TRUSTEES' ANNUAL REPORT 30 JUNE 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

Status and History

The Fund was established by a deed of trust made on 21 June 1981 between the Master, Wardens and Commonalty of the Misterie of Cutlers and the Original Trustees, namely, Patrick Bernard Burke, William Anthony Clarke and Percy Henry Watts.

The structure of the charity was simplified by a resolution of the 18th of May 2021, enabling the Court to the Company to appoint or discharge additional trustees by resolution.

The Worshipful Company of Cutlers (the "Company") established the Cutlers' Surgical Award Fund by way of a trust deed dated 19 October 1978.

The Cutlers' Surgical Award Fund became a registered charity on 16 August 1979 and was governed by the rules and regulations set down in its trust deed dated 19 October 1978.

On 13th December 2023 the Surgical Award Fund (278009) was merged with the General Charitable Fund.

Following the amalgamation its funds were donated to the General Charitable Fund with the provision that the Trustees honour and grant the 2024 awards which were under consideration at the time of the merger and thereafter at their discretion to continue to make such awards or fresh awards as they may decide.

Public Benefit

The Trustees have considered the issues surrounding public benefit as outlined in the guidance issued by the Charity Commission and believe that they meet all of the requirements listed. The remainder of this report clearly illustrates the benefit to the public at large from the activities of the charity.

Organisational Structure

The strategic direction of the charity is determined by the Trustees, who have overall responsibility for the management, administration, policy and decision making for the charity.

A Charities Committee has been constituted by the Court of Assistants of the Company, consisting of the Trustees of the charity four other members of the Court of Assistants (the Immediate Past Master, the Senior Assistant and two Past Masters, one of whom shall be appointed a Trustee and Chair of the Trustees and committee), and two co-opted Members of the Livery. The Charities Committee, which meets quarterly, is in practice the body that makes all policy decisions, sets an annual financial budget, and sanctions all grant making activities of the charity. Applications for grants are considered, and a review of actual and budgeted expenditure is carried out at each meeting.

The necessary authority required to administer the day-to-day affairs of the charity has been delegated by the Trustees to the Secretary, Mr Rupert Meacher, who is also the Clerk to the Company.

The Secretary normally attends the meetings of the Charities Committee and reports to the meeting on matters that have arisen in the past quarter. Through this mechanism, the Trustees of the charity can monitor, supervise and control the day-to-day management of the charity.

Method of Recruitment, Appointment, Election, Induction and Training of Trustees

Recruitment

The Trustees are all recruited from the Court of Assistants. Standing Orders of the Company require that prior to filling any vacancy on the Court, the Master and Wardens for the time being shall make enquiry as to the character, fitness, responsibility and eligibility of at least three members of the Livery, as the Court in its discretion shall direct, due regard being given to seniority. At least two candidates must be proposed and seconded by members of the Court as candidates for election to fill the vacancy. Election is by ballot.

THE WORSHIPFUL COMPANY OF CUTLERS GENERAL CHARITABLE FUND

TRUSTEES' ANNUAL REPORT 30 JUNE 2024

Standing Orders further provide that no Liveryman who has been declared bankrupt or who has compounded with his creditors shall be elected to the Court unless he shall have subsequently paid 100p in the £, or his bankruptcy shall have been discharged.

Appointment and Election

Two nominations for each of the offices of Master, Senior Warden and Junior Warden are proposed annually by the Court of Assistants. In respect of the office of Master, Standing Orders require that the nominees shall have previously served the office of either Junior or Senior Warden or both. The nominations are put to the Livery who are summoned to attend Common Hall and who, together with the Court of Assistants, elect one candidate to serve in each of the offices for the year ensuing.

Induction and Training

Before any member of the Court of Assistants becomes eligible for appointment as a Trustee, they will already have served a period of induction of at least twelve months, as a member of the Charities Committee. This ensures that, prior to their appointment as a Trustee, each candidate is familiar with all aspects of the governance of the charity, including the grant making policy, the management of investments and the accounting procedures. The Chair of the Charities Committee, a senior Past Master and the Secretary are responsible for ensuring that new directives and legislation connected with charitable bodies are brought to the attention of their fellow Trustees and the other members of the committee. This provides a framework for the on-going educational development of the Trustees. Courses are also offered by external providers, should the Trustees so desire.

Sub-Committees

Other than the main Charities Committee as described above, the charity does not make use of any other sub-committees through which to organise its activities to fulfil its charitable objectives.

Risk and Corporate Governance Matters

The Trustees are collectively responsible for risk and corporate governance matters and are assisted in this respect by the Secretary who maintains the risk register. A high priority is placed on ensuring that the charity is properly managed and is not exposed to risk.

The Trustees regularly review operational risks that the charity faces. No new risks were identified that required preventative measures being taken, notwithstanding the impact of COVID-19. The Charity has formal policies on both complaints and conflicts of interest.

Trustees' Responsibilities in The Preparation of Financial Statements

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

OBJECTIVES AND ACTIVITIES

Charitable Objectives

The charitable objectives for which the charity was established and registered are as follows:

For such charitable purposes and in such proportions as shall be determined by the Trustees.

