**The Colleton School Association School Foundation Charity (Charity Number: 281665)**

**Report of the trustees for the year ending 31 August 2024**

The Trustees of The Colleton School Association Charity present their annual report and audited accounts for the year ended 31 August 2024 and confirm they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102).

**OUR AIMS**

The school operates under a scheme which was sealed by the Charity Commissioners for England and Wales on 24 September 1980 which included the regulations for appointment of trustees.

The objects of the Association are to advance the education of the pupils of the school by providing, and assisting in the provision of facilities for education at the school (not normally

provided by the Local Education Authority) and as an ancillary thereto and in furtherance of this object the Association may:

(a) foster more extended relationships between the staff, parents and others associated with the school and;

(b) engage in activities which support the school and advance the education of the pupils attending it.

**REVIEW OF ACTIVITIES AND ACHIEVEMENTS**

In the Academic Year (1<sup>st</sup> September 2023 to 31<sup>st</sup> August 2024) the main purpose of fundraising was for the regeneration of Telly Tubby Hill. The planning work for the project was in place in the previous academic year with the main objectives of 2023/2024 Academic Year for the CSA to raise as much money towards the end cost of the project.

The work involved replacing the much-loved but old and worn 'Telly Tubby Hill' play **space**, which had become a health and safety hazard that had to be closed

to the children. We now have an enhanced play area that optimises the use of space and includes new features for the children to enjoy.

**The final spend on the project is going to be £45,845, in line with the original costing.** This was ensured by a generous offer from a parent-run company to clear the ground (old play area) for the works. We had planned to draw upon our amazing parental volunteers for this task, but the offer of professional work meant there was no overspend for bringing the area 'up to scratch' if our volunteers fell short. We also were able to reuse the 'toadstool' features from the original play area, as foreseen in the design. Thus, the project went according to the plan and schedule we intended, not least due to the generous support of the Garfield Weston Foundation a pivotal and nerve-wracking point in the fundraising journey. The experience of fundraising for a relatively big project has **taught us what we can achieve** by drawing on the skills, enthusiasm and commitment of our community members, and has **instilled pride** in our team.

Neither the Colleton School nor the Colleton School Association have experienced any major changes in the period since the project began. The number of pupil-beneficiaries of our wonderful, regenerated Telly Tubby Hill has dropped slightly from 287 to 265, reflecting a low birth year trend across the Wokingham borough. However, the share of pupils with additional needs / SEN has remained constant. Hence, we are especially glad to have been in a position to enhance our outdoor free / sensory play provision.

The new picnic benches have a new feature, namely built-in game and chess boards, and some children - my own included - have **seized the chance to play**, which not only encourage learning in areas like turn-taking, strategic thinking and fair play, but also supports social needs too.

It was decided that all fundraising for the year would go towards the TT regeneration project and the yearly school requests to provision the further enhancement the provision of facilities for education at the school (not normally provided by the Local Education Authority ) and to foster more extended relationships between the staff , parents and others associated with the school and would be covered by the current funds in the account from previous years' fundraising. There is also a ring-fencing of £15,000 for the Collection School Pool in case of large, unexpected repair costs to ensure the curriculum swimming can be provided for the students.

As a financial summary of the academic year

- Telly Tubby Hill Regeneration saw a payment of £26,000 to the school. This included:
  - o £7750 of Grants
  - o £10073 from Fundraising events

- £13942 income - £3869 expenses

Including:

- £3871 - Christmas Fayre
- £1007 - Discos
- £1681 - Doughnut Sales

- o £2044 from Donations

- Total request from School for equipment of £10338 - breakdown:

PTA funds covered £4250.64 of requests from School in March 2024 for and £6,087.79 for Swimming Pool running costs:

School Requests	2023/24
Leavers Books	£600.00
YT Tablets	£1,644.00
MT Tablets	£1,152.00
Dandelion Readers	£822.00
Misc (Bread Rolls from Xmas fayre)	£32.64
<b>Total</b>	<b>£4,250.64</b>

### Swimming Pool:

Pool Costs = **-£7037.79** (Running costs, mural painting and first aid course)

Pool Income (including subscriptions/pool hire/etc for 2023 and 2024) = £10432.13

Total = £3394 to be carried over to 2024/25 for Pool Costs as subscriptions collected for Summer 2024 to be used to pay running costs.

Telly Tubby Hill	- £26,000		
School Request	-£4,250		
<b>Total Outlay</b>	<b>- £30,250</b>		
Grants	£7,750		
Fundraising Events	£10,073		
Donations	£2,044		
<b>Total Raised for TT Hill</b>	<b>£19,86</b>		-

	<b>7</b>		<b>£30,250</b>
			<b>£19,867</b>
<b>Pool for 2025 expenses</b>	<b>£3,394</b>	Money from 2023 Events and Savings	<b>£10,383</b>

As the calculation above shows the school needed to pay £26,000 for Telly Tubby Hill, which the CSA had agreed to pay and therefore an additional £10384 was paid from the CSA balance, which included money raised in last year's events which was being put towards Telly Tubby Hill.

-£10,383 (money paid from current account balance) + £3,394 (pool money to keep in account for 2025 pool costs) = -£6989 net of receipts for the year (£24,446 opening balance and £17,457 closing balance).

## OUR FINANCES

The financial statements show net incoming resources for the year on School activities of £34,168 (2023 £10,651). The Grants accounting for 23 % of the school's income. The CSA are continuing their strategy of deploying all net incoming resources to investing in the educational purposes and fabric of our School

With the payments coming to £41,158 this saw a yearly decrease of balance of £6990.

- o Breakdown: Yearly school requests bill is paid in March, and this is from money raised the previous year (to ensure the requests can be paid). However, all raised funds this year (23/24) has gone towards Telly Tubby Hill. Also, last two events in Summer 2023 (money is last year's account balance) when fundraising for TT Hill started, was pledged to Telly Tubby Hill, which totals £10,383 of money paid from last year's balance, as well as all of this year's raised funds paid out (for TT Hill).
- o No concern though, as School will not be making larger requests in March 2025, as money raised 2023/24 being used for Telly Tubby Hill. Expected requests of roughly £7000 to cover additional pool costs and leavers expenses (i.e. Books, Party). Which would come from this year's balance (31/8/24). This is compared to usual requests of circa £10k.
- There is just over £5000 in the just giving account set up for other Tellytubby Hill fundraising events which will be transferred in September following the end of the scheduled fundraising run. This will cover the additional balance used from the account for TT Hill on top of last year's events which also went towards the TT Hill. CSA to discuss with School what possible requests will come for 2025/26 so we can get on top of

getting back into regular cycle where we'll need to raise funds for these requests as well with bill coming March 2026.

## **Independent examiner's report to the trustees of Colleton School Association**

I report to the trustees on my examination of the accounts of the Colleton School Association for the year ended 31<sup>st</sup> August 2024.

### **Responsibilities and basis of report**

As the charity trustees of the CSA you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
