THE HUDSON FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 JULY 2021

The trustees present their report with the financial statements of The Hudson Foundation for the year ended 31 July 2021.

1. OBJECTIVES AND ACTIVITIES

Objectives and aims

The Hudson Foundation was created by Alan Harry Hudson on 27th December 1979. The assets of the Foundation were increased substantially by a bequest in the will of Alan Harry Hudson who died on 4th February 1991. The objectives of the Foundation are:

1. the relief of the aged and infirmed generally and
2. the establishment and maintenance of residential and other accommodation of any kind and amenities to be enjoyed therewith for the relief of the aged and infirmed
3. without prejudice to the foregoing support of other charitable causes as the Trustees shall determine.

The preference for funding is to assist charitable organisations in the community of Wisbech and District.

Grant making

Each grant application is considered on its own merits and whilst the trustees do make contributions to revenue expenditure of charitable organisations, they prefer to assist in the funding of capital projects to the advantage of the community of Wisbech and District.

Public benefit

The trustees adhere to the guidance contained in the Foundation Commission's general guidance on public benefit when reviewing aims and objectives and in planning future activities. The Foundation continues to provide support to local organisations in accordance with its objectives.

2. ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year the Foundation made grants of £84,890 (2020 - £118,473).

A list of the organisations benefitting from grants made by the Foundation is set out in note 7 to these accounts.

3. FINANCIAL REVIEW

Principal funding sources

The principal funding source of the Foundation is the wholly owned trading subsidiary, Alan Hudson Limited, which rents the Foundation's investment property and donates any taxable profits by way of gift aid to the Foundation.

The performance of Alan Hudson Ltd over the 2020/21 year will enable it to Gift Aid taxable profit of £240,192 (2020 - £272,410). However the severe frosts in early 2021 will result in a loss by Alan Hudson Ltd in 2021/22 and consequently the Foundation will not receive any Gift Aid payment for that year.

Investment performance

The trustees closely monitor the performance of Alan Hudson Ltd by way of attendance by the Managing Director at their regular trustee meetings. As with all businesses engaged in the agricultural sector the performance is volatile dependent upon weather, commodity prices and the yields achieved.

THE HUDSON FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 JULY 2021

3. FINANCIAL REVIEW Continued

Loan Agreement

The Foundation issued a loan facility to Alan Hudson Ltd on 26th September 2017 making a maximum sum of £500,000 available in tranches of not less than £25,000 subject to conditions. At 31st July 2021 the amount drawn by Alan Hudson Ltd under that facility was £40,000 (2020 - £40,000)

Reserves policy

The trustees have considered the annual recurring grants they make and fees they pay to professional advisors over a three year core period and have concluded that, on average, they would spend £55,000 on these activities. They have therefore established a core reserve of £200,000 to cover at least three years core expenditure assuming no Gift Aid receipts from Alan Hudson Ltd.

In addition the trustees have added a further £100,000 to the reserves on account of the potential liability to Alan Hudson Ltd under the Loan Facility described above.

The Foundation has free reserves of £601,559 (2020 - £468,862) which are retained to cover grant commitments in the future as well as pledged as detailed in the Contingent Liabilities note.

Risk management

The trustees have a duty to identify and review the risks to which the Foundation is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The principal risk faced by the Foundation lies in the performance of Alan Hudson Limited, and its continued ability to make Gift Aid payments. This risk is mitigated by the continued review of the trading performance of the company by the trustees at their regular meetings. Two of the trustees are also directors of Alan Hudson Ltd.

4. FUTURE PLANS

The trustees anticipate that the Foundation will continue on the same basis as at present. Nonetheless the Foundation's plans for the future are reviewed regularly at trustee meetings. The Foundation will continue to make grants to local organisations, the level of which is dependent upon applications received. The funding of these will continue to be met from the Gift Aid payments and rent received from Alan Hudson Limited.

5. STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Foundation is governed by the charitable deed dated 27 December 1979 and constitutes an unincorporated Foundation.

Organisational structure

The Foundation is operated by the four trustees who hold property and investments on behalf of the Foundation. Two of the trustees are also directors of Alan Hudson Ltd.

The original trustees were appointed by Mr A H Hudson during his lifetime. They understood that his wishes were that Alan Hudson Limited should continue to trade after his death and that it should pass its taxable profits to the Foundation with the proviso that the trustees should bear in mind that fruit yields and market prices were beyond the control of the management of the company and the Trustees themselves.

THE HUDSON FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 JULY 2021

5. STRUCTURE, GOVERNANCE AND MANAGEMENT Continued

Recruitment and appointment of new trustees

When recruiting new trustees, the present trustees consider the skill set the potential trustee will bring to the Foundation. Although this does not necessarily mean the potential trustee needs to be an expert or specialist, the present trustees believe the Foundation will always benefit from trustees who have a broad knowledge and experience of matters relevant to the Foundation. Matters of particular relevance to the Foundation are knowledge of the intentions of the late Alan Hudson, the area of benefit, appreciation of the financial realities of the horticultural industry, and an understanding of basic law relating to charities and trustees and a basic knowledge of financial accounting.

