THE POCKET TESTAMENT LEAGUE LIMITED

TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 30 JUNE 2025

The trustees, who are the charity's directors for the purposes of company law, present their report and accounts for the year ended 30 June 2025.

Objectives and activities

The UK has historically benefited from a strong Biblical foundation, providing a value base that builds strong families, communities and society. The Pocket Testament League desires to strengthen this foundation by helping people find peace with their Creator, and purpose for their lives.

The Pocket Testament League's mission is to mobilise and equip Christians to read, carry, and share the Word of God. We encourage members to dedicate a pocket to the Lord, to carry a small Gospel of John in that pocket, and to look for opportunities to share the Word of God as God guides them. Our vision is to recruit supporters who will bring the Bible back to the UK in a powerful, and very personal way, and to equip them to champion the Word of God, and to encourage everyone to read it for themselves.

The directors have determined to keep the activities undertaken under review in considering the Charity Commission's guidance on public benefit, and, in particular, the specific guidance on charities for the advancement of religion. The charity undertakes a number of activities in order to achieve these objectives and is committed to ensuring that these activities are open to all in their communities in addition to being available via Christian church fellowships.

The organisation continues to:

1. Recruit supporters who will share the Word of God. These 'members of the movement' are recruited using social media, events, and strategic partnerships.
2. Print and provide Gospels of John with attractive covers, along with other Christian publications. We send them for free to any who ask.
3. Communicate regularly with supporters through email and social media, sharing inspirational stories and evangelism ideas from our supporters.
4. Create customised Gospels of John for churches, ministries, businesses, and individuals to encourage them to share the Word of God.

Achievements and performance

During the past 5 years we have recruited more than 26,000 supporters who have joined the movement to bring the Bible back to the UK. Over that period we have also expanded our Gospel offerings from just four cover designs to more than four dozen, adding new foreign language Gospels to our range to better reach a wider and more diverse population in the UK and overseas.

Thanks to the help of our donors, partners and supporters, The Pocket Testament League continues to develop. In the year to the end of June 2025 we distributed more than 510,000 Gospels in the UK, Europe, the Middle East and Africa, with more than 385,000 being shared in the UK and Ireland alone.

Our Gospels and booklets are stored and sent out by Verité in West Sussex, a Christian company, that has also printed and mailed out periodic magazines and other mailings on our behalf. Our office is linked to Verité by an administrative website. Highlights this year include 20,000 Gospels for distribution at The Garden Tomb in Jerusalem, and a new partnership with End Bible Poverty Now in Liberia.

Pocket Testament League ministries in India again greatly benefited from generous donations, with £40,500 being donated to the work in India during the year.

We continue to engage with our Pocket Testament League sister charity in the United States which enables us to share branding, Gospel cover designs, new translations, and logistical assistance overseas.

Funds from generous supporters continues to help the charity to grow and develop. These have enabled us to invest in Facebook advertising to improving our ability to promote literature, broaden the products available, increase ordering volumes, draw new supporters. The financial accounts reflect the value of donated resources for Facebook recruitment, website development, travel and Gospels printed.

The directors remain grateful to all our supporters for their continued prayer, financial giving and partnership in sharing the good news about Jesus.

THE POCKET TESTAMENT LEAGUE LIMITED

TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2025

Financial review

The directors are reporting a deficit for the year of £43,247 (2024: surplus £35,399). The reason for this is that some prior year reserves for various planned global gospel distribution were spent with the result that unrestricted reserves have decreased from £162,364 at the beginning of the year to £131,691 at the end of the financial year.

Donations continue to be made to support new and ongoing gospel projects. It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to at least between three and six months of unrestricted fund expenditure. The directors consider that reserves at this level will ensure that, in the event of a significant fall in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. The level of reserves held at the end of the year represented nearly 9 months' expenditure.

Reference and administrative information is provided on the page following the cover sheet.

The directors have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The Pocket Testament League is a company limited by guarantee.

Directors are appointed and removed in accordance with the company's memorandum and articles of association by members at a general meeting. Existing directors may appoint directors at a meeting of the board.

None of the directors has any beneficial interest in the company. All of the directors are members of the company and guarantee to contribute £1 in the event of a winding up.

Responsibilities of trustees under company law

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these financial statements, the trustees are required to:

1. select suitable accounting policies and apply them consistently;
2. observe the methods and principles in the Charities SORP
3. make judgements and estimates that are reasonable and prudent;
4. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
5. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE POCKET TESTAMENT LEAGUE LTD
NOTES TO THE ACCOUNTS
COMPANY INFORMATION

1 Statutory Information

The Pocket Testament League Ltd is a charitable company limited by guarantee and is incorporated in the United Kingdom. The company's registered number and registered office address can be found on the Company Information page.

2 Accounting Policies

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP")", with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102"), with the Companies Act 2006 and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The principles adopted in the preparation of the financial statements are set out below.

a) Going concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and / or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

b) Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations includes:

- i) Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.

c) Expenditure

Expenditure, including any VAT which cannot be recovered, is accounted for on an accruals basis and allocated to the appropriate heading in the accounts. Staff costs and other administration costs are allocated to support costs on the basis of time taken. Bookkeeping costs are allocated to the overseas activity on the basis of time taken. Governance costs include those incurred with the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

Grants and donations payable are taken into account at the earlier of when they are paid or become legally enforceable.

d) Fund accounting

Unrestricted funds are available for use at the discretion of the directors in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used.

e) Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives on the following bases:-

Computers

Over 3 years

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset and is recognised in the statement of financial activities.

f) Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

g) Stocks

Stocks, which are held for distribution at no or nominal consideration, are stated at the lower of cost and estimated service potential. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Net realisable value is the estimated related donations less all estimates costs of completion and costs to be incurred in marketing and distribution.

h) Pension scheme arrangements

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

THE POCKET TESTAMENT LEAGUE LTD

NOTES TO THE ACCOUNTS

COMPANY INFORMATION

i) Taxation

The company is a registered charity; it has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

j) Financial instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Except for loans, creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive). The charity recognises liabilities for the principal of those loans that remains outstanding at the year end (i.e. the liabilities exclude any interest chargeable on the loans in future years).

k) Exemption from preparing a cashflow statement

The charity has taken advantage of an exemption conferred by the Charities SORP and has not prepared a cash flow statement.

l) Commitments for future expenditure

Other than the normal commitments under contracts of employment there are no contractual or constructive obligations to future expenditure at the balance sheet date. Where the directors have authorised expenditure which is not yet legally enforceable or become constructive obligations amounts are set aside into funds designated for the purpose.

m) Critical accounting estimates and areas of judgement

The trustees do not consider that there are any material sources of estimation or uncertainty at the balance sheet date that could result in a material adjustment to the carrying values of assets and liabilities in the next reporting period.
