**Notes Forming Part of the Financial Statements
For the Year Ended 31st March 2025****1. Accounting Policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently for throughout the year and in the preceding year.

1a. Basis of Accounting

The financial statements have been prepared under the historical cost convention, as modified by the inclusion of fixed asset investments at market value, and in accordance with the Companies Act 2006 and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

1b. Fund Accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.
- Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market value.
- Designated funds are unrestricted funds earmarked by the Management Committee for particular purposes.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

1c. Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- Investment income is included when receivable.
- Incoming resources from charitable trading activity are accounted for when earned.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

1d. Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

- Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for

fundraising purposes.

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**Notes Forming Part of the Financial Statements
For the Year Ended 31st March 2025**

1d. Resources Expended Continued ...

- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage as set out in Note 4.

1e. Fixed Assets

Fixed assets (excluding investments) are stated at cost less accumulated depreciation. The costs of minor additions or those costing below £1,000- are not capitalised. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life, which in all cases is estimated at 4 years.

2. Taxation

As a charity they are exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or S256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have arisen in the Charity.