Charitable Activities

From this very broad-based objective, the Trustees have derived a more specific set of aims for the charity. Therefore, in pursuance of its overall goals, the charity gives grants for:

- (i) Support for Education;
- (ii) Charitable connections with the Company and
- (iii) Promotion of Social Cohesion

Grant Making Policy

By a resolution of the Charities Committee on 5th February 2003, a set of rules for administration of the charity's grant making activities were adopted, which included the following key provisions:

Priority & Purpose

Grants are not normally awarded to charitable bodies that attract national support, or that are situated outside the United Kingdom.

When setting the annual budget for grant expenditure, the Trustees give precedence to funding recurring education related grants, which are described in more detail below. Other available funds are allocated in response to applications received by the Trustees, either direct or through members of the Company, from charitable bodies. In distributing surplus incoming resources, after meeting designated obligations, the Trustees give preference to supporting charitable bodies that serve London, especially those that benefit people in deprived inner London boroughs.

Any hospice may apply for a donation of cutlery, up to a usual maximum of 48 sets, regardless of where they are located in the United Kingdom.

A review of grant making policy was undertaken during the year and three areas of focus were agreed for future grant giving, namely

- Support for Education
- Charitable connections with the Company, and
- Promotion of Social Cohesion

Factoring in grants from the Company's other charity, the Surgical Award Fund, which was amalgamated with the General Charitable Fund on 13th December 2023, it is expected that roughly equal amounts will be applied to these three areas of focus.

The final decision to award any and all grants rests with the Charities Committee. The policy is reviewed on a five-yearly basis.

Support for Education:

Our partner institution are as follows:

Higher Education

St Peters College, Oxford

The Cutlers' Surgical Fellowship

Fellowships are awarded to enable recently qualified surgeons to go abroad to learn and bring back a skill to benefit NHS patients. Applications were judged by a panel appointed by the Royal College of Surgeons of England.

The final decision to award any and all grants rests with the Charities Committee. The Fellowship comprises of a sum of £10,000.

Innovation in Military Medical Support

Innovation in Military Medical Support is a tri-service award, to recognise advances in military medical technology. The Award comprises the sum of £500 and a bronze medal.

The citation is assessed by a Joint Medical Group Board of senior staff, and winners are nominated by the Director General of Defence Medical Services.

The Trustees have determined to make the following grants annually, until otherwise resolved:

Lord Mayor's Charity Appeal	£5,000
Lady Mayoress's Charity Appeal	£1,000

In addition:

- (i) The Master for the time being is authorised to nominate a specific charity, or charities, for receipts of a grant, or grants, up to an agreed amount, for 2023/2024 of £5,000.
- (ii) A provision of £10,000 was made for 2023/2024 for the supply of cutlery to hospices.
- (iii) A provision of £5,000 was made for 2023/2024 for matched funding.

Promotion of Social Cohesion:

The Company's social outreach interests include mental health, recovery from addictions and homelessness, and other complex needs. A complete list of institutions supported, and grants awarded, in 2023/24 can be found in the Notes to the Financial Statements.

Indicators, Milestones and Benchmarks

Information about the charity, including the objects and grant making policy, is now contained on the Company's website at <https://cutlerslondon.co.uk/charity-and-education/>, and can be accessed by the general public. The number of visitors to this particular section of the website provides an indication of public interest in the charity.

Records are maintained of the number of grant applications received, the number of repeat applications, the number of grants awarded and the amount of each grant.

Those students who receive Captain F.G. Boot travel scholarships are expected to submit a report at the end of their time abroad, which provide the Trustees with detailed accounts of how the students have used their grants to support themselves. In addition to this, the majority of scholars write to the Company, indicating the purposes for which they have used their grants.

Relationships with Related Parties

The operations of the charity are integrally linked to those of the Company, and the charity is fundamentally reliant upon the continued support of the Company to maintain its on-going existence.

The Company's Hall provides a central venue for all Trustee meetings and is the administrative headquarters of the charity. All the operational costs incurred by the Fund are either paid for directly or recharged to the charity by the Company. However, no attempt is currently made to identify and account for any additional notional staff, facilities, and other administrative costs that the charity might be incurring, or the gift-in-kind being donated by the Company.

Representation on Other Bodies

The charity does not currently pursue its charitable objectives through Trustee representation on any bodies other than the Court of Assistants of the Company.

Rowans Hospices
Mountbatten Isle of Wight
Primrose Hospice
St Giles Hospice
The Hospice of St Francis
Dove Cottage Day Hospice
Nottinghamshire Hospice
North London Hospice
Mountbatten Hampshire

Impact of Activities and Events

Sufficient income was received during the period under review to enable the Trustees to meet all recurrent commitments. The Company's website has continued to generate interest in the activities of the Fund with an average of 324 visits per month (2023: 312) being made to the 'Charities' section. The year has also seen an increase in the number of applications for grants that have been received, although by no means all have qualified for support.

