THE ARCHBISHOP TENISON'S SCHOOL (CROYDON) DEVELOPMENT TRUST

England & Wales - Charity number 282496

Accounts

Trustees' Annual Report for the period

From 01/01/2021 Period start date To 31/12/2021 Period end date

Charity name: ARCHBISHOP TENISON'S SCHOOL (CROYDON) DEVELOPMENT TRUST

Charity registration number: 282496

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To raise and to hold sums of money or other assets so as to advance the education of pupils at Archbishop Tenison's School Croydon.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Improved facilities for education at the School is the public benefit that the Development Trust provides.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	In forming its objectives the Trustees have given due regard to the Charities Commission published Guidance on public benefit.

Additional information (optional)

You may choose to include further statements where relevant about:

Policy on grant making	Para 1.38	
Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	
Other		

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>As usual the Development Trust has covered the full cost of the School's required contribution to the Southwark Diocesan Maintenance Fund (£12936). This annual sum currently accounts for about 50% of the current normal regular income of the Charity. There continue to be significant maintenance requirements, given the age of the buildings, and the School benefits significantly from this scheme receiving greater value of works completed than the payment made.</p> <p>During 2021 there were also payments made to cover the 10% capital contribution to significant improvements to the school buildings made in the summers of 2020 (£5575) and 2021 (£5376).</p> <p>The maintenance and capital works carried out included replacement of boiler feed and distribution pipes, with new radiators in some locations; installation of additional hand washing facilities; complete refurbishment of student toilet facilities, including an increase to the total number of toilets which was required to meet the standards for the increased student numbers in the school.</p> <p>All these matters improve the facilities available for the education of all pupils attending Archbishop Tenison's School Croydon.</p> <p>The School has initiated a chaplaincy for the support of students particularly during the challenges of the COVID19 pandemic. Whilst the Trust has not been in a financial position to donate directly from its regular income for this work, it has been the vehicle for receiving and passing on one-off donations.</p>

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	Various modifications to the buildings have been made to facilitate further increase in pupil numbers as well as updating numerous facilities available to all students, particularly toilets and heating system.
		Regular voluntary donations made by parents and carers have held up well despite

Performance of fundraising activities against objectives set	Para 1.41	<p>the pandemic. However, the trend is still slightly downwards, and so further actions are required to stabilise income.</p> <p>Reclaiming of gift aid continues to be quarterly and up to date, within a few weeks of end of quarter.</p>
Investment performance against objectives	Para 1.41	<p>During this year there has been a 14% increase in the value of the small investment (£16,000 at start of year) held by the trust. This is kept as a reserve, whilst also separately generating quarterly income.</p>
Other		

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>The Trust's cash funds have increased during the year by ~£2000, making £43670 available at year end.</p> <p>Regular income and expenditure continue to be roughly in balance, with a suitable reserve retained.</p> <p>The trust continues to retain the COIF fund, now containing ~£18000, held as assets.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The Charity seeks to build up some reserves to allow it to support more significant projects, particularly where provision of Development Trust funds will be needed by the School to meet the contribution (normally 10%) to significant capital projects required by the Diocese.</p> <p>Reserves can also be used to make grants for small scale items of equipment etc.</p>
Amount of reserves held	Para 1.22	£43670 in the main accounts and £18000 in the CCLA charities investment fund.
Reasons for holding zero reserves	Para 1.22	The Charity holds reserves.
Details of fund materially in deficit	Para 1.24	<p>The trust does not have material deficit.</p> <p>The Charity has the following expected liabilities during 2022:-</p> <ul style="list-style-type: none"> • Diocesan Maintenance Fund Payment for 2022 - £13000. • Contribution to 2022 capital building works - expected to be ~£10000 <p>To offset these liabilities the Trust has total reserves and assets of ~£62000.</p> <p>At the year end the only outstanding Gift Aid claim with HMRC is for the quarter October to December 2021, which is expected to raise circa £1000, which sum is in addition to the reserves and assets sum referred to above.</p> <p>Additionally, normal fund raising from parental giving in 2022 can be expected to raise circa £25,000.</p>
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The Trustees believe that, based upon the statements set out above, as at 31/12/2021 the Charity is in a position to continue as a going concern.