Induction and training of new trustees

Once a new trustee is appointed, they meet, before their first meeting, with a current trustee to discuss the Foundation in more detail. They are given a copy of the Trust Deed dated 27 December 1979, a copy of the Will of Mr Alan Hudson together with the two codicils thereto and copies of the last three years minutes and statutory accounts. They sign a declaration of eligibility and enter onto the register any conflict of interest they may have, if relevant.

6. STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources, including the income and expenditure, of the Foundation for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in business.

THE HUDSON FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 JULY 2021

6. STATEMENT OF TRUSTEES RESPONSIBILITIES Continued

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 12 April 2022 and signed on its behalf by:

D W Ball – Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE HUDSON FOUNDATION

Opinion

We have audited the financial statements of The Hudson Foundation (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 July 2021 which comprise the Consolidated Statement of Financial Activities, the Consolidated Balance Sheet, the Foundation Balance Sheet, the Consolidated Cashflow Statement and Notes to the Consolidated Financial Statements including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charity's affairs as at 31 July 2021, and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group and parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the trustees annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report². Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the parent charity's financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE HUDSON FOUNDATION Continued

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

We have been appointed as auditor under section 151 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The primary responsibility for the prevention and detection of fraud rests with the trustees.

We obtained an understanding of the legal and regulatory frameworks that are applicable to the Foundation and determined that the most significant are:

- Those that relate to the reporting framework (United Kingdom Accounting Standards in conformity with FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland") and the Charities Act 2011.
- Relevant tax compliance regulations in the United Kingdom.
- Laws and regulations relating to health and safety, employee matters and the environment.

We understood how The Hudson Foundation is complying with those frameworks by making enquiries of trustees. We corroborated our enquiries through our review of minutes.

We assessed the susceptibility of the Foundation's financial statements to material misstatement, including how fraud might occur, by discussion with trustees and our prior knowledge of the Foundation's activities and controls. We have carried out procedures including a review of journal entries and a review of accounting estimates and judgements which were designed to provide reasonable assurance that the financial statements were free from fraud or error.

Based on this understanding we designed audit procedures to identify non-compliance with such laws and regulations. Our procedures involved trustees enquiries and review of minutes.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the FRC's website at: <https://www.frc.org.uk/auditors/audit-assurance/auditor-responsibilities-for-the-audit-of-the-fi/description-of-the-auditor%E2%80%99s-responsibilities-for>. This description forms part of our auditor's report.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
THE HUDSON FOUNDATION Continued

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

THE HUDSON FOUNDATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS **FOR THE YEAR ENDED 31 JULY 2021**

1. STATEMENT OF COMPLIANCE

The Foundation is registered in England and Wales, number 280332 and is governed by a trust deed dated 27 December 1979.

The financial statements of the Foundation, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (issued October 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The presentation currency of the financial statements is the Pound Sterling (£).

Basis of consolidation

The Statement of Financial Activities (SOFA) and Balance Sheet consolidate the financial statements of the Foundation and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

No separate SOFA has been presented for the Foundation.

Income

All income is recognised in the Statement of Financial Activities once the Foundation has entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

Income from the trading subsidiary is recognised when the risks and rewards of ownership are transferred, usually at the point of dispatch.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Foundation to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Charitable activities

Costs of charitable activities include grants made and support costs borne.

Allocation and apportionment of costs

Costs are apportioned and allocated to the appropriate expenditure heading as they are incurred.

Costs of generating funds

Costs of generating funds represents the total costs of generating the subsidiary company's income, excluding rent and gift aid.

Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

THE HUDSON FOUNDATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED **FOR THE YEAR ENDED 31 JULY 2021**

2. ACCOUNTING POLICIES – continued

Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Such costs include costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value of each asset on a systematic basis over its expected useful life as follows:

Orchard	20-40 years Straight line
Freehold property improvements	10 years Straight line
Renewable energy equipment	20% Reducing balance
Tractors, plant and machinery	20-25% Reducing balance
Office equipment	20-33% Reducing balance
Motor vehicles	25% Reducing balance

Tangible fixed assets are not depreciated until the asset is available for use.

The carrying values of tangible fixed assets are reviewed for impairment if events or changes in circumstances indicate the carrying value may not be recoverable and are written down immediately to their recoverable amount.

An item of tangible fixed assets is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit and loss account when the asset is derecognised.

The residual values, useful lives and methods of depreciation of tangible fixed assets are reviewed at each financial year end and adjusted, if appropriate.

