I have reviewed the 2023 Friends accounts spreadsheet, the associated summary PDF and PDF bank account statements.

Checking on the terminology here in the section 11.10 "Scope of the independent examiner's work" <https://www.churchofengland.org/more/policy-and-thinking/pcc-accountability-guide/chapter-11> : I can confirm that I have reviewed the accounting records and confirm the transactions and totals are calculated correctly. I have checked the records against the NatWest and CCLA accounts' opening and closing balances on PDF statements to verify.