Additional information (optional)

You may choose to include further statements where relevant about:

		The principal income of the Development Trust remains regular giving by parents and
--	--	---

<p>The charity's principal sources of funds (including any fundraising)</p>	<p>Para 1.47</p>	<p>carers of pupils at the School, together with occasional donations from past pupils and other supporters of the School. Parents are encouraged to gift aid their giving where possible such that a tax claim can be made to HMRC, and this has created a welcome addition to the income of the charity. However, the level of normal income that is gift aided has continued to reduce, albeit not by very much in the last year. Occasionally money is received from matched funding by an employer in regard to a donation by one of their employees. A small amount of money is also raised from fund raising activities such as AmazonSmile donations and sales of the School History book.</p>
<p>Investment policy and objectives including any social investment policy adopted</p>	<p>Para 1.46</p>	<p>Monies not immediately needed are invested in a Base Rate Tracker account, together with the sum invested in the CCLA Investment Fund.</p>
<p>A description of the principal risks facing the charity</p>	<p>Para 1.46</p>	<p>Challenges in the school's budget leading to a greater demand on the Charity's funds to support school projects.</p> <p>Reduction of voluntary parental contributions, and the associated reduction in gift aid reclaim, leading to less income.</p> <p>Decision-making regarding any building capital projects has in recent history been made by school and governors, but with the trust as the principal source of funds to pay 10% of the capital cost. Whilst there is communication between trust and governors this needs to be improved so that trustees are involved in decision-making on final financial commitments, to better manage risk of over commitment.</p>
<p>Other</p>		

Structure, Governance and Management

Description of charity's assets:		All assets are cash at the Bank, except a sum of ~£18000 held in the CIOF Charity Investment Fund
Type of governing document (trust deed, royal charter)	Para 1.25	Trust Deed
How is the charity constituted? (e.g unincorporated association, CIO)	Para 1.25	Trust
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	Trustees are normally parents of present and former pupils and are normally selected through consultation with the Governors of the School and the School's Parents Association. Trustees are nominees of the Governors of Archbishop Tenison's Foundation and the Committee of Archbishop Tenison's Parents Association.

Additional information (optional)

You may choose to include further statements where relevant about:

Policies and procedures adopted for the induction and training of trustees	Para 1.51	
The charity's organisational structure and any wider network with which the charity works	Para 1.51	The Trust conducts its business mainly through formal minuted meetings. It met formally on 4 occasions during the year. Steve Ruddy was appointed trustee in September. Further recruitment efforts are underway for at least one and possibly two more trustees, with the chair and other longstanding trustees beginning their plans to step down. The chair stepped down at the last meeting of the year (November 8) and the treasurer stepped in as interim chair until additional trustee(s) have been appointed, from whom a new chair will be selected, and a good handover provided.
Relationship with any related parties	Para 1.51	Whilst the Development Trust is a wholly independent body managed and controlled by its 5 Trustees (some of whom are nominated by the Governors of the School), it nevertheless works with other bodies connected with governance and funding of Archbishop Tenison's School Croydon. These are the Governing Body (the Governors of the School), and the School Foundation (controlled by the Governors as trustees) which holds some relatively limited financial assets on behalf of the School. The school Governing Body has four types of Governors, those appointed by the

		Archbishop of Canterbury, the Diocese and the Croydon Deanery (who are all known as Foundation Governors), Ex-Officio governors, Co-Opted Governors and those appointed by the Local Education Authority and Parents.
Other		<p>Some trustees are also donors to the trust, giving a total of £500 in the year. The trustees do not use their contributions for any influence and in any case the amount given in 2021 is not material to the trust income and expenditure.</p> <p>One of the relatively new trustees raised several questions and concerns about how the trust is run, bringing a new perspective to complement the experience of long-standing trustees. Responses to the questions and concerns were documented, and an additional risk to the trust has been added into this report compared to previous years regarding the decision making for financial commitments.</p> <p>A meeting was held by the interim chair with chair of governors and School Head Teacher in early December to review the work of the trust and to improve the communication between trust and governors, and as a result recommending that a governor become the new chair of the trust (to be actioned in early 2022).</p>

Supporting Charitable Organisations

11 April 2022

Independent Examiner's report to the Trustees of The Archbishop Tenison's School Development Trust, Charity commission number 282496

I report on the accounts for the year ended 31 December 2021 which were set out on the documents provided to me.

