## **Trustees report for the year ended 31<sup>st</sup> March 2024**

### **Objects and Activities**

The objects of the charity are to apply the income for the relief and assistance of the present and former orchestral members of Philharmonia orchestra and their dependents. With the consent of all the Trustees, capital may also be applied to provide benefits for which the current income of the charity is insufficient.

The trustees have paid due regard to the Charity Commission guidance on public benefit.

When reviewing the charity's objectives and activities set out above, the Trustees have referred to the charity commission general guidance on public benefit and complied with its duty under the Charities Act 2011.

### **Achievements and performance**

#### **Investment Policy**

Under the terms of the governing document, there are no restrictions on the charity's power to invest. The overall investment policy is to achieve long term capital growth in real terms, whilst providing a yield in line with the UK equity market.

#### **Grant making policy**

The Trustees meet periodically to decide how to apply the capital and income in accordance with the terms of the Settlement Deed. During the year £52,640 was granted to 11 members of Philharmonia orchestra (2023: £50,537 was granted to 14 members).

#### **Financial Review**

The accounts cover all of the activities of the charity during the year. Gross income totalled £41,549 (2023 - £36,150). There was a deficit of income funds in the year of £12,338 (2023 – deficit £15,303). At the period end total reserves were £563,947 (2023: £585,130), all of which were unrestricted.

#### **Reserves policy and Risk Management**

It is the Trustees' intention to reserve a balance of income to enable them to respond quickly to appeals for significant support where appropriate, the timing of which is inherently unpredictable. This balance is represented by the Income Account, which contained a balance of £234,909 (2023 - £247,247).

The Trustees have considered what risks the charity faces and believes these to be risks of poor investment performance and demand for support exceeding income.

#### **Review of the Activities and Future Developments**

Yearly contributions requested from members increased to £160 per annum (2023: £120). Payments out to members seeking assistance have increased by 4% in 2024, compared to a 284% increase in 2023. The Fund continues to remain stable in the current economic climate and, as such can respond

promptly and adequately to relieve substantial financial burdens of members and their dependents in the year.

The Trustees are satisfied with the financial position of the charity and confirm that they have adequate assets available to fulfil their obligations.

### **Structure, governance and management**

The Philharmonia Benevolent Fund is a registered charity (Number 280370) and was established under a Declaration of Trust dated 20th May 1980.

### **Policy for the induction and training of trustees**

New Board members receive a formal induction session from the existing Trustees. In addition, additional external Trustee training and guidance is provided dependent on the experience and skills of the new Trustees.

### **Method of appointment or election of trustees**

The charity is managed by the Trustees with the accounting delegated to the Treasurer. The power of appointing or removing Trustees is vested in a majority of members of the Board of Philharmonia Limited.

### **Related parties**

Philharmonia Limited is considered to be a related party.

### **Organisational structure and decision making**

The Trustees have delegated the accounting function to Philharmonia Limited and the Treasurer of the Benevolent Fund is a member of key management personnel of the Philharmonia Limited. As such, a close relationship is maintained between the two charities.

### **Trustees' responsibilities statement**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF THE PHILHARMONIA BENEVOLENT FUND

I report on the accounts of the trust for the year ended 31st March 2024 which are set out on pages 6 to 9.

### Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## THE PHILHARMONIA BENEVOLENT FUND

### Trustees report for the year ended 31<sup>st</sup> March 2023

#### Objects and Activities

The objects of the charity are to apply the income for the relief and assistance of the present and former orchestral members of Philharmonia orchestra and their dependents. With the consent of all the Trustees, capital may also be applied to provide benefits for which the current income of the charity is insufficient.

The trustees have paid due regard to the Charity Commission guidance on public benefit.

When reviewing the charity's objectives and activities set out above, the Trustees have referred to the charity commission general guidance on public benefit and complied with its duty under the Charities Act 2011.

#### Achievements and performance

##### Investment Policy

Under the terms of the governing document, there are no restrictions on the charity's power to invest. The overall investment policy is to achieve long term capital growth in real terms, whilst providing a yield in line with the UK equity market.

##### Grant making policy

The Trustees meet periodically to decide how to apply the capital and income in accordance with the terms of the Settlement Deed. During the year £50,357 was granted to 14 members of Philharmonia orchestra (2022: £13,105 was granted to 8 members).

##### Financial Review

The accounts cover all of the activities of the charity during the year. Gross income totalled £36,150 (2022 - £29,867). There was a deficit of income funds in the year of £15,303 (2022 – surplus £15,763). At the period end total reserves were £585,130 (2022: £633,305) all of which were unrestricted.

##### Reserves policy and Risk Management

It is the Trustees' intention to reserve a balance of income to enable them to respond quickly to appeals for significant support where appropriate, the timing of which is inherently unpredictable. This balance is represented by the Income Account, which contained a balance of £247,247 (2022 - £262,550).

The Trustees have considered what risks the charity faces and believes these to be risks of poor investment performance and demand for support exceeding income. Risk of a volatile investment market caused by the residual effects of the COVID-19 pandemic, the war in Ukraine and the cost of living crisis continue to place uncertainty on the returns expected from investments.

## THE PHILHARMONIA BENEVOLENT FUND

The Trustees are satisfied with the financial position of the charity and confirm that they have adequate assets available to fulfil their obligations.

### **Structure, governance and management**

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## THE PHILHARMONIA BENEVOLENT FUND

### Trustees report for the year ended 31<sup>st</sup> March 2022

#### Objects and Activities

The objects of the charity are to apply the income for the relief and assistance of the present and former orchestral members of Philharmonia orchestra and their dependents. With the consent of all the Trustees, capital may also be applied to provide benefits for which the current income of the charity is insufficient.

