EUROPEAN ACADEMY GREAT BRITAIN (EAGB)

History, objectives and activities of EAGB

The European Academy Great Britain was established on 17 February 1981 as an educational charity to increase knowledge of educational subjects of European interest. The Committee currently focuses on young people between 13 -19 years of age. The EAGB collaborates with a wide range of schools and works closely with their teachers in developing educational courses.

Management and governance arrangements

The memorandum and articles provide for a minimum of 3 members of the committee. Were there a requirement for new members of the committee, these would be identified and appointed by the remaining members of the committee. New members of the committee are briefed on their responsibilities, the governing document, administrative procedures, the history and philosophical approach of the charity. A new member of the committee would receive copies of the previous year's report and accounts and a copy of the Charity Commission leaflet "The Essential Trustee: What You Need to Know".

The committee annually review the risks that the charity faces. To date these have included minor areas of risk relating to employing staff which have been covered by proper procedures and insurance. It has also considered risks relating to terrorism which could cause cancellations and aims to systematically build up a reserve of three years operating income to cover fluctuations in student registrations.

Achievements and performance

The European Academy Great Britain managed to continue its educational commitment following the Coronavirus Covid 19 pandemic, by providing support to 90 students and teachers from Sweden and Finland.

Revenues: Finland 50.2% and Sweden 49.8%

Suomalaisen Yhteiskoulun Saaio (SYK), Helsinki (29.10 - 3.11.23)

This Finnish school returned for the seventh time with 24 Religious Education and English students and 2 teachers. The week commenced with a morning of Shakespeare including a workshop (Romeo and Juliet), followed by a River Thames walk and South Bank experience, and visit to the British Museum. They also spent an afternoon exploring all corners of London independently whilst participating in a London Scavenger Hunt, enabling them to navigate around the city and identify places of interest.

Places of worship visited included St Paul's Cathedral, St Bartholomew the Great and the Less, where they had guided tours. Temple visits included a Sikh Gurdwara, a tour of BAPS Shri Swaminarayan Mandir Hindu temple, a central London Buddhist temple, London Fo Guang Shan, and a local West Ealing Hindu Tamil temple. At each temple, without exception, the students received a very warm welcome and tour; and they were able to ask questions, sample the local vegetarian curries and be immersed in their differing rich cultures for a few hours.

The final evening was spent at the Prince of Wales Theatre where the teachers decided to take their students to the musical The Book of Mormon.

Tibble Gymnasium, Tibble (17-21.03.24)

32 International Economy students and 3 teachers returned from this Swedish school from Taby, 10 miles north of central Stockholm. This is the school's eighth trip since 2016. The programme included an actor-led interactive educational experience at the London Dungeon, a Romeo and Juliet workshop and tour of Shakespeare's Globe theatre, a guided tour of Harrow School, a Bank of England active learning session, a Museum of Brands workshop and tour. In addition, the school visited, as in previous years, the multicultural area of Southall in London with a temple visit offering an interesting contrast to their City, Harrow School and Bank visit.

Committee Annual Report
for the Year Ended 30 April 2024

This school from the rural area of Turku visited us for the second time since 2018 with 27 students and 2 teachers. They enjoyed a very varied week's programme. They spent the earlier part of the week familiarising themselves with the city of London, by challenging themselves on the London Scavenger Hunt and tackling the London transport system. They undertook a canal walk along the Grand Union Canal from Paddington, Little Venice to Camden. They spent a morning at the British Museum, completing a Treasure Hunt exercise to find and engage in the main exhibits. The students spent a morning on the South Bank, taking in the Houses of Parliament, Westminster Abbey and Borough Market before attending a workshop and tour of Shakespeare's Globe. They continued a walk over the Ove Arup Millennium bridge to St Paul's Cathedral.

Other visits included an education led workshop (The Cold War: Mission Reconnaissance) at the National Army Museum, a guided tour of Harrow School, a guided visit and lunch at the Gurdwara Sikh temple, a guided two hour historic walking tour of the Unknown East End, commencing at Whitechapel. A particular highlight for this school was a tour and workshop at Sky Studios. Students experienced working in media - they wrote, produced, enacted and filmed themselves reporting on a news topic of their choice.

In addition to the daytime schedule, the group enjoyed an evening at the Duchess Theatre, watching The Play That Goes Wrong and an evening two hour walk, following the footsteps of Jack The Ripper, tales of whom were described by a London Walks guide.

As usual, students followed a format of beginning their studies with a preparatory session to help them work out how to carry out their educational projects, and finished with an evaluation session. All students were hosted by local families in the area.

Financial review, investment policy and reserves

The committee have set a policy to ensure that any surplus funds earn maximum interest to maximise the total return with a minimum of risk.

Since the income of the EAGB can fluctuate based on school registrations, the committee plan to build up gradually 3 years of operating income to provide a stable base for its activities and ensure as far as is reasonably possible staff security.

There was an excess of £1544 income over expenditure. The adequacy of the reserves policy is reviewed annually.

Public Benefit

Students exchanged experiences with local schools. A social issues programme was organised for the students. They volunteered at a local centre where those who are homeless in the area can find food, warm clothing and a sense of community. The centre estimates that in excess of 1000 individuals access their services on various days of the week. They come from a range of ethnic backgrounds that include Black African and Caribbean, Asian Chinese and White Europeans. The aim was to raise awareness of the need to provide a caring and safe environment for the poor, socially marginalised and those who suffer from isolation or are in any kind of need.

Future plans

The committee intend to continue organising the wide range of school courses it already undertakes.

Statement of Committee Members' responsibilities

Charity law requires the members of the committee to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charity and its financial activities for that period. In preparing those financial statements, the committee members are required to:

- " Select suitable accounting policies and then apply them consistently;
- " Make judgements and estimates that are reasonable and prudent;
- " State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- " Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.