Respective responsibilities of the Trustees and Independent Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to

- Examine the accounts under section 145 of the 2011 Act;
- Follow the procedures laid down in the General Directions given by the Charity Commissioners section 145(5)(b) of the 2011 Act; and
- State whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 130 of the 2011 Act; or
 - to prepare accounts which accord with these accounting records have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Yours sincerely

Martyn Burt

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>As usual the Development Trust has covered the full cost of the School's required contribution to the Southwark Diocesan Maintenance Fund (£13618). The annual sum requested currently accounts for about 50% of the current normal regular income of the Charity. There continue to be significant maintenance requirements, given the age of the buildings.</p> <p>During 2020 the sports hall project was declared finished. At the end of 2019 the amount of £38,000 was still outstanding from the loan made to the Trust by the School Foundation. In order to complete repayment of the loan the Trust made 3 payments to the School on behalf of the Foundation. These payments were considered as loan repayments by the Foundation. The first payment was a grant to the School of £5000 for efforts to raise the profile of the School in the eyes of potential new students in years 7 and 12. The second and third payments, £18300 and £14700, were both for computers. The total payments of £38000 meant that the repayment of the £100000 loan was completed. A letter dated December 23, 2020 has been received from the Foundation confirming completion of repayment.</p> <p>An additional grant of £4500 was made towards new computers, and a payment of £3500 was made to the School's building consultant who prepares plans and bids for maintenance and capital expenditure on buildings.</p> <p>All these matters improve the facilities available for the education of all pupils attending Archbishop Tenison's School Croydon.</p>

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	<p>The investment in computers has been vital to the running of the school through the challenges of the COVID19 pandemic.</p> <p>Various modifications to the buildings have been made to facilitate further increase in pupil numbers as well as updating numerous</p>
-------------------------------------	-----------	--

		<p>facilities available to all students, particularly toilets and changing rooms.</p> <p>Completion of the sports hall and repayment of the loan are big achievements for the Trust.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>Regular voluntary donations made by parents and carers have held up well despite the pandemic.</p> <p>Reclaiming of gift aid continues to be quarterly and up to date, within a few weeks of end of quarter.</p>
Investment performance against objectives	Para 1.41	
Other		

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>The Trust's cash funds have decreased during the year by £30500, leaving £41700 available. This decrease is due to the sums paid to complete repayment of the £100000 loan.</p> <p>Regular income and expenditure continue to be roughly in balance, with a suitable reserve retained.</p> <p>The trust continues to retain the COIF fund, containing ~£16000, held as assets.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The Charity seeks to build up some reserves to allow it to support more significant projects, particularly where provision of Development Trust funds will be needed by the School to meet the contribution (normally 10%) to significant capital projects expected by the Diocese.</p> <p>Reserves can also be used to make grants for small scale items of equipment etc.</p>
Amount of reserves held	Para 1.22	£41700 in the main accounts and £16000 in the CCLA charities investment fund.
Reasons for holding zero reserves	Para 1.22	The Charity holds reserves.
Details of fund materially in deficit	Para 1.24	<p>After completion of repayment of the £100000 loan the trust no longer has material deficit.</p> <p>The Charity has the following liabilities as at 31/12/20:-</p> <ul style="list-style-type: none"> • Diocesan Maintenance Fund Payment for 2020 - £16000. • Contribution to 2020 capital building works - expected to be ~£11000 <p>To offset these liabilities the Trust has total reserves and assets of £57800.</p> <p>At the year end the only outstanding Gift Aid claim with HMRC is for the quarter October to December 2020, which is expected to raise circa £1000, which sum is in addition to the reserves and assets sum referred to above.</p> <p>Additionally, normal fund raising from parental giving in 2021 can be expected to raise circa £25,000.</p>
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The Trustees believe that, based upon the statements set out above, as at 31/12/2020 the Charity is in a position to continue as a going concern.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	The principal income of the Development Trust remains regular giving by parents of pupils at the School, together with occasional donations from past pupils and other supporters of the School. Parents are encouraged to gift aid their giving where possible such that a tax claim can be made to HMRC, and this has created a welcome addition to the income of the charity. However the level of normal income that is gift aided has continued to reduce, albeit not by very much in the last year. Occasionally money is received from match funding by an employer in regard to a parental donation by one of their employees. A small amount of money is also raised from fund raising events.
Investment policy and objectives including any social investment policy adopted	Para 1.46	Monies not immediately needed are invested in a Base Rate Tracker account, together with the sum invested in the CCLA Investment Fund.
A description of the principal risks facing the charity	Para 1.46	The reduction of voluntary parental contributions, and the slight further reduction in gift aid giving, together with the cuts in the general school budgets from the local authority, leads to a greater demand on the Charity's funds to support school projects, and this from a generally diminishing level of normal regular giving per pupil.
Other		

Structure, Governance and Management

Type of governing document (trust deed, royal charter)	Para 1.25	Trust Deed
How is the charity constituted? (e.g unincorporated association, CIO)	Para 1.25	Trust
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	Trustees are normally parents of present and former pupils, and are normally selected as a result of consultation with the Governors of the School and the School's Parents Association. Three Trustees are nominees of the Governors of Archbishop Tenison's Foundation and two of the Committee of Archbishop Tenison's Parents Association.

