OBJECTIVES AND ACTIVITIES

The object of the Association is to advance the education of the pupils at the school by providing and assisting in the provision of facilities for education at the school not normally provided by the Education Authority.

As ancillary thereto and in furtherance of this object, the Association may:

- a) Foster more extended relationships between staff, parents and others associated with the school;
- b) Engage in activities which support the school and advance the education of the pupils attending it.

Fundraising efforts were to be focused on a single capital project – The Grand Build – a studio lab for the whole school.

ACHIEVEMENTS AND PERFORMANCE

The major fundraising events held during the year raised the following amounts:

Summer Fair £8,986

Christmas Fair £11,750

Other key fundraising activities included pupil disco, quiz, bingo night, bag to school collection, uniform sales, The Secret Room, cake sales and Easy fundraising.

A great contribution is made by member volunteers. We are extremely grateful for the time and effort volunteers have spent helping to make our fund-raising activities a success, and also helping with the library refurbishment, school gardens and science week activities in particular.

PUBLIC BENEFIT STATEMENT

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit at our meetings. The focus of our activities remains providing as much money as we can to buy equipment and provide experiences for the local community's children who attend Grand Avenue. In the Achievements and Performance section it can be seen how successful we are in this area.

FINANCIAL ACTIVITIES

The charity currently maintains a high level of reserves, some of which has been designated for specific use. The cash reserves are held at the bank with a high interest deposit account being used to hold surplus funds.

Reserves Policy

Currently, the Association wanted to be prudent and make reserves so that we would always be in a position to meet our financial obligations.

Current reserves include a £8,000 General Reserve.

PLANS FOR FUTURE PERIODS

The Association will continue to support the school by helping to provide items that will enhance the children's learning.
