A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

The Registered Address is at:-

1 Allandale Court, Waterpark Road, Salford, Manchester, M7 4JL

The Trustees in office on the date the report was approved were:-

A Weis
S Weis
Mrs R Weis

The following persons served as Trustees during the year ended 30 June 2022 :-

The trustees who served as a trustee in the reporting period were as shown above, and there were no changes during the year, or in the period between the year end and the approval of the accounts.

Objects and activities of the charity

The purposes of the charity as set out in its governing document.

The trustees wish to support all worthy orthodox Jewish causes and the Charity achieves its objects by making grants and distributing mainly to Jewish education and religious organisations.

The charity's objects and its principal activities are:

1. To advance education and religion in accordance with the doctrines and principles of Orthodox Judaism.
2. To relieve poverty and carry out other charitable purposes.

The charity is organised so that the trustees meet regularly to manage its affairs. The charity does not employ any staff or use voluntary assistance. Administration of the charity is dealt with by the trustees.

The main activities undertaken in relation to those purposes during the year.

The charity received rental income and interest which enabled it to make substantial distributions.

A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

The main activities undertaken during the year to further the charity's purpose for the public benefit.

The trustees have referred to the guidance contained in the charity commissioners general guidance on public benefit when reviewing the trust's aims and objectives, and in planning future activities and setting the grant policy for the year.

Within these objects, the trustees' aim is to play its part in the dissemination of the teachings, knowledge and practice of the Jewish religion and to relieve suffering as a result of health and poverty in the Jewish community.

Grant making policies and how these contributed to the achievement of the charity's aims and objectives during the year.

The policy is to assist in the furtherance of Jewish education and religion, relieve poverty assist with those in need of medical help and to alleviate hardship wherever possible. All applications and requests are considered on their own merit.

The main achievements and performance of the charity during the year.

The Statement of Financial Activities shows a total income of £16,010,675, grants made of £5,217,124 and Support Costs of £2,259,796, resulting in a surplus for the year as detailed below.

Funds available are sufficient to permit the charity to continue in operation and continue making charitable grants in line with its grant making policies.

Grants were reduced this year as the trustees decided to reduce their exposure to the banks by paying off various large loans totalling £30,963,685.

It is hoped to increase grants payable, to previous levels, in due course.

A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

The difference the charity's performance during the year has made to the beneficiaries of the charity and the degree to which the achievements and performance during the year have benefited wider society.

Funds have been paid to many recipients and accordingly the performance of the charity has benefitted many beneficiaries.

The significant charitable activities undertaken in the year.

The significant activity of the charity during the year was the payment of charitable grants, based on the needs of beneficiaries.

How the achievements during the year measure up to the objectives set.

The Charity has achieved its objectives during the year.

Investment performance against the investment objectives.

The investments have continued to perform in line with expectations.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The structure of the Charity consists of three trustees. The board of trustees is authorised to appoint new trustees where appropriate.

Most trustees on appointment are already familiar with the practical work of the charity. Newly appointed trustees receive necessary tuition from existing trustees and are given access to Charity Commission publications.

Group Structure and Relationships

The Charity has two wholly owned non-charitable subsidiaries, Barnsfold Limited and Torland Limited, whose activities and trading performance are disclosed in the notes to the financial statements.

A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

The charity's relationships with related parties.

In addition to the subsidiaries mentioned above, the Charity has business relationships with its trustees and those close to one of them, as Managing Agents and also in connection with loans owed to and from them. These are as listed in the notes.

The trustees' bankers and advisors

Bankers	HSBC Coventry and Santander, London.
Solicitors	Fladgate LLP, London WC2B 5DE
Auditors	B Olsberg & Co. Chartered Accountants, Manchester M8 5DT

Financial review

The charity's financial position at the end of the year ended 30 June 2022

The financial position of the charity at 30 June 2022 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2022	2021
	£	£
Net income	8,513,086	15,597,129
Trust capital	10	10
Unrestricted Revenue Funds available for the general purposes of the charity	221,421,010	212,907,924
Unrestricted revaluation reserve	66,588,647	84,228,499
Total Unrestricted Funds	288,009,657	297,136,423
Total Funds	288,009,667	297,136,433

Financial review of the position at the reporting date, 30 June 2022 .

The trustees consider the financial performance by the charity during the year to have been satisfactory.

Specific changes in fixed assets are detailed in the notes to the accounts.

A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

Policies on reserves.

The trustees intend to maintain a high level of distributions from income and to also retain reserves for the repayment of loans and unforeseen contingencies.

Going Concern

The trustees are satisfied that the Charity is a going concern. There are sufficient assets to pay off its liabilities and continue its activities for the foreseeable future.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in the fund are available and adequate to fulfil its obligations in respect of the fund.

