Additional governance issues (optional information but encouraged as best practice)

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:

a) the induction and training of trustees;

Members of the Executive Committee complete '*Essential Information for Executive Committee*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property;

The raising of funds and the administration of Group finance;

The insurance of persons, property and equipment;

Group public occasions;

Assisting in the recruitment of leaders and other adult support;

Appointing any sub committees that may be required;

Appointing Group Administrators and Advisors other than those who are elected.

Section B	Structure, governance and management (continued)
	<p><b>Risk and Internal Control (Specimen 1)</b>  The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:</p> <p>Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.</p> <p>Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.</p> <p>Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>Reduction or loss of members. The Group provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p><b>Risk and Internal Control (Specimen 2)</b>  The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.</p>

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	<p><b>The Purpose of Scouting</b> Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p><b>The Values of Scouting</b> As Scouts we are guided by these values:  <b>Integrity</b> - We act with integrity; we are honest, trustworthy and loyal.  <b>Respect</b> - We have self-respect and respect for others.  <b>Care</b> - We support others and take care of the world in which we live.  <b>Belief</b> - We explore our faiths, beliefs and attitudes.  <b>Co-operation</b> - We make a positive difference; we co-operate with others and make friends.</p> <p><b>The Scout Method</b> Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:</p> <ul style="list-style-type: none"> <li>- enjoy what they are doing and have fun</li> <li>- take part in activities indoors and outdoors</li> <li>- learn by doing</li> <li>- share in spiritual reflection</li> <li>- take responsibility and make choices</li> <li>- undertake new and challenging activities</li> <li>- make and live by their Promise.</li> </ul>

## Financial Review

Brief statement of the charity's policy on reserves

### Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to X months running costs, circa £X.

The Group held reserves of approximately £X against this at year end. This is above the level/below required for operating expenses. However this can be explained by .....

Quantify and explain any designations

Details of any funds materially in deficit (circumstances plus steps to eliminate)

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives;

**Investment Policy (Specimen 1)**

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies or The Scout Association's Short Term Investment Service.

The Group Executive regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Executive considers the cash flow requirements.

**Investment Policy (Specimen 2)**

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.
