideration of major risks and the systems and procedures to manage them

The Board of Trustees has identified the major risks to which they believe the Group is exposed. These have been reviewed and systems have been established to mitigate against them.

The main areas of concern that have been identified are:

Damage to the building, property and equipment

This is assessed as a **Medium** risk with **good controls**. The building is equipped with fire detectors, alarms and extinguishers. In the event of damage, the Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss, except for that due to flooding.

Injury to leaders, helpers, supporters and members

This is assessed as a **Medium** risk with **good controls**. All Volunteers are trained to minimise injury to themselves and others. Written Risk Assessments are undertaken before all activities and a process of dynamic risk assessment is continued during activities. Through annual membership fees, the Group contributes to the Scout Association's national accident insurance policy.

Reduced income from fund raising

This is assessed as a **Medium** risk with **reasonable controls**. The Group is primarily reliant upon income from membership subscriptions and fundraising. The Group holds a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee has the option to raise subscription fees to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of Adult Volunteers

This is assessed as a **Medium** risk with **reasonable controls**. The Group is totally reliant upon volunteers to run and administer the activities of The Group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the Group as a whole, there would have to be a contraction, consolidation or closure of a section. In the worst-case scenario, this could result in the complete closure of the Group. The Group is always actively recruiting for additional adult volunteers.

Reduction or loss of young members

Based on the predicted growth of St Ives and the demand for scouting, this is assessed as a **Low** risk. The Group provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the Group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst-case scenario, the complete closure of the Group could result.

Risk and Internal Control

The group has in place systems of *internal controls* that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

- **Integrity** - We act with integrity; we are honest, trustworthy and loyal.
- **Respect** - We have self-respect and respect for others.
- **Care** - We support others and take care of the world in which we live.
- **Belief** - We explore our faiths, beliefs and attitudes.
- **Co-operation** - We make a positive difference; we co-operate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun;
- take part in activities indoors and outdoors;
- learn by doing;
- share in spiritual reflection;
- take responsibility and make choices;
- undertake new and challenging activities;
- make and live by their Promise.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Additional details of objectives and activities

Community Activities

Policy on Grant Making;

The Group does not make grants to other bodies, however it does occasionally make donations to other scouting charities.

Contribution made by volunteers;

The Group could not function without the contributions of its volunteers: Young Leaders, Adult Leaders, Managers, Trustees and Supporters. All are unpaid but reasonable expenses are reimbursed.

Section E	Financial review
Brief statement of the charity's policy on reserves	The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. Additionally, due to the nature of Holt Island, the Group holds reserves to fund maintenance and repair work as required. The Trustee Board considers that the group should hold a sum equivalent to 6 months running costs, plus £10,000 circa £16,000.
Quantify and explain designations	If the reserves at year end are significantly above this, the Board of Trustees may designate an amount towards specific projects or equipment
Details of any funds materially in deficit	None

Further financial review details (Optional information)

The charity's principle source of funds (including any fundraising);	<p>The Group's primary sources of funding are through membership subscriptions from young members, fundraising and donations.</p> <p>The Groups key fundraising is focused on activity weekends for scouting groups based in Cromwell District. This has again proved to be successful with these activity weekends planned again for 2025.</p> <p>Additional fundraising has been generated through Family activity evenings and Café's following community events e.g. Remembrance Parade</p>
How expenditure has supported the key objectives of the charity;	<p>Primary income is spent on:</p> <ul style="list-style-type: none"> • Running the Scouting Programmes • Maintaining and operating the buildings and facilities • Insurances and other required costs <p>Income raised from Fundraising has supported:</p> <ul style="list-style-type: none"> • Essential Camping Equipment • Essential Safety Equipment • Activity Equipment

Investment policy and objectives ;

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

Section F

Other optional information

Plans for future periods (details of any significant activities planned to achieve them)

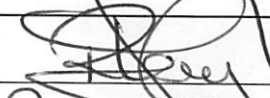

2025 will see the continued program of Scouting. Planned fundraising will be focused on the District Activity weekend. Review of equipment held by the group has identified the need for replacement/additional activity equipment which will enable the Group to be able to accommodate the increased youth numbers – to be part/fully funded by the planned fundraising events.
