#### Structure, governance and management

Debmar Benevolent Trust Limited is constituted by Memorandum and Articles of Association and is a company limited by guarantee. It was incorporated on 4th July 1979 as a company and the company number is 01434722. It was registered as a charity on 29 August 1981 with a charity number 283065.

The Charity is run by the trustees who all act in an honorary capacity. A new trustee would receive copies of the previous years' Annual Report and Accounts and a copy of the Charity Commission leaflet 'The Essential Trustee : What you need to know'.

#### Risk Management

The trustees have identified and reviewed the major risks to which the charity is exposed. Both manual and automated checks are regularly invoked, particularly those relating to the operations and finance of the charity. The trustees are satisfied that these systems and procedures mitigate any perceived risks.

#### **Year ended 30 June 2022**

##### **Objectives and activities**

The objectives of the charity are to advance religion in accordance with the Orthodox Jewish Faith and for such other purposes as are recognised by English Law as charitable.

##### **Public Benefit Policy**

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

##### **Grant Making Policy**

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

##### **Strategic report**

The following sections for achievements and performance and financial review form the strategic report of the charity.

##### **Achievements and performance**

During the year the Charity made grants totalling £564,200 to charitable institutions whose objectives are consistent with those of the Charity.

##### **Investment Policy**

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have invested in property. These investments are kept under constant review.

These investments have yielded returns of approximately 6% which is higher than current rates of return on cash deposits.

##### **Financial review**

As at 30 June 2022 the charity held free reserves being the net current assets of the charity amounting to £469,203 (2021:£587,672).

##### **Reserves Policy**

The Unrestricted Fund represents the unrestricted funds arising from past operating results.

The trustees are satisfied that the balance of the Fund is an acceptable level of reserves. Reserves are required as the charity does not have the benefit of public funds and derives its income from its own investments and donations received. Furthermore the demands on its resources are expected to increase over the years. It must therefore maintain a strong cash position so that investment opportunities are taken when they arise. This is particularly relevant at the present time when secure property investments (on which the charity concentrates) offering an acceptable yield are not easily found. The availability of ready cash is therefore of paramount importance.

### **Independent Examiner's Report to the Trustees of Debmar Benevolent Trust Limited**

**Year ended 30 June 2022**

---

I report to the trustees on my examination of the financial statements of Debmar Benevolent Trust Limited ('the charity') for the year ended 30 June 2022.

#### **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement - matter of concern identified**

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

#### 3. Accounting policies *(continued)*

##### Incoming resources *(continued)*

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

##### Resources expended

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure.

Charitable activities are made up of grants to charitable institutions.

Expenditure also includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.

Governance costs are included on an accruals basis and are recognised when there is a legal or constructive obligation to pay for expenditure.

##### Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

##### Investment property

Investments are included in the accounts at their market value. Any gains or losses are taken to the Statement of Financial Activities.

##### Investments in joint property syndicates

This represents capital introduced by the company into the syndicates plus accrued surpluses less deficiencies but without revaluing the syndicate properties.

Some of the syndicates in which the company is a participator have borrowings which are secured on the syndicate properties.

The company accounts for its syndicate investments under the 'equity accounting' basis and thus the company's share of such borrowings are not included in these
