The Djanogly Foundation

TRUSTEES' REPORT

The Trustees present their report together with the financial statements of the Charity for the year ended 5 April 2025.

Constitution & Objectives

The Trustees hold the funds of the Charity on trust to pay or apply the whole thereof to or towards or for the benefit of or in furtherance of such charitable purposes, institutions or foundations in the United Kingdom or elsewhere, and in such manner and proportions as the Trustees may from time to time in their absolute and uncontrolled discretion determine.

Organisation

The Trustees who have served during the year and since the year end are set out on page 1. The Board of Trustees have the power to appoint additional trustees at their discretion.

Donations and grant making policy

The donations policy of the Trustees is to sponsor developments in medicine, education, social welfare and the arts. Grants will also be made to fund projects to relieve distress and to promote the welfare of the aged and the young.

The charity is particularly concerned with the funding of projects that are new and may require a number of years to establish. In such cases the grant making activity will be related to the development phases of these projects.

Financial review and investment policy

During the year the Trust received dividend income and bank interest totalling £124,907 (2024 - £134,540)

There are no restrictions of the charity's power to invest. The investment strategy of the charity, taking into account income requirements, risk profile and medium-term economic prospects, is to hold funds in UK equities selected by the Trustees and on deposit at bank.

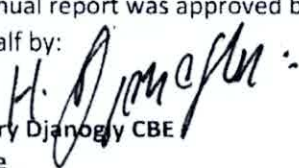

Reserves policy

The Trustees will endeavour to distribute the net dividend and interest income of the Trust within 18 months of the end of the accounting period in which the income is received. However if the Trustees have identified a specific high value project then funds may be retained to finance this.

Risk management

Investments are held primarily in UK and overseas equities selected by the Trustees based on their assessment of the risk in terms of capital and income the Trust is prepared to accept in order to generate sufficient capital growth and income to achieve its objectives.

The annual report was approved by the trustees of the charity on 28/10/2025 and signed on its behalf by:

Sir Harry Djanogly CBE
Trustee

The Djanogly Foundation

TRUSTEES' REPORT

TRUSTEES RESPONSIBILITIES

The Trustees are required under the Charities Act 2011 to prepare the financial statements for each financial year and which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements giving a true and fair view, the Trustees should follow the best practice and:

- a. Select suitable accounting policies and then apply them consistently
- b. Make judgements and estimates that are reasonable and prudent
- c. Observe methods and principles of the Charities SORP
- d. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements
- e. Prepare financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees confirm that they have complied with the above requirements in the preparing the financial statements.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which enable them to ascertain the financial position of the Charity and which enable them to ensure that financial statements comply with the requirements of the Charities (Accounts and Reports) Regulations 2005 and provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Djanogly Foundation

INDEPENDENT EXAMINERS REPORT

I report on the financial statements of The Djanogly Foundation for the year ended 5 April 2023 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes 1 to 6. These financial statements have been prepared in accordance with the Charities Act 2011 ("The Act") and with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities Statement of Recommended Practice issued on 1 April 2005 which is referred to in extant regulations but has now been withdrawn.

Respective responsibilities of trustees and the examiner

The charity's trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards as set out in the Statement of Trustees' Responsibilities.

The charity's trustees consider that an audit is not required for the year under section 144(2) of The Act and that an independent examiners report is required instead.

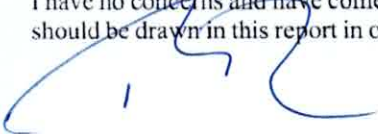

It is my responsibility to examine the financial statements under section 145 of The Act and follow the procedures laid out in the General Directions given by the Charity Commission under section 145(5)(b) of the Act, and state whether any particular matters have come to my attention.

Independent examiner's statement

In connection with my examination no matter has come to my attention giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act;
- the financial statements do not accord with those records
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

ACCOUNTING POLICIES

For the year ended 5 April 2025

1 ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements have been prepared under the historical cost convention with the exception that investments are stated at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities" (FRS 102) effective 1st January 2019 and with the Charities Act 2011.

INCOMING RESOURCES

All incoming resources are accounted for in the period in which the charity is entitled to receipt.

FUND ACCOUNTING

All of the Trust's funds are unrestricted, being available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust. Designated funds are unrestricted funds, set aside at the discretion of the Trustees for specific purposes.

RESOURCES EXPENDED

Liabilities are recognised as resources expended as soon as there is a legal or contractual obligation committing the Charity to the expense. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Donations payable are payments made to third parties in the furtherance of the charitable objectives of the trust and are charged in the year in which they are made.

COSTS OF GENERATING FUNDS

The costs of generating funds consist of investment management costs. Management and administration costs are those incurred in connection with the management of the Trust's assets, organisational administration and compliance with constitutional and statutory requirements.

CHARITABLE ACTIVITIES

Costs of charitable activities include donations made.

GOVERNANCE COSTS

Governance costs comprise all costs involving the public accountability of the Charity and its compliance with regulation and good practice. These costs include costs related to the independent examination.

FIXED ASSET INVESTMENTS

Investments are stated at market value as at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

UNREALISED GAINS AND LOSSES

All gains and losses are taken to the statement of financial activities as they arise. Unrealised gains and losses are calculated as the difference between the market value at the year end and opening market value (or purchase date if later)
