Royal Borough of Greenwich – Mayor's Charity 2022-23

We have now completed our review of the RBG Mayor's Charity Fund for the financial year 2022-23. Our review has included:

- Reconciliation of the bank statements to the accounts
- Reconciliation of the information provided in the receipts and payments account, the income and expenditure statement and the balance sheet (as provided in **Appendix A** below) to the underlying supporting information
- Sample testing of receipts from source through to bank statement and accounts to ensure that income has been processed accurately and intact
- Sample testing of bank transfers to ensure that these have been made to the correct account
- Testing of expenditure including payment made to the 2021/22 charity Tramshed.

There are no significant issues arising from our testing. For clarity, the Charity may wish to consider whether the Just Giving charges and the subsequent reimbursement from RBG should be shown as separate items in the 'Income and Expenditure Account', rather than netted off under Donations. However, this is not material.

Yours faithfully,

Francesca Chivers CMIIA