Investment policy and investment objectives.

Under the trust deed the charity has the power to make any investment which the trustees see fit. The trustees are constantly seeking investment opportunities to assist the trust in achieving its objectives.

The risks to which the Charity is exposed and reviews and systems to mitigate them.

The risks to which the charity is exposed largely center around the sustainability of rental income and thereby maintaining capital values. The trustees actively review the risks which the charity faces on a regular basis and believe that maintaining reserves at current levels combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate any significant risks. They consider that property investment is suitable to attain the object of the charity and that the charity is not exposed to any foreseeable risk in connection with their activities.

Factors likely to affect future financial performance .

There are no known factors, likely to affect future performance.

A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

Plans For the Future

Summary of plans for the future and the trustees' perspective of the future direction of the charity.

The trustee's plans are to continue receiving donations and income from investments and make distributions as in previous years.

Statement as to disclosure of information to auditors

The trustees state that so far as each of the trustees at the time this report was approved are aware:-

- a) There is no relevant audit information (as defined by section 418(3) of the Companies Act 2006) of which the auditors are unaware, and
- b) The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and establish that the auditors are aware of that information.

A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

Statement of Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), .

In particular, charity law requires the Trustees, if they prepare accounts on an accruals basis, to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Trustees are required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with regulations made under the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the auditor in relation to the Trustees' report is limited to examining the report and ensuring that , the report is consistent with the figures disclosed in the financial statements.

A W Charitable Trust

Trustees' Annual Report for the year ended 30 June 2022

This report was approved by the board of trustees on 27 April 2023.

A W Charitable Trust

Independent Auditors' Report to the Trustees of the charity on the consolidated group accounts for the year ended 30 June 2022

Introduction

We have audited the consolidated financial statements of A W Charitable Trust for the year ended 30 June 2022, as set out on pages 14 to 32, which comprise the Statement of Financial Activities, the Income and Expenditure Account, the Statement of Recognised Gains and Losses, the Balance Sheet and the related notes to the financial statements, including a summary of significant accounting policies. In our opinion, the accompanying financial statements of the charitable group are prepared, in all material respects, in accordance with charity law applicable within the jurisdiction of England & Wales and, in particular, the accounts have been prepared in accordance with FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW), effective January 2016, under the historical cost convention, and in accordance with the accounting policies set out on page 23, which framework constitutes the applicable United Kingdom Generally Accepted Accounting Practice.

Limitation of liability

This report is made solely to the Trustees of the charitable group, as a body, in accordance with the requirements of Section 154 of the Charities Act 2011 (The Act). Our work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume liability or responsibility to anyone other than the Trustees as a body, for our work, for this report or for the opinions we have formed.

Basis for our opinion

We have been appointed as auditors under section 144(2) of The Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

We conducted our audit in accordance with International Standards on Auditing (ISAs-UK), issued by the Financial Reporting Council, and applicable law. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in England & Wales, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

As described on page 8, you, the charitable group's Trustees, are responsible for the preparation of the consolidated financial statements for the charitable group in accordance with the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice and for being satisfied that the financial statements give a true and fair view.

The Trustees, who are charged with governance, are responsible for overseeing the charitable group's financial reporting process.

A W Charitable Trust

Management is responsible for the preparation of the financial statements in accordance with charity law of the jurisdiction of England & Wales and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the charity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs-UK will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our responsibility is to audit and express an opinion on the consolidated financial statements in accordance with relevant legal and regulatory requirements and ISAs-UK. Those standards require us to comply with the Ethical Standards for Auditors published by the Financial Reporting Council and to:-

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, to design and perform audit procedures responsive to those risks and to obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion;

To obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate for the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the charity's internal control;

To evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the charity;

To conclude on the appropriateness of the charity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern;

To evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves a fair presentation.

Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the group to express an opinion on the group financial statements;

We are required to report to the Trustees our opinion as to whether the consolidated financial statements give a true and fair view and have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice and the Charities (Accounts and Reports) Regulations 2008.

We are also required to report to you if, in our opinion, the Trustees' Annual Report is materially inconsistent with the financial statements, if the charity has not kept adequate accounting records, if the charity's financial statements are not in agreement with the accounting records and returns, or if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Trustees' remuneration and transactions with the charity is not disclosed.

A W Charitable Trust

In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

We conducted our audit in accordance with ISAs-UK and in accordance with the Practice Note 'The Audit of Charities in the United Kingdom', revised in March 2012.

We are required to plan and perform our audit so as to meet the above requirements and to obtain all the information and explanations which we consider necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error.

