The Rt Hon The Countess of Chichester

New trustees are appointed by the Rt Hon The Earl of Chichester during his lifetime.

The joint trustees are responsible for the day to day administration of the charity.

The trustees have the power to invest monies in stocks, shares, other securities or property whether real or personal in any part of the world.

The trustees have reviewed the risk to the charity's assets and are satisfied that sufficient controls are in place.

Objectives and activities

The charity's objects are to hold the capital and income on trust and to apply them for purposes which are exclusively charitable.

The policies adopted in furtherance of these objects are to make charitable donations from the income of the trust. Any income not distributed in any one year will be carried forward. There has been no change in these policies during the year.

The trustees will continue to support the work of charities, voluntary organisations and individuals.

The trustees have considered the guidance provided by the Charity Commission with regard to meeting the public benefit objective. As donations are made to registered charities, the trustees believe that the Earl of Chichester's Charitable Trust is acting for the public benefit.

Trustees' report for the year ended 31 December 2021

Trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the accounts in accordance with applicable laws and regulations.

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable regulations). Under that law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board of trustees

Independent examiner's report to the Trustees of the Earl of Chichester's Charitable Trust

I report to the trustees on my examination of the accounts of the Earl of Chichester's Charitable Trust for the year ended 31 December 2021 which comprise the statement of financial activities, the balance sheet and the notes to the accounts, including a summary of significant accounting policies.

Respective responsibilities of trustees and examiner and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

1.1 General information

The Earl of Chichester's Charitable Trust is an unincorporated trust, constituted under a charitable trust deed on 20 January 1966. It is registered with the Charity Commission in England & Wales (No. 283236). The address of the principal office is Old Library Chambers, 21 Chipper Lane, Salisbury, Wiltshire, SP1 1BG.

1.2 Basis of preparation

The accounts have been prepared under the historical cost convention, as modified to include the revaluation of certain assets.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The trustees confirm that the charity is a public benefit entity as defined by FRS 102.

The accounts are prepared on the going concern basis; there are no material uncertainties about the fund's ability to continue as a going concern.

1.3 Income

Donations are recognised on receipt or when they have been communicated as receivable in writing with notification of both the amount and settlement date.

Interest on funds held on deposit is included upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Income from investments is credited in the statement of financial activities in the period in which it is receivable.

1.4 Expenditure

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under the headings that aggregate all costs related to the category.

Grants payable are payments made to third parties in furtherance of the charitable objects of the charity. The grants are accounted for where the trustees have agreed to pay the grant without condition and the recipient has a reasonable expectation that they will receive a grant.

Support costs consist of costs not directly attributable to direct charitable expenditure or raising funds but which are in respect of the general administration of the charity and overall management of the funds.
