

**The Bradlans Trust
Report of the Trustees
For the Year Ended 31st March 2025**

The Trustees present their report and financial statement for the year ended 31st March 2025.

The organisation is an unincorporated charity established by a Trust Deed dated 16th May 1980 and amended by a Deed dated 31st December 2016 and both registered with the Charity Commission.

Trustees

Under the terms of the Trust Deeds there must be at least three and not more than ten Trustees. The appointment of new Trustees is vested in the existing Trustees. All the existing Trustees are familiar with the Charity's work having served for some time. New Trustees are educated in the Charity's workings and their responsibilities by the existing Trustees.

Investment

Under the terms of the Trust Deed, the Trustees have the power to make any investment they see fit.

Management

The Trustees are directly involved in all management aspects of the organisation.

Risk Management

The Trustees have conducted a review of the major risks to which the Charity is exposed. A risk register has been established and will be updated annually.

Objectives and activities

The main aim of the Trust is the advancement of education of young people by helping them to develop their mental and spiritual capacities through leisure time activities, particularly in the tradition of the Brady Clubs and Settlement, and to document the heritage of the Clubs and its exemplar of the benefits of Youth Clubs.

Financial review

The Trust receives grants and donations from well-wishers and supporters of the Trust, to archive photographs and other material, and to promote the heritage of the Brady Clubs.

Reserves policy

In general, the Trustees aim to ensure that sufficient reserves are held to meet the Trust's aims and aspirations.

Plans for future periods

The Trustees intend to continue to focus on helping young people with their education and to develop their physical, mental and spiritual capacities in accordance with the charity's objectives and in the tradition of the Brady Clubs, and to continue archiving of photographs and other materials with further funding.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statement in accordance with applicable law and United Kingdom Accounting Standards (UKGAAP).

Law applicable to charities in England and Wales require the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources of the charity for that year. In preparing these financial statements the Trustees are required to:

- Select suitable accounting policies and apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and prudent.
- State whether UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are also responsible for keeping proper account records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the provision and detection of fraud and other regularities.