In the course of our audit, we communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.

Assistance with accountancy and tax matters

In accordance with the exemption provided by APB Ethical Standard – Provisions Available for Smaller Entities, we have prepared and submitted the charity's returns to the tax authorities and assisted with the preparation of the accounts.

Eligibility of auditor and status of audit

We confirm that we are eligible under section 144(2) of the Charities Act 2011 to conduct this audit, and that this report is a report in respect of an audit carried out under the Act and in accordance with the related regulations.

Attention is drawn to the accounting policy stating that, notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, and in order to accord with current best practice, the Trustees have determined to prepare the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), . We concur with this approach, and any references in our report to the regulations should be read subject to this comment.

Opinion on the Financial Statements

In accordance with Regulations 25(g) and (h) of the Charities (Accounts and Reports) Regulations 2008, in our opinion the charity's financial statements:

Give a true and fair view of the state of affairs of the charitable group as at 30 June 2022 and of its Income and Expenditure for the financial year then ended and, in particular, the financial statements have been properly prepared, in all material respects, in accordance with United Kingdom Generally Accepted Accounting Practice applicable to entities of its size and have been properly prepared in accordance with the requirements of the Charities Act 2011; and

A W Charitable Trust

have been prepared in accordance with the methods and principles required by the FRS102 Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commission in England & Wales (CCEW) , effective January 2015 (The SORP), and those methods and principles have been followed.

Matters upon which we are required to report by exception

We have nothing to report in respect of the following matters where the law requires us to report to you, if in our opinion:

the charitable group has not kept adequate accounting records; or

the financial statements are not in agreement with the accounting records and returns; or

if information specified by law regarding Trustees' remuneration and transactions with the charity is not disclosed.

we have not received all the information and explanations we require for our audit.

Notes to the Accounts for the year ended 30 June 2022

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, as modified by the revaluation of Fixed Assets, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, , and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Going Concern

The charitable activities are entirely dependent on continuing grant aid and voluntary donations as well as rental income. As a consequence, the going concern basis is dependent on the future flow of these uncertain funding streams. Accordingly, the Trustees have obtained forecasts and, after reviewing the financial forecasts for future periods to 28th February 2023, the Trustees are satisfied that, at the time of approving the financial statements, it is appropriate to adopt the going concern basis in preparing the financial statements. Other than these matters, the Trustees are not aware of any material uncertainties about the charity's ability to continue as a going concern.

Public Benefit

The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of rental income.

Categories of Income

Voluntary income is receivable by way of donations and gifts is included in the SOFA when received.

Rental income from investment properties is included in the SOFA in the year which it is receivable.

Other income represents surplus/(deficit) on the joint property syndicates and is included in the SOFA when received.

Banks and building society interest is included in the year in which it is receivable.

A W Charitable Trust

Notes to the Accounts for the year ended 30 June 2022

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated.

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Policies relating to assets, liabilities and provisions and other matters.

Fixed Asset Investments

Fixed asset investments in quoted shares, traded bonds, investment properties and similar investments are shown initially at cost upon acquisition and at their market value at the balance sheet date at the end of the financial period. Investment properties are not depreciated.

Fixed asset investments in unlisted equities are shown at the balance sheet date at the best estimate of their market value, where practicable. Where valuation techniques are considered unreliable or where, in the opinion of the trustees, the costs outweigh the benefits to the users of the accounts, the investment is included at cost, and a review is undertaken at each year end as to whether the asset should be written down.

Investments in subsidiaries are shown as their balance sheet value.

All gains on fixed asset investments, whether realised or unrealised, are included in row B4 of the Statement of Financial Activities.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

A regular annual review of the likelihood of asset impairment is undertaken.

No depreciation is provided on freehold property and improvements because it is the practice to maintain the property in a continual state of sound repair. Accordingly, the life is so long and the residual value so high that the Trustees consider that depreciation calculated in accordance with accepted accounting standards would be immaterial.

A W Charitable Trust

Notes to the Accounts for the year ended 30 June 2022

Revaluation of tangible fixed assets

Revaluation surpluses and deficits are recognized in the profit and loss account.

Financial instruments including cash and bank balances

A financial asset or a financial liability is recognized only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognized at the amount receivable or payable including any related transactions costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Basic financial instruments are recognized at amortized cost, except for investments in non-convertible preference and non-puttable ordinary shares which are measured at fair value, with changes recognized in profit or loss. Derivative financial instruments are initially recorded at cost and thereafter at fair value with changes recognized in profit or loss.

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

There are no designated funds.

There are no restricted funds.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

There is no significance of financial instruments to the charity's position.

A W Charitable Trust
