THE MILLICHOPE FOUNDATION

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 5 APRIL 2023**

The trustees present their report with the financial statements of the charity for the year ended 5 April 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

OBJECTIVES AND ACTIVITIES

Objectives and Activities for the Public Benefit

The objects of the trust are to distribute the trust's income by way of donations to charitable causes selected at the discretion of the trustees.

The trustees have no power to sponsor individuals or to give grants to students for their education.

The Millichope Foundation carries out its objects by giving money nationally to: Arts, Culture, Conservation and Heritage. The charity makes donations to all categories of charitable organisations within and immediately affecting the county of Shropshire and those living there. It subscribes to conservation projects worldwide and to disaster funds on an occasional basis.

The trustees confirm that they have complied with the duty in section 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

Fundraising

The Millichope Foundation's income is derived from its listed investment and investment property portfolio. The charity also received donations from trustees of £220,134 during the year (2022: £213,100).

The charity did not work with any commercial participators or professional fundraisers during the year under review. The charity is not subject to an undertaking to be bound by any voluntary scheme for regulating fund-raising, or any voluntary standard of fund-raising, in respect of its activities. No complaints have been received about activities by the charity for the purpose of fundraising. The Millichope Foundation did not undertake additional fundraising activities during the period, therefore no additional action has been necessary to protect the public, including vulnerable people, from unreasonable intrusion on a person's privacy, unreasonably persistent approaches or undue pressure to give.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Millichope Foundation has continued to make donations to a range of charitable organisations to deliver public benefit in accordance with the charity's aims.

Details of donations made in the year are given in the financial review and Appendix 1.

Investment performance

The trustees consider that the performance of the charity's investment portfolio during the year under review, has been satisfactory. The trustees report an decrease of £301,636 in the value of the charity's listed investment portfolio (2022: increase of £439,732), and report a increase in the value of £109,500 (2022: decrease of £270,000) of the charity's investment properties at 5th April 2023. The overall decrease in fixed asset investments, which includes the listed investment portfolio and the investment properties, was £392,136 (2022: increase of £169,732).

Factors relevant to achieving objectives

The work of the charity is reliant on income from investments. World stock market conditions and the general economic climate are therefore factors which impact on the ability of the charity to achieve its objectives.

FINANCIAL REVIEW

Principal funding sources

The principal source of funding is income from investments.

Investment policy and objectives

The Trust Deed authorises the trustees to make, hold and change investments at their discretion. The Foundation's investment portfolio is managed by Rathbones Investment Management Limited.

Reserves policy

The charity's reserves are currently standing at a satisfactory level. The trustees consider that maintaining the reserves at a high level will best meet the objects of the charity as this should generate sufficient income which will be available for distribution to other charitable organisations.

THE MILLICHOPE FOUNDATION

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 5 APRIL 2023**

FINANCIAL REVIEW

Going concern

The trustees are not aware of any material uncertainties regarding the charity's ability to continue to operate as a going concern. They have concluded that the charity has sufficient reserves to enable it to meet its committed donations as they fall due and that the going concern basis of preparation remains appropriate.

For the year under review voluntary income totalled £220,134 (2022: £213,100), income from investments totalled £277,391 (2022: £286,363) and losses realised on the disposal of investments amounted to £65,762 (2022: realised gains of £127,797). Charitable donations totalling £247,402 (2022: £203,528) were disbursed and administration and management expenditure of £70,798 (2022: £69,385) was incurred.

In accordance with the provisions of the Charities' Statement of Recommended Practice (SORP FRS 102), fixed asset investments have been included in the balance sheet at fair value giving rise to unrealised losses in the year of £278,553 for listed investments (2022: unrealised gains of £118,049). The total market value of the listed investments at 5th April 2023 was, in the opinion of the Trustees, £5,667,838 (2022: £5,969,474), which in addition to cash at bank should enable the Trust to continue to meet its objectives for the foreseeable future. Shown within unlisted investments at 5th April 2023 is The Glebe Farm, Munslow, which is recorded at market value of £1,409,500 (2022: £1,300,000), further investment properties in Birmingham at a fair value of £745,000 (2022: £745,000), the Beambridge Clubroom at a fair value of £95,000 (2022: £95,000) and Entitlements for the land at Munslow of £9,040 (2022: £9,040).

The charity's funds carried forward at 5th April 2023 total £7,981,992 (2022: £8,037,482).

FUTURE PLANS

The charity's aims for the future are to continue to make donations to various charitable organisations to deliver public benefit.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Millichope Foundation is an unincorporated charity, constituted by Trust Deed dated 20th December 1993.

