Prepared by		Julie Turk, Treasurer		Date:
				8/24/2024
Notes:		The accounting year end was moved from 31 March to 30 April, to align the reporting to three terms: May - August September - December January - April Due to this change in year end, this 13 month period has 2 capitation payments to the Scouts Association (paid in April). Due to a change in treasurer in the period and associated set up issues, no gift aid was claimed in this period. These two factors led to a reported loss, which is purely a phasing issue and is not a true loss.

Notes:		The accounting year end was moved from 31 March to 30 April, to align the reporting to three terms: May - August September - December January - April			
Due to this change in year end, this 13 month period has 2 capitation payments to the Scouts Association (paid in April). Due to a change in treasurer in the period and associated set up issues, no gift aid was claimed in this period. These two factors led to a reported loss, which is purely a phasing issue and is not a true loss.

Section B**Structure, governance and management**

Description of the charity's trusts

Type of governing document

(e.g. trust deed, constitution)

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods

(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:
a) the induction and training of trustees;
b) trustee consideration of major risks and the systems and procedures to manage them

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leaders, individual section leaders (if opted to take on the responsibility) and parent's representation and meets every 2 months.

Members of the Executive Committee complete '*Essential Information*', '*Trustee Training*', '*Safety*', '*Safeguarding*' and '*GDPR*' training within the first 6 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property;

The raising of funds and the administration of Group finance;

The insurance of persons, property and equipment;

Group public occasions;

Assisting in the recruitment of leaders and other adult support;

Appointing any sub committees that may be required;

Appointing Group Administrators and Advisors other than those who are elected.

Section B	Structure, governance and management (continued)
	Risk and Internal Control The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are: Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss. Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities. Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently. Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group. Reduction or loss of members. The Group provides activities for all young people aged 6 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group. The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes. Co-operation - We make a positive difference; we co-operate with others and make friends. The Scout Method Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.

ANNUAL GENERAL MEETING 1st NEWBURY SCOUT GROUP

ANNUAL REPORTS

Trustee Report

Throughout this year we have assembled a whole new Executive Team. Many thanks to those who have done so much for 1st Newbury Group in the past you have certainly made 1st Newbury such a thriving Group as we see today. Thank you too to all those who volunteered to join the Executive Team in any capacity and for the work done this year.

We currently have Pete Jeffries standing in as Group Scout Leader until we recruit one from within our Group.

Paul Soulby is our Chair and Quarter Master, Julie Framalicco, Treasurer, Nicky James Secretary. Kevin Bushell and Lindsey Chivers represent the Cub section on the committee and Yvonne Soulby looks after training and first aid, Daisy Hutchinson safeguarding and fundraising and Sarah Youd is managing our Health and Safety. Many thanks to John Turk for all his work with the Fire safety .

With the strangeness of the year we have not done much fundraising but the Treasurer report outlines grants we have received and we have a Good Exchange Project open to raise funds for replacing and improving the roofing of our Hut.

The sections, as you will hear later, have done an amazing job of keeping going throughout lockdowns, and everyone is pleased to be able to welcome back young people and families to face to face scouting. It is great to see so many of you here today.

We are always looking for more help and support in any capacity and hope you all have seen the date of Saturday 2nd October for a work party day here at the hut. A list of jobs that need doing are up around today so please do put the date in your diary and come along on the day, or let us know if you are able to help in any other way.

Treasurer Report

The 2020 - 21 accounts were significantly affected by the continued Covid pandemic as would be expected. Income from subscriptions dropped from £11,825 in the previous year to £9,094 – unsurprisingly - but was more than compensated for by various grants the majority coming from West Berkshire Council and totalling in excess of £20,000. The overall income stream moved from £30,870 in 2019/20 to £45,933 in 2020/21. Multiple other changes the biggest of which was camp contributions down from close to £6,000 to under £200.

Expenses also reduced from the prior year of nearly £29,000 to £20,700. Camp outings covered most of that – again no surprise really.

The overall closing cash position therefore increased dramatically by some £25,000+ and leaves the group in the comfortable, if somewhat embarrassing, position of having over £49,000 in the bank. My only advice is that it should be used conservatively and wisely to ensure the maximum benefit to those who are most deserving.

You will all be aware that I have stepped back as Treasurer for 1st Newbury and that Julie Framalicco has been brave enough to take the reins with effect from the beginning of May. Please do help her if needed

although I am sure that the role will be fulfilled brilliantly and with more commitment than I have been able to offer!

