STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is controlled by its governing document, a deed of trust dated 17 March 1969, and constitutes an unincorporated charity.

Appointment of Trustees and Trustee induction and training

Trustees are appointed by deed. New trustees are briefed on their legal obligations under charity law, the Charity Commission guidance on public benefit, informed of the contents of the deed, decision-making processes and recent financial performance of the charity. Before taking on the role they meet key advisors and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role

Risk Management

The Trustees recognise that they have a duty to identify and review risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Trustees have considered the main areas of risk and are of the opinion that the Charity has the resources that, under normal conditions would allow these risks to be mitigated to an acceptable level in its day-to-day operations.

OBJECTIVES AND ACTIVITIES

The Charity was created by deed of trust dated 25 January 1982 and exists to benefit such legally charitable objects as the Trustees at their discretion select.

The Trustees consider applications for grants at meetings and generally throughout the year.

GRACE CHARITY
TRUSTEES' REPORT
FOR THE YEAR ENDED 5 APRIL 2025 (cont.)

Public Benefit Statement

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and deciding on the grants for the year. The Charity's objects are for the public benefit. Those objects are achieved by virtue of the grants made by the Trustees to Charities in England and Wales and to individuals to assist with their education.

ACHIEVEMENTS AND PERFORMANCE

The Trustees met in person and virtually on various occasions to consider the charity's activities and achievements during the year. The charitable donations were agreed. 18 grants were made during the year (2024: 15) as shown in note 2 to these accounts.

The Charity continues to support educational initiative, Ocean Ambassadors (OA).

Ocean Ambassadors was created to support lectures to students, some of which may be filmed for future use. Assistance is also given to United World Colleges, initially via Atlantic College, in creation of a new international baccalaureate centred upon marine environments.

The Trustees have agreed to set aside approximately £12,000 per annum to support the training and lectures and also student prizes. In the first two years there were some additional costs for the promotion of OA's educational initiative. During this year there were no costs attributed to OA.

The Trustees continue to review OA annually and report on any changes to the initiative and also the creation of student prizes as they arise.

The Trust Funds were held in investments and cash.

Income for the year in the form of dividends amounted to £44,159 (2024: £41,797).

The market value of the investments at the date of the Balance Sheet was £709,364 (2024: £720,649). The Trustees saw a decrease over the year in the value of the portfolio and remain cautious about future investment. They are aware of the continuing economic crisis and political uncertainty around the world and the ongoing impact these could have on investments and their values and the income arising from those investments. They are invested for the long term.

FINANCIAL REVIEW

Charitable Expenditure

The 2025 grants totalled £40,100 (2024: £19,013). Of these, £NIL (2024: £NIL) related to OA.

Other Expenditure

Expenditure relating to the management, administration and governance of the Charity amounted to £3,642 (2024: £5,524), less than 1% of the value of the Charity at 5 April 2025.

Investment Policy and Performance

The Trustees have an investment portfolio with M&G comprising shares in their Sterling Charifund, with units held in both their Income and Accumulation Funds. The investment in this fund offers the Trustees the right mix of capital growth and income to meet their policy and is actively managed by M&G direct. The Trustees monitor the performance at their meetings and when the quarterly reports are received.

The investment portfolio showed a decrease in market value over the period with unrealised losses of £14,468 (2024: £8,658). There were no realised gains or losses (2024: none).

GRACE CHARITY
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 5 APRIL 2025 (cont.)

Reserves Policy and going concern

The Trustees only use income arising during each year for grants and do not spend more than their annual income each year. It is not envisaged that there will be future commitments that exceed future income on an annual basis therefore the trustees are happy with the current reserve level. The Trustees are of the view that the Trust is a going concern.

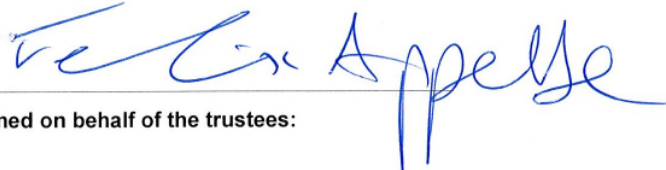

Exemptions from Disclosure

There are no exemptions from disclosure.