Recruitment and appointment of new trustees

Appointment of trustees is governed by the Trust Deed of the charity, which states that the power of appointing new trustees shall be vested in the Settlers during their lives. The Settlers are Mr L C N Bury and Mrs S A Bury.

Organisational structure and decision making

The trustees meet several times a year to consider the performance of the investments and to consider applications for donations and grants from other organisations. Two trustees present at a meeting form a quorum and decisions are made by majority vote, with the Chairman having the casting vote where necessary.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE MILLICHOPE FOUNDATION

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 5 APRIL 2023

Approved by order of the board of trustees on 28 July 2023 and signed on its behalf by:

A handwritten signature in black ink, appearing to be 'L C N Bury', written in a cursive style.

L C N Bury - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE MILLICHOPE FOUNDATION

Opinion

We have audited the financial statements of The Millichope Foundation (the 'charity') for the year ended 5 April 2023 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
THE MILLICHOPE FOUNDATION**

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF THE MILLICHOPE FOUNDATION

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and from our knowledge and experience of the charity sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including the Charities Act 2011, environmental, health and safety legislation.
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of the trustees; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of the trustees as to their knowledge of actual, suspected and alleged fraud; and
- reviewing the client's system notes and internal controls.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- performed a review of the cashbook to identify any large or unusual transactions that appear to have no commercial basis.
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- enquiring of the trustees as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and the inspection of regulatory and legal correspondence, if any.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
THE MILLICHOPE FOUNDATION**

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

THE MILLICHOPE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS **FOR THE YEAR ENDED 5 APRIL 2023**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The financial statements are for the individual entity only.

The financial statements are presented in Sterling (£), rounded to the nearest £1.

The Millichope Foundation is an unincorporated charity and its principal address and registered charity number can be found within the Report of the Trustees.

The financial statements are prepared on a going concern basis and the trustees are not aware of any material uncertainties regarding the charity's ability to continue to operate as a going concern. They have concluded that the charity has sufficient reserves to enable it to meet its committed donations as they fall due and that the going concern basis of preparation remains appropriate.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably. Rental income received from the charity's investment properties is time apportioned and recognised in the accounts on a pro-rated basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

All funds are general and unrestricted and can be used in accordance with the charitable objects at the discretion of the trustees.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Donated investments

Donations of listed investments are included at fair value at the date of the gift.

Value added tax

Value added tax is not recoverable by the charity and as such is included in the relevant costs in the Statement of Financial Activities.

THE MILLICHOPE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS - continued **FOR THE YEAR ENDED 5 APRIL 2023**

1. ACCOUNTING POLICIES - continued

Fixed asset investments

Fixed asset investments are included at fair value at the balance sheet date. Listed investments are included at the trustees' valuation based on the closing-mid market values given by Rathbones Investment Management Limited, of 8th Floor, 8 Finsbury Circus, London, EC2M 7AZ. Both realised and unrealised gains and losses on investments are taken to the Statement of Financial Activities.

Investment property is included at fair value. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Unlisted investments includes Entitlements which are included at fair value at the balance sheet date.

Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 15% on cost
-----------------------	---------------

Debtors

Other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any discounts due.

Cash at bank

Cash at bank includes amounts held in bank current accounts and accounts at Rathbones Investment Management Limited.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The charity includes an estimate of the net present value of its committed future charitable donations. This is based on the charity's donations register and a discount is applied based of the rate of return on investment for the charity.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Significant judgements and estimates

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

The charity makes an estimate of the fair value of investment property. When assessing fair value of property, the trustees consider factors including the conditions of the property, any future plans for the property and independent advice as to the current value of properties owned by the charity. See note 11 for the net carrying amount of investment properties.

The charity makes an estimate of the net present value of its committed future charitable donations as detailed in note 14. This is based on the charity's donations register and a discount is applied based of the rate of return on investment.

NOTES TO THE FINANCIAL STATEMENTS - continued **FOR THE YEAR ENDED 5 APRIL 2023**

11. FIXED ASSET INVESTMENTS - continued

Included within unlisted investments is the investment in land at Glebe Farm, Munslow. The value is based on an independent valuation by Carter Jonas in a prior year. On 5 April 2023, the trustee L C N Bury, reviewed the valuation of the investment and considered that the fair value at that date was £1,409,500.

Unlisted investments also includes five investment properties located in Birmingham. The trustees consider the fair value of these properties at 5 April 2023 was £745,000 in total, based on a valuation provided by a third party agency during the year.