Once again I have to thank all those who have worked tirelessly in very difficult circumstances to hold the group together. That ranges from all the volunteers to the parents who have had faith in the organisation to nurture their offspring in the hopes of a return to (a 'new') normality. Without you the story would have been very different.

Beaver Section Report

Over the last year it has been very up and down for the beavers. As soon as we were able to start meeting again face to face, we did and we made the most of it. Although we didn't manage to do zoom meetings through lockdown, we did allow the beavers to complete tasks to put towards their badges. Once we got back to face to face meetings, we embraced having the outdoor space. We did campfires, tower building, team games and much more. I feel that for me one of the biggest things in beavers through the last year was being able to send a beaver onto cubs having earned his bronze scout award still even through COVID which I found a massive achievement. For that I would like to congratulate Joshua Hunt for earning the highest award you can in beavers and I wish him all the best in cubs along with all the others that have moved up. I am really enjoying being back to face to face meetings and all the beavers are working really hard to achieve as much as they can and are making amazing progress towards their bronze awards too!!

1st Newbury Beaver Leader

Cub Section Report

It has been a hugely successful, if unusual, past year of Cub Scouting for 1st Newbury's Pack. Thanks to the energy and persistence of the leader group we were quickly able to move to virtual scouting when lockdowns required it - making adjustments to the programme and the way leaders engaged in order to continue to provide a fulfilling and varied programme of meetings, in which nearly all the pack participated. During the worst of the pandemic we managed to retain all except one Cub in the pack and even managed to grow the section. We adapted to the return to face-to-face scouting under highly risk-assessed conditions and got a hugely positive response from Cubs and parents to this return. I'd like to thank all the parents for their acceptance of the measures we had to put in place to keep ourselves and the youngsters safe - it was great to have their support and understanding.

The pack is full to bursting point, with a waiting list and a pipeline of future Cubs in our Beaver colony. That success means we could benefit from additional adult help - if any parents would like to join as occasional helpers, or even consider leadership please do let me know.

Despite the pandemic we also managed to get away for a camp in July, which was enjoyed immensely by all the Cubs and leaders alike. Ours was the first section of any scout group in the entire county to do this. And we planned it extra-carefully to ensure success. It was held under safety measures which resulted in not one case of viral spread. And lots of recent joiners were able to gain their first Nights Away award.

I'll end with some statistics: over the past year, we have gained two leaders, and two further leaders gained their wood badge. One leader was (finally) awarded their 10 year service badge and also gained a Chief Scout's commendation for good service. We've also gained a new young leader and we've sent 15 Cubs up to the Scout Troop, we've taken 14 Beavers into the Pack, and taken 7 new Cubs from the waiting list, growing the section to nearly 30 young people. We've awarded 4 chief scout's silver awards (the highest award for a Cub Scout), and awarded a total of 273 badges across the pack since the first lockdown started. And despite multiple lockdowns the pack has still managed to consume 17 large bags of marshmallows and 31 packets of chocolate biscuits.

1st Newbury Cub Leader

Scouts Section Report

The past year has been a tricky year for everyone involved in Scouting. As leaders, we all came into Scouting to enjoy the outdoors and get stuck in to adventurous activities, but as with all Scout Troops across the country, we have adapted over the past year to deliver a blended programme of virtual sessions and face to face meetings when they were permitted. Some particular highlights of our virtual programme include a virtual pottery night delivered by the ugly duckling cafe, messy evenings trying to bake whatever easy dish we could find on BBC Good Food, an evening playing Pac Man across the streets of Newbury with the help of what three words, a virtual monopoly competition using google maps and finally a multitude of escape rooms.

On our return to face to face Scouting we were able to get back out and about hiking, we had the Scouts complete the tour de Newbury to achieve their cycling badge and we spent our summer term rafting, taking part in the Scout Olympics and firing water balloons at each other. There is a lot to look forward to in the coming months with an October camp in Marlborough on the books along with the coveted Alamo competition also in the planning stages. We have an exciting week long Summer Camp in the diary for next year which really will be the icing on the cake after the last year of disruption.

I'd like to end by congratulating the 5 Scouts who were able to achieve the Chief Scout's Gold Award in the last year, despite all the challenges. They are; Rowan Chester, Tom Oxley, Tom Potts, Sasha Purchase and Laura Swanson. A massive well done to them for going above and beyond in Scouting to achieve the highest award that can be earned in the Scout section. We wish them and all the others who have moved on the Explorers all the best in their future Scouting adventures!
