The Houghton Trust Limited

Report of the Directors for the year ended 31 December 2024

Company Number 01534794 **Charity Number** 281834

The directors present their annual report and financial statements of the charity for the year ended 31 December 2024. The directors have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' (FRS102) in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 and comply with the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Objectives and activities for educational benefit

The purpose of the Trust is the promotion of education and research into the study of Avian Pathology through making grants to appropriate individuals and institutions. The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives, in planning future activities, and setting the grant making policy for the year.

The company's principal activity during the year continued to be the editorial aspects of Avian Pathology, the official journal of the World Veterinary Poultry Association, and the provision of 'The Houghton Lecture'

Financial review

The Trust's work is reliant on royalty income generated from the publication of 'Avian Pathology' together with supplementary income and investment returns from its investment portfolio.

The net movement in funds for the year amounted to £11,820, (2023: £14,652).

Investment policy

The Trust's investment advisors (Investec) are instructed to hold a mixed portfolio of equities, bonds, cash and other investments designed to provide a level of stable income and the possibility of investment gains.

Risk management

The Trustees have reviewed the major strategic, operational and business risks to which the charity is exposed and are aware of the performance of investments and operational risks from ineffective grant making and the capacity of the Trust to make effective grants.

Investment risks are mitigated by retaining expert investment managers and having a diversified portfolio.

Effective grant making is scrutinised by the Trustees who are experts in their field with the depth of insight to effectively evaluate grant proposals.

The Houghton Trust Limited

Report of the Directors for the year ended 31 December 2024

Company Number 01534794 **Charity Number** 281834

Reserves Policy

The Trustees have established a reserves policy of being aware of their operational commitments for the next 12 months. Anticipated free reserves in unrestricted funds are maintained for this purpose.

Directors responsibilities in relation to the financial statements

The directors are responsible for preparing the Directors' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and the apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume the charity will continue.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company exemption

The financial statements have been prepared in accordance with special provisions of Part 15 of the Companies Act 2006 relating to small companies

By order of the board

S. J. Francis

Dr S J Francis (Honorary Secretary)

07-01.25

Date

The Houghton Trust Limited

Independent examiner's report to the members of The Houghton Trust Limited.

Company number: 01534794

Charity number : 281834

I report on the accounts for the year ended 31 December 2024, which are set out on pages 5 to 13.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b)) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosure in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records;
- where accounts are prepared on an accrual basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.

The directors are satisfied that the company is entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit in accordance with section 476 of the Act.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The accounts have been prepared and delivered in accordance with the special provisions applicable to companies subject to the small companies regime.

The Houghton Trust Limited
Notes to the Accounts
for the year ended 31 December 2024

1 Accounting policies

Basis of preparation and assessment of going concern

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction values unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011.

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant area of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of the investment markets (see the investment policy and risk management sections of the directors' annual report for more information).

Funds structure

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Income recognition

All income is recognised once the Trust has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Royalty receipts are included when receivable and the amount can be measured reliably by the Trust. This is normally upon notification from our royalties advisor of royalties paid or payable.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

Interest on funds held on deposit is included when receivable. This is upon notification of the interest paid by or payable by the bank and investment managers.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Trust to that expenditure, it is probable that settlement will be required and the amount of obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including administrative costs are allocated to the applicable expenditure headings.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. In the case of an unconditional offer this is accrued once the recipient has been notified of the grant award. Grants awards that are subject to the recipient fulfilling conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

The Houghton Trust Limited
Notes to the Accounts
for the year ended 31 December 2024

Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

Administrative expenditure

Administrative expenses for the awarding of grants and the governance of the Trust are recorded separately in the note 7.

Costs of raising funds

The costs of generating funds consist of editorial expenditure and investment management costs.

Charitable activities

Costs of charitable activities include grants made and administrative expenses.

Tangible fixed assets and depreciation

All assets costing more than £250 are capitalised and valued at historic cost. Depreciation is charged on office equipment on a straight-line basis over their estimated useful life of three years from the year of acquisition.

Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising from revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the Trust is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude to investors risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

Contingent liabilities

A contingent liability is identified and disclosed for those grants resulting from:

- a possible obligation which will only be confirmed by the occurrence of one or more uncertain future events not wholly within the trustee's control; or
- a present obligation following a grant offer where settlement is either not considered probable; or
- the amount has not been communicated in the grant offer and that amount cannot be estimated

The Houghton Trust Limited
Notes to the Accounts
for the year ended 31 December 2024

2 Related party transactions and trustee's expenses and remuneration

The trustees give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2023: £nil). Expenses paid to the trustees in the year totalled £982 (2023: £1039).

**Report of the Committee of Management to the Annual General Meeting of the
Houghton Trust Ltd, for the year 2024
(7th May 2025)**

The Journal (*Avian Pathology*), volume 53. The Journal continues to be published for The Houghton Trust by the Taylor & Francis Group (T&F). It was published in six parts in alternate months. The journal published 45 original research papers, and four full reviews in volume 53, an increase compared with 2023. The current journal Impact Factor (IF) is 2.5 (2023). This is a slight decrease compared with 2022 but is in line with a similar decrease in related journal, associated with a change to the algorithm used for calculation. The CiteScore (4.5) places the journal 23rd of 163 in the 'Veterinary Sciences' category, in Q1 for 'Animal Science & Zoology', and Q1 for 'Food Animals'. The IF for 2024 is not yet available.

Editorial matters. Professor Damer Blake continued as Editor-in-Chief of the Journal. During 2024, 224 manuscripts were submitted for consideration for publication, compared with 194 in 2023, the comparative numbers for the previous three years being 182, 208, and 214. The acceptance rate was 32%, consistent with the 10-year average (31%).

Subscriptions. The journal circulation (number of institutions worldwide with access – via either subscription, sales deal, or subject collection) was 2845. There were ~453,000 article downloads in 2024, which is comparable with, but slightly lower than, the previous 3 years.

Royalties. A total of £76,845 was paid by T&F for the year ending 31st December 2024. This is a decrease of £5.2K compared with 2023.

Grants awarded. The Houghton Trust offers three types of research grant (Small Project Research Grant, Researcher Mobility Grant, and Vacation Studentship) to fund specific projects related to avian diseases in UK universities and research institutions. In 2024, the Committee awarded seven research grants totalling £62,954, the highest annual amount ever awarded (compared with £54,337 in 2023 and £41,630 in 2022). There were fewer applications for international Travel Grants: the Committee offered 15 Travel Grants totalling £18,360, significantly lower than in 2023 (35 Travel Grants, £25,366K), but similar to the average amount offered annually for 2014 – 2022 inclusive: £20K.

Finance. The Company had an excess of expenditure over income (-£2,348.52) in 2024, compared with 2023 and 2022 when there was an excess of income over expenditure (£22,775.74 in 2023). Compared with 2023, income was lower by £27K, mainly owing to lower gains on disposal of investments (£30K in 2023, £3K in 2024) but also lower income from royalties. Expenditure was similar in 2024 (£107K) and 2023 (£109K). Total reserves now stand at £718,736, of which £580,932 is investments at market value, as of 31st December 2024.

The Company's bankers are Cater Allen Private Bank, Bradford, Yorkshire. The Trust's investments continue to be managed on behalf of the Company by Investec Wealth & Investment (now part of Rathbones Group Plc), 30 Gresham Street, London.

Approved by the Committee of Management on 7th May 2025.

Signed:

Professor Fiona Tomley (Chair of the Houghton Trust)