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Charity and of their incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the trustees:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES IN RESPECT OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2025

I report to the Trustees on my examination of the accounts of the Grace Charity for the year ended 5 April 2025, which are set out on pages 5 to 9.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

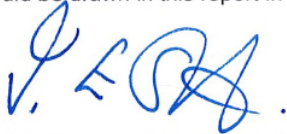

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5) (b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is controlled by its governing document, a deed of trust dated 17 March 1969, and constitutes an unincorporated charity.

Appointment of Trustees and Trustee induction and training

Trustees are appointed by deed. New trustees are briefed on their legal obligations under charity law, the Charity Commission guidance on public benefit, informed of the contents of the deed, decision-making processes and recent financial performance of the charity. Before taking on the role they meet key advisors and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role. Mr W Thomas was appointed as a Trustee during the year

Risk Management

The Trustees recognise that they have a duty to identify and review risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Trustees have considered the main areas of risk and are of the opinion that the Charity has the resources that, under normal conditions would allow these risks to be mitigated to an acceptable level in its day-to-day operations.

OBJECTIVES AND ACTIVITIES

The Charity was created by deed of trust dated 25 January 1982 and exists to benefit such legally charitable objects as the Trustees at their discretion select.

The Trustees consider applications for grants at meetings and generally throughout the year.

GRACE CHARITY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2023 (cont.)

Public Benefit Statement

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and deciding on the grants for the year. The Charity's objects are for the public benefit. Those objects are achieved by virtue of the grants made by the Trustees to Charities in England and Wales and to individuals to assist with their education.

ACHIEVEMENTS AND PERFORMANCE

The Trustees met in person and virtually, (on various occasions) to consider the charity's activities and achievements during the year. The charitable donations were agreed. 15 grants were made during the year (2022: 17 grants paid), ranging from £500 to £5,000 and the total is shown in note 2 to these accounts.

The Charity continues to support educational initiative, Ocean Ambassadors (OA).

Ocean Ambassadors was created to support lectures to students, some of which may be filmed for future use. Assistance is also given to United World Colleges, initially via Atlantic College, in creation of a new international baccalaureate centred upon marine environments.

The Trustees have agreed to set aside approximately £12,000 per annum to support the training and lectures and also student prizes. In the first two years there were some additional costs for the promotion of OA's educational initiative. During this year there were no costs attributed to OA.

The Trustees continue to review OA annually and report on any changes to the initiative and also the creation of student prizes as they arise.

The Trust Funds were held in investments and cash. Income for the year, in the form of dividends amounted to £40,283 (2022: £36,056). The market value of the investments at the date of the Balance Sheet was £726,449 (2022: £767,909). The Trustees saw a decrease over the year in value of the portfolio and remain cautious about future investment. They are aware of the economic crisis and the war in Ukraine and the ongoing impact these could have on the investments and their values and the income arising from those investments. They are invested for the long term.

FINANCIAL REVIEW

Charitable Expenditure

The 2023 grants totalled £20,750 (2022: £26,208), of these £0 (2022: £6,958) related to OA.

Other Expenditure

Expenditure relating to the management, administration and governance of the Charity, amounted to £3,910 (2022: £4,255), less than 1% of the value of the Charity at 5 April 2023.

GRACE CHARITY

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 5 APRIL 2023 (cont.)**

Investment Policy and Performance

The Trustees have an investment portfolio with M&G comprising shares in their Sterling Charifund, with units held in both their Income and Accumulation Funds. The investment in this fund offers the Trustees the right mix of capital growth and income to meet their policy and is actively managed by M&G direct. The Trustees monitor the performance at their meetings and when the quarterly reports are received.

The investment portfolio showed an decrease in market value over the period, with unrealised losses of £43,937 (2022: unrealised gains of £52,596). There were no realised gains or losses (2022: none).

Reserves Policy and going concern

The Trustees only use income arising during each year for grants and do not spend more than their annual income each year. It is not envisaged that there will be future commitments that exceed future income on an annual basis therefore the trustees are happy with the current reserve level. The Trustees are of the view that the Trust is a going concern.

Exemptions from Disclosure

There are no exemptions from disclosure.

Law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is controlled by its governing document, a deed of trust dated 17 March 1969, and constitutes an unincorporated charity.