The feedback received from beneficiaries continues to be very positive, and when writing to express their appreciation, many have remarked how indebted they are to the Fund for providing them with financial support at times of particular need.

FINANCIAL REVIEW

Financial Results of Activities and Events

The financial results of the charity for the year are clearly set out in the Statement of Financial Activities.

The Trustees approved an overall sum of £160,957 in grants (2023: £133,600).

There has been increased focus on encouraging regular donations from the individual members of the Company.

Donations from the Company are now based on a formula linked to its own investment income and grew to £39,741 in 2023/24.

THE WORSHIPFUL COMPANY OF CUTLERS GENERAL CHARITABLE FUND

TRUSTEES' ANNUAL REPORT 30 JUNE 2024

A little of over half annual incoming resources for the charity comes from investments portfolio, and interest receivable on short-term surplus cash deposits.

Reserves Policy

As at 30 June 2024 the free reserves of the fund amounted to £3,400,110. The charities reserves are largely represented by its investment portfolio of £3,235,458. With the value of the investment portfolio may fluctuate, over time the policy on reserves is to see them maintain their real value.

Investments Policy

Under the terms of the deed of trust, the investment powers of the Trustees are unlimited within the scope of the laws and regulations applying in the United Kingdom. As previously stated, the key investments of the charity are its investment portfolio. The charity's investment strategy is reviewed annually by the Trustees taking appropriate advice from the charity's investment managers. The Trustees have not chosen to adopt formal ethical investment policies.

For the year ended 30 June 2024, the General Charitable Fund's investment portfolio produced an average income yield of +2.8% (which resulted in income received of £82,197). The total return for the period was +13.2% (12 months to 30 June 2023: +3.7%), which was slightly behind the index-based benchmark return of +15.9% but well ahead of the long-term CPI+4% benchmark of +6.1%, and ARC Steady Growth Charity Peer Group return of +11.0%

PLANS FOR FUTURE PERIODS

Future Strategy

The Trustees' long-term goal for the charity is to secure its financial stability in perpetuity, so that it can continue indefinitely to meet its recurrent commitments and deliver grant aid to other suitable beneficiaries. The charity's reserves and investments policies are derived directly from this long-term goal, and are, therefore, the key to the Fund's future strategy. As decided in 2017, the guiding principles of the Trust remain:

In Education, to encourage and support wider participation in Higher Education for people from deprived backgrounds.

To focus more on people from London Boroughs, particularly the more deprived London Boroughs.

To make fewer, longer-term and larger grants, both in the interests of the charities and in the interests of the Company's own administration.

To be in a position to ask, wherever possible, for evidence of the benefit from the grants made by the Company.

The Court of The Worshipful Company of Cutlers decided that their annual donation should reflect 0.15% of a 3-year rolling average value of the investment portfolio, with effect from 1st July 2022.

FUNDS HELD AS CUSTODIAN

The Surgical Award Fund, a registered charity that was also related to The Worshipful Company of Cutlers, was amalgamated with the General Charitable Fund on 13th December 2023.

This report was approved and authorised by the Trustees on 16th December 2024 and was signed for and on behalf of the Trustees by:

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 30 JUNE 2024

TO THE TRUSTEES OF THE WORSHIPFUL COMPANY OF CUTLERS GENERAL CHARITABLE FUND

I report to the Trustees on my examination of the accounts of Cutlers General Charitable Fund for the year ended 30 June 2024 which are set out on pages 10 to 17.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

I report in respect of my examination of the Trust's accounts as carried out under section 44 (1) (c) of the 2005 Act and section 145 of the 2011 Act. In carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared to comply with current statutory requirements, under the historical cost convention, and in accordance with applicable accounting standards, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with FRS 102 (Section 1A) and comply with the Charities (Accounts and Reports) Regulating 2008 and the Charities Act 2011.

INCOMING RESOURCES

Investment income is accounted for on a receivable basis once the dividend or interest has been declared.

General donations and other similar types of voluntary income are brought into account, when there is entitlement, profitability of receipt and the amount can be measured reliably when received, except that donated income is included gross of any attributable tax recoverable, where relevant. Donations given for specific purposes are treated as restricted income.

RESOURCES EXPENDED

Resources expended are allocated directly to the charity's principal activity, as the costs of generating funds, or as governance costs, where the costs can be so identified. All other costs are apportioned between those same three categories on the basis of estimated time spent by the Secretary.

Grants payables are included in the Statement of Financial Activities in full in the period in which they are awarded.

INVESTMENTS

The Fund's investments are included in the balance sheet at their market value. The gains or losses arising upon their annual revaluation are included in the Statement of Financial Activities.

FUND ACCOUNTING

The general fund comprises the accumulated surpluses of unrestricted incoming resources over resources expended, which are available for use in furtherance of the general objectives of the charity.

Restricted funds are funds subject to specific conditions imposed by donors. The purpose and use of the restricted funds are set out in the notes to the accounts. Amounts unspent at the year-end are carried forward in the balance sheet.
