SARNIA CHARITABLE TRUST

Report of the Trustees for the year ended 5 April 2025

The Trustees present their annual report covering the Trust's activities for the year ended 5 April 2025.

Legal and administrative information set out on page 1 forms part of this report.

History, objectives and activities of the Trust

The Trust was established under a Deed of Trust dated 25 July 1979 followed by a supplemental deed dated 23 September 1980.

The objectives are summarised as being for general charitable purpose, with no defined beneficial area.

Summary of the activities undertaken for the public benefit

The grants made to charities in the year enable the charities to meet their objectives and to provide benefit to the public.

The Trustees have confirmed that they have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

Management and Governance arrangements

The names of the Trustees who have acted during the year are set out on page 1.

The Trustees conduct their Trust business by means of telephone, correspondence and computer communications and the Trustees consider that regular Trust meetings are not required.

The Trustees are appointed by the Board of Trustees. New Trustees receive copies of all relevant Trust documents and of the Charity Commission guidance. Appropriate training is organised for the Trustees.

The Trust is administered by an administrator who is not a Trustee but who is acting on behalf of Trustees.

Procedures and policy for grant making

The objectives of the Trust are to support from the income of the Trust by donations and subscriptions Charitable Institutions and objectives at the Trustees' discretion. The Trustees have identified an interest in Guernsey based charitable trusts and in nature and wildlife conservation, and it is in these areas that the main support is given. Generally the Trustees are not interested in regional requests from charities. The Trustees do make donations and subscriptions based on their own continuing interests.

The Trustees are generally not interested in unsolicited applications received for grants which are, therefore, unlikely to be successful. They are, however, considered on a quarterly basis.

Achievements and performance of the Trust

During the year, a charitable grant was made to 8 charities totalling £34,000.

Examination of the Schedule of Grants in Note 3 to the financial statements will show that the Trustees have fulfilled the objectives of the Trust by making grants to charities involved in nature and wildlife conservation and Guernsey based charities of 79% in value of total grants made.

SARNIA CHARITABLE TRUST

Report of the Trustees (continued) for the year ended 5 April 2025

Financial review, investment policy and reserves

These accounts for the year ended 5 April 2025 have been prepared in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and comply with the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities FRS102 effective from January 2019. The financial statements are prepared under the historic cost convention.

There have not been any significant changes in the Trust's activities or the manner in which these activities have been carried out.

The income for the year was £46,228 which was a decrease of £1,026 on the previous year.

Details of grants made are disclosed on page 9.

Support costs, governance costs and the investment advisor's fee amounted to £17,296 (2024: £16,329) and this left a deficit of £5,068 (2024: surplus of £15,625) for the year to add to the unspent amount at the beginning of the year of £106,584. The Trustees therefore have unspent income of £101,516 available at the year end.

The anticipated net income for the year ending 5 April 2026 will be £28,000 to which can be added unspent income of £101,516 from which the charitable grants and subscriptions for the year can be made. This is a total of £129,516.

The value of the investments of the Trust decreased by £62,141 (2024: increased by £83,136) of which £69,429 were unrealised losses (2024: £52,030 unrealised gains) and £11,501 were realised gains (2024: £35,569). The Trustees intend to retain the investments to produce income for grants and not to use investment revaluations for this purpose. The market value of the investments is reflected in the accounts.

There was an overall deficit for the year of £62,996 (2024: surplus of £103,223) which was deducted from the reserves brought forward from the previous year.

Under the Deed of Trust the Trustees are empowered to retain any investments for as long as they in their absolute discretion think fit and notwithstanding that by reason of such retention the investments are not sufficiently diversified. The Trustees are also empowered to use the investments in the same manner as income and there is, therefore, no fixed endowment fund and no restricted investments. The investments of the Trust are held in the name of Smith and Williamson Nominees Limited which is the appropriate holding company of the Trust's investment advisors.

Quarterly Trust's investment advisors report in detail on the performance of the investments. The decrease in the value of the investments is £62,141, a decrease of 5% compared to the market value at 5 April 2024.

General unrestricted funds

It is the policy of the Trustees, having regard to the specific designated fund referred to below, to maintain the General unrestricted funds, which are the free reserves of the Charity, at a level of circa £10,000. Such funds may be held in order to finance working capital in furtherance of the objectives of the Charity. Free reserves at 5 April 2025 were £118,116.

Designated funds

Designated funds are amounts that have been put aside out of restricted funds at the discretion of the Trustees for particular purposes. The designation is for administration purposes only and does not legally restrict the Trustees discretion to apply the funds. The Trustees have created the following designated fund:

SARNIA CHARITABLE TRUST

Report of the Trustees (continued) for the year ended 5 April 2025

Investment fund

To provide the income necessary to maintain the Trust's charitable activities, the charity requires a significant capital base and the Trustees have maintained an investment policy in order to provide a degree of stability and certainty in income levels. In the circumstances the Trustees have created a designated Investment fund that represents the listed investments held in the charity's investment portfolio.

Details of movements in the funds are set out on page 11 of the financial statements.

The assets reflected in the Balance Sheet are available and adequate for the Trustees to fulfil the obligations of the Charity.

Future plans

It is intended to use the funds described above to continue the objectives of the Trust, as earlier described, indefinitely.

This means that the Trustees will be looking to make charitable grants of circa £25,000 on an annual basis out of the net income received and additional grants can be made out of the current unspent income balance carried forward of £101,516.

Risk management

The Trustees have considered the major risks to which the Charity is exposed and have reviewed those risks and established procedures to manage them.

Going concern

There are no material uncertainties about the Charity's ability to continue as a going concern.

The trustees for the purposes of charity law who served during the year and up to the date of this report are set out on page 1.

Statement of Trustees' responsibilities

The Charities Act 2011 requires the trustees to prepare financial statements for each financial year which comply with regulations under that Act.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Charity. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Law also sets out the Trustees' responsibilities for the preparation and content of the Trustees' Annual Report.