Investments

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals throughout the year.

The investment in the subsidiary arises by reason of the Foundation owning the whole issued share capital of Alan Hudson Limited and the market value of the investment represents the company's balance sheet at 31 July 2021.

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

Cost includes all direct costs and an appropriate proportion of fixed and variable overheads

Debtors and creditors falling due within one year

Debtors and creditors with no stated interest rate and falling due within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short term deposits with an original maturity date of three months or less. For the purposes of the cash flow statement, cash and cash equivalents consist of cash and cash equivalents as defined above.

THE HUDSON FOUNDATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED **FOR THE YEAR ENDED 31 JULY 2021**

2. ACCOUNTING POLICIES – continued

Taxation

Group:

The wholly owned subsidiary company's policy is that an amount equal to the taxable profits are distributed to the parent Foundation by way of Gift Aid within nine months of the year end. As a result, no current tax charges or deferred tax charges are likely to result in a payment of taxation.

Any amounts that are not considered to be relieved by the Gift Aid payment will be recognised in the Statement of Financial Activities, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. Any taxation recognised is calculated at the amount of tax payable using tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date which are expected not to be fully relieved by Gift Aid payments.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foundation:

The Foundation is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund are set out in the notes to the financial statements.

Restricted funds can only be used for particular restricted purposes within the objects of the Foundation. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Investment income, gains and losses are allocated to the appropriate fund.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

Pension costs and other post-retirement benefits

The Foundation's subsidiary company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Going concern

The trustees believe that the Foundation is well placed to manage its financial risks successfully and have reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future. Consequently, it continues to adopt the going concern basis of accounting in preparing the annual financial statements.

THE HUDSON FOUNDATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

2. ACCOUNTING POLICIES – continued

Significant judgements and estimates

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements have had the most significant effect on amounts recognised in the financial statements.

Depreciation

Tangible fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed on an annual basis and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of asset and projected disposal values. Depreciation charged to the Statement of Financial Activities is disclosed in note 14.

In determining whether there are indicators of impairment of the company's tangible assets, the directors consider the economic viability and expected future financial performance of assets.

Stock

Stock is recognised at the lower of cost and net realisable value in relation to consumable stores and growing crops. Included in the stock figure are growing crops that have been calculated at amortised cost at the balance sheet date based upon the stage of crop development.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement. The Foundation only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities, including trade and other debtors, trade and other creditors, cash and bank balances at the transaction price.

Government grants

Government grants are recognised when there is reasonable assurance that the entity will comply with grant conditions and that the grant will be received.

Directors	5	4
Farm management	1	1
Farm workers	<u>19</u>	<u>16</u>
	<u>25</u>	<u>21</u>

One employee received emoluments in excess of £80,000 but less than £90,000 (excluding employer pension costs).

12. TAXATION

Factors affecting future tax charges

At 31 July 2021 the trading subsidiary had a potential deferred tax liability of £126,229 (2020 - £111,705) relating to accelerated capital allowances and other short term timing differences. As the expectation is that the company distributes its taxable profits by way of Gift Aid to its ultimate parent undertaking each year, then the directors consider that the timing differences will not reverse and therefore the liability has not been recognised.

In addition, following the adoption of FRED 68 the directors have not provided for the tax liability that would arise if the distribution of the taxable profit under Gift Aid was not made within nine months of the year end. The tax liability that would arise if the distribution did not take place would amount to £45,636 (2020 - £51,758).

13. SURPLUS/(DEFICIT) OF PARENT CHARITY

The parent Charity's net incoming resources for the financial year was a surplus of £232,697 (2020 - £214,766 deficit).

In 1994 the Foundation granted a sum of £32,500 to the Wisbech Angles Theatre Council to enable that Charity to purchase a property for its own use. In relation to that grant, a trust deed was entered into which incorporated a clause that upon any future disposal of the property the proceeds would be allocated as to the first £32,500 for the Wisbech Angles Theatre Council and the balance to The Hudson Foundation.

THE HUDSON FOUNDATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED
FOR THE YEAR ENDED 31 JULY 2021

25. CONTINGENT LIABILITIES

On 24 July 2012 the trustees agreed to make an annual grant of £2,000 payable on a half yearly basis to Wisbech Sea Cadets. The grant is subject to the Wisbech Sea Cadets providing a report on an annual basis of the numbers using the Unit, their specific activities, and achievements, as well as providing a copy of their annual accounts. The pledge continues until terminated by not less than six months' notice in writing by the trustees.

26. RELATED PARTY TRANSACTIONS

During 2018, the Foundation made a grant commitment of £25,000 payable over five years to the Wisbech and Fenland Museum (Registered Charity No. 311307) of which Mr D W Ball was a trustee until 14 December 2021.