Additional information (optional)

You may choose to include further statements where relevant about:

Policies and procedures adopted for the induction and training of trustees	Para 1.51	
The charity's organisational structure and any wider network with which the charity works	Para 1.51	The Trustees conducts its business mainly through formal minuted meetings. It met formally on 4 occasions during the year. David Smith retired from the trust and moved out of the area midyear. Richard Parrish no longer wishes to continue as a trustee from midyear. Tanya White was appointed trustee in August. Further recruitment efforts are underway for at least one and possibly two more trustees.
Relationship with any related parties	Para 1.51	Whilst the Development Trust is a wholly independent body managed and controlled by its 5 Trustees (three of whom are appointed by the Governors of the School), it nevertheless works with other bodies connected with governance and funding of Archbishop Tenison's School Croydon. These are the Governing Body (the Governors of the School) together with the School Foundation (controlled by the Foundation Governors), and which holds some relatively limited financial assets on behalf of the School. The school governing body has three types of Governors, those appointed by the Foundation (Foundation Governors), those by the Diocese and those by the Local Education Authority.

		Some trustees are also donors to the trust, giving a total of £540 in the year. The trustees do not use their contributions for any influence and in any case the amount given in 2020 is not material to the trust income and expenditure.

Independent Examiner's report to the Trustees of The Archbishop Tenison's School Development Trust, Charity commission number 282496

I report on the accounts for the year ended 31 December 2020 which were set out on the documents provided to me.

Respective responsibilities of the Trustees and Independent Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to

- Examine the accounts under section 145 of the 2011 Act;
- Follow the procedures laid down in the General Directions given by the Charity Commissioners section 145(5)(b) of the 2011 Act; and
- State whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 130 of the 2011 Act; or
 - to prepare accounts which accord with these accounting records have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Yours sincerely

Martyn Burt

For Future Trustee Consideration (this does not form part of the formal report)

Trustee meeting minutes and financial reporting – I noted that there was only minimal reference to financial matters on the trustee minutes; usually just a comment from Mike on how much was in the bank and any significant changes, new givers, others dropping off. I would have expected to see a better financial section outlining what the receipts/income was for the period, how it compared to the budget, and the same for payments/expenditure. Indeed, is there a budget that is used to measure how the finances are going? How do the trustees know if the position is better or worse than expected?

Trustee meetings – safeguarding. As most of the activities relate to relationships and contact with children and other people, should there be a regular report on meeting agendas about safeguarding? Any issues that have been encountered etc. In the current climate you need to ensure you are doing all you can to prevent any issues arising or being overlooked.

Risk assessment – are regular risk assessments taken, especially for new activities undertaken?

Production of invoices – I noted that payments from schools for pantos did not agree with the invoices. Why? Were the amounts material? Ideally all invoices should agree with payments.

Production of trustees annual report (TAR) – this has been left far too late. Ideally if the year-end is 31 August, the TAR and IE review could be completed by Christmas!

The TAR – although it gives a brief review of the year, it doesn't include the items a suggested TAR should include. If you look at the layout as set out last year, you can see what should be included. I attach last year's TAR for comparison purposes, but the standard layout would include the following:

- Reference and Administrative Information (charity name and contact address)
- Trustee details (everyone who has served in the year)
- Structure, Governance and Management (trust deed, appointment of trustees, governance issues)
- Objectives and Activities (what you do and how you do it)
- Review of activities and achievements (what you did in the year – annual review)
- Financial Review (summary of financial activities in the year – how much received, how much spent etc)
- Reserves policy (what is your policy for reserves and how do the year end figures match up to this)
- Plans for future periods (what you hope to do in the future)

In the current climate it would also be good to refer to the impact of COVID on the charity, and how you plan to overcome it.

Martyn Burt
