Structure, governance and management

The charity is constituted as a company limited by guarantee and is therefore governed by a Memorandum and Articles of Association.

Objectives and activities

The company is a registered charity and its principal activity during the year was the distribution of its income to charities. The objects of the charity are to advance religion in accordance with Orthodox Jewish Faith and to support other charitable activities as are recognised by English Law as charitable. In furtherance of its objects the charity continued to advance and donate money and support other charities with objects similar to those detailed above. The charity is run jointly by all the trustees, who make any important decisions in tandem. The trustees meet regularly to manage the charity's affairs. There are no paid employees and all administration work is carried out on a voluntary basis by the governors.

Objectives and activities *(continued)*

PUBLIC BENEFIT

The trustees have considered the guidance published by the Charity Commission and believe that the charity in carrying out its objectives, fully complies with these requirements. In particular the provisions of funds for communal charitable institutions such as synagogues and homes for the elderly and infirm in accordance with the principles of traditional Judaism automatically gives rise to a public benefit. Each year the trustees review the objectives and activities of the charity to ensure that they continue to reflect these aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

The charity is organised so that the governors meet regularly to manage its affairs. There are no paid employees and all administration work is carried out on a voluntary basis by the governors.

Financial review

The statement of financial activities shows a net loss for the year amounting to £241,919 (2023 - £223,822 after making the substantial donations of £565,904 (2023 - £574,972). The reserves stand at £2,310,954 (2023- £2,552,873) in total. The trustees consider it prudent to retain the current level of reserves in order to generate sufficient income to be able to distribute significant funds to charity in accordance with the objects of the charity company.

RISK MANAGEMENT

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate such risks.

FUNDING

The charity does not partake in external funding activities. Funds are derived on an annual basis from investment.

Plans for future periods

The governors intend to continue performing at similar levels to current year which has been most satisfactory. Substantial donations will continue to be paid to various institutions.

The trustees' annual report and the strategic report were approved on 17 December 2024 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of TEGHAM LIMITED

Year ended 31 March 2024

I report to the trustees on my examination of the financial statements of TEGHAM LIMITED ('the charity') for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Going concern

These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are recorded at valuation.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

4. Limited by guarantee

Tegham Limited is a company limited by guarantee and accordingly does not have a share capital.

Every member of the company undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charitable company in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.