The trustees have paid due regard to the Charity Commission guidance on public benefit.

When reviewing the charity's objectives and activities set out above, the Trustees have referred to the charity commission general guidance on public benefit and complied with its duty under the Charities Act 2011.

#### Achievements and performance

##### Investment Policy

Under the terms of the governing document, there are no restrictions on the charity's power to invest. The overall investment policy is to achieve long term capital growth in real terms, whilst providing a yield in line with the UK equity market.

##### Grant making policy

The Trustees meet periodically to decide how to apply the capital and income in accordance with the terms of the Settlement Deed. During the year £13,105 was granted to 8 members of Philharmonia orchestra (2021: £10,920 was granted to 7 members).

##### Financial Review

The accounts cover all of the activities of the charity during the year. Gross income totalled £29,867 (2021 - £26,474). There was a surplus of income funds in the year of £15,763 (2021 – surplus £15,204). At the period end total reserves were £633,305 (2021: £582,730) all of which were unrestricted.

##### Reserves policy and Risk Management

It is the Trustees' intention to reserve a balance of income to enable them to respond quickly to appeals for significant support where appropriate, the timing of which is inherently unpredictable. This balance is represented by the Income Account, which contained a balance of £262,550 (2021 - £246,787).

The Trustees have considered what risks the charity faces and believes these to be risks of poor investment performance and demand for support exceeding income. Risk of a volatile investment market caused by the residual effects of the COVID-19 pandemic, the war in Ukraine and the cost of living crisis continue to place uncertainty on the returns expected from investments, but this has so far proven to have had minimal impact on the Benevolent Fund investment returns.

## THE PHILHARMONIA BENEVOLENT FUND

### **Review of the Activities and Future Developments**

Yearly contributions requested from members remained at £120 per annum. Payments out to members seeking assistance have increased by 20% in 2022 compared to a low 2021. The Fund continues to remain stable in the current economic climate and, as such can respond promptly and adequately to relieve substantial financial burdens of members and their dependents in the year.

The Trustees are satisfied with the financial position of the charity and confirm that they have adequate assets available to fulfil their obligations.

### **Structure, governance and management**

The Philharmonia Benevolent Fund is a registered charity (Number 280370) and was established under a Declaration of Trust dated 20th May 1980.

### **Policy for the induction and training of trustees**

New Board members receive a formal induction session from the existing Trustees. In addition, additional external Trustee training and guidance is provided dependent on the experience and skills of the new Trustees.

### **Method of appointment or election of trustees**

The charity is managed by the Trustees with the accounting delegated to the Treasurer. The power of appointing or removing Trustees is vested in a majority of members of the Board of Philharmonia Limited.

### **Related parties**

The charity does not have a related party relationship with any other charities or organisations.

### **Organisational structure and decision making**

The Trustees have delegated the accounting function to Philharmonia Limited and the Treasurer of the Benevolent Fund is a member of key management personnel of the Philharmonia Limited. As such, a close relationship is maintained between the two charities.

## THE PHILHARMONIA BENEVOLENT FUND

### Trustees' responsibilities statement

*The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).*

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF THE PHILHARMONIA BENEVOLENT FUND

I report on the accounts of the trust for the year ended 31st March 2022 which are set out on pages 6 to 9.

**Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF THE PHILHARMONIA BENEVOLENT FUND**

I report on the accounts of the trust for the year ended 31st March 2021 which are set out on pages 4 to 6.

**Respective responsibilities of Trustees and Examiner:**

The charity's trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 144 of the Charity's Act 2011 (the Charities Act) and that an independent examiners report is needed.

It is my responsibility to;

- Examine the accounts under section 145 of the Charities Act.
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act) and to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes a consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statements below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- Which gives me reasonable cause to believe that, in any material respect, the requirement; to keep accounting records in accordance with section 130 of the Charities Act; to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Charities Act have not been met; or
- To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The charity is managed by the Trustees with the accounting delegated to the Treasurer. The power of appointing or removing Trustees is vested in a majority of members of the Board of Philharmonia Limited.

**Financial Review and Investment Policy**

The accounts cover all of the activities of the charity during the year. Gross income totalled £26,474 (2020 - £32,417). There was a surplus of income funds in the year of £15,204 (2020 - deficit £5,793). Under the terms of the governing document, there are no restrictions on the charity's power to invest. The overall investment policy is to achieve long term capital growth in real terms, whilst providing a yield at least in line with the UK equity market.

**Related parties**

The charity does not have a related party relationship with any other charities or organisations.

**Review of the Activities and Future Developments**

Yearly contributions requested from members remained at £120 per annum. Payments out to members seeking assistance have fallen in 2021 compared to a particularly high 2020. The Fund continues to remain stable and, as such can respond promptly and adequately to relieve substantial financial burdens of members and their dependents in the year.

The Trustees are satisfied with the financial position of the charity and confirm that they have adequate assets available to fulfil their obligations.

**Reserves policy and Risk Management**

It is the Trustees' intention to reserve a balance of income to enable them to respond quickly to appeals for significant support where appropriate, the timing of which is inherently unpredictable. This balance is represented by the Income Account, which contained a balance of £246,787 (2020 - £231,583).

The Trustees have considered what risks the charity faces and believes these to be risks of poor investment performance and demand for support exceeding income. Risk of a volatile investment market caused by COVID-19 continues to place uncertainty on the returns expected from investments, but this has so far proven to have had minimal impact on the Benevolent Fund investment returns.