Appointment of Trustees and Trustee induction and training

Trustees are appointed by deed. New trustees are briefed on their legal obligations under charity law, the Charity Commission guidance on public benefit, informed of the contents of the deed, decision-making processes and recent financial performance of the charity. Before taking on the role they meet key advisors and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Risk Management

The Trustees recognise that they have a duty to identify and review risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Trustees have considered the main areas of risk and are of the opinion that the Charity has the resources that, under normal conditions would allow these risks to be mitigated to an acceptable level in its day-to-day operations.

OBJECTIVES AND ACTIVITIES

The Charity was created by deed of trust dated 17 March 1969 and exists to benefit such legally charitable objects as the Trustees at their discretion select.

The Trustees consider applications for grants at meetings throughout the year.

GRACE CHARITY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2021 (cont.)

Public Benefit Statement

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and deciding on the grants for the year. The Charity's objects are for the public benefit. Those objects are achieved by virtue of the grants made by the Trustees to Charities in England and Wales and to individuals to assist with their education.

ACHIEVEMENTS AND PERFORMANCE

Because of the pandemic, the Trustees did not meet in person but virtually, on various occasions to consider the charity's activities and achievements during the year. The charitable donations were agreed. 27 grants were made during the year (2020: 23 grants paid), ranging from £150 to £5,000 and the total is shown in note 2 to these accounts.

The Charity has set up a new educational initiative, Ocean Ambassadors (OA). The Trustees have received legal advice from BDB Pitmans on this initiative. They have advised that OA can be a sub-fund of the Charity.

OA was created to support lectures of students, some of which may be filmed for future use. Assistance is also given to United World Colleges, initially via Atlantic College, in creation of a new international baccalaureate centred upon marine environments.

The Trustees have agreed to set aside approximately £12,000 per annum to support the training and lectures and also student prizes. In the first two years there will be some additional costs for the promotion of OA's educational initiative.

The Trustees will review OA annually and report on any changes to the initiative and also the creation of student prizes as they arise.

The Trust Funds were held in investments and cash. Income for the year, in the form of dividends amounted to £31,149.00 (2020: £40,245). The market value of the investments at the date of the Balance Sheet was £713,214.64 (2020: £554,769). The Trustees were pleased to see the increase in value of the portfolio following the fall in value in 2020. The Trustees are aware of the impact the Covid 19 Pandemic had on the investments and their values in 2020 and the income arising from the investments held too. The Charity is invested for the long term and the trustees will continue to monitor the investments and their performance.

FINANCIAL REVIEW

Charitable Expenditure

The 2020 grants totalled £39,691 (2020: £25,873), of these £10,941.00 (2020: £4,523) related to OA.

Other Expenditure

Expenditure relating to the management, administration and governance of the Charity, amounted to £4,020 (2020: £3,154), less than 1% of the value of the Charity at 5 April 2021.

GRACE CHARITY

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 5 APRIL 2021 (cont.)**

Investment Policy and Performance

The Trustees have an investment portfolio with M&G comprising shares in their Sterling Charifund, with units held in both their Income and Accumulation Funds. The investment in this fund offers the Trustees the right mix of capital growth and income to meet their policy and is actively managed by M&G direct. The Trustees monitor the performance at their meetings and when the quarterly reports are received.

The investment portfolio showed an increase in market value over the period, with unrealised gains of £156,500.05 (2020: unrealised losses of £202,641). There were no realised gains (2020: nil).

Reserves Policy and going concern

The Trustees only use income arising during each year for grants and do not spend more than their annual income each year. It is not envisaged that there will be future commitments that exceed future income on an annual basis therefore the trustees are happy with the current reserve level. The Trustees are of the view that the Trust is a going concern.

Exemptions from Disclosure

There are no exemptions from disclosure.

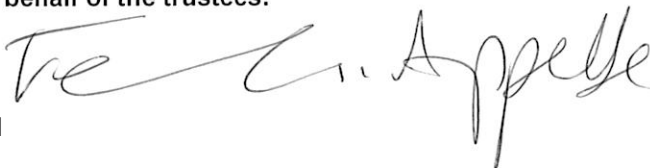

Law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES
IN RESPECT OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 5 APRIL 2021**

I report to the Trustees on my examination of the accounts of the Grace Charity for the year ended 5 April 2021 which are set out on pages 5 to 9.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5) (b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
