## TRUSTEES' REPORT

### FOR THE YEAR ENDED 5 APRIL 2025

---

The Trustees present their report and financial statements for the year ended 5 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

#### **Objectives and activities**

The Trustees hold the capital and income of the Trust upon trust to pay or apply the whole thereof to or towards or for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations (or the Trustees thereof) as they, from time to time, decide.

The Trust makes grants to registered charities, organisations with charitable objects which are exempt from the requirement for charitable registration and other charitable causes.

There have been no changes in the policies adopted by the Trust during the year.

#### **Achievements and performance**

During the year, the Trust made various charitable donations amounting to £108,864 (2024: £101,867). It is the usual policy of the Trustees to make awards from the accumulated unrestricted fund only. Total expenditure in the year amounted to £108,888 (2024: £101,897).

#### **Financial review**

The net movement in funds in the year is shown on page 4.

Donations received in the year amounted to £100,000 (2024: £75,000).

The balance sheet on page 5 of the financial statements shows the financial position of the Trust as at 5 April 2025.

Total assets less liabilities amounted to £207,777 (2024: £216,665), which is represented by the accumulated balances on capital and income funds. The net assets of the Trust are held in order to meet the Trust's operating expenses, if any, and also to be applied towards the Trust's charitable objectives.

The Trust has made no future commitments with regard to the funds held.

The Trustees wish to continue their support of selected causes and consequently reserves are maintained at a level commensurate with this requirement. The Trustees consider the current level of reserves held are adequate to achieve this.

The Trustees regularly review charitable grants made and are conscious of their need to distribute income and not maintain reserves in excess of the level set in the above policy.

#### **Major risks**

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### **Structure, governance and management**

The Trust was established under a Deed of Settlement dated 12 January 1982 and is a registered charity No. 284299.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE WOGEN ANNIVERSARY TRUST

---

I report to the Trustees on my examination of the financial statements of The Wogen Anniversary Trust (the Trust) for the year ended 5 April 2025.

#### **Responsibilities and basis of report**

As the Trustees of the Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Trust's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 5 APRIL 2025**

---

### **1 Accounting policies**

#### **Charity information**

The Wogen Anniversary Trust is a Charitable Trust established under a Deed of Settlement.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. However, the Trustees accept that the current economic climate will present challenges to the charity sector.

Notwithstanding this, the charity has sufficient financial and cash resources to help withstand the challenging period ahead. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

The unrestricted income fund consists of funds to be used for the purpose of the Trust's charitable objectives at the discretion of its Trustees.

The capital endowment fund is attributable to the original amount settled on the charity and subsequent additions thereto. Under the terms of the Deed of Settlement, the endowment is expendable at the discretion of the Trustees on expenditure which meets the charitable objectives of the Trust.

#### **1.4 Income**

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2025

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably. All expenditure is classified as direct costs as Wogen Services Limited provides administrative support for no consideration.

Expenditure is included on an accruals basis. Grants payable are charged in the year when the offer is conveyed to the recipient, such grants being recognised as expenditure.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

##### **Basic financial assets**

Basic financial assets, which include cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

## TRUSTEES' REPORT

### *FOR THE YEAR ENDED 5 APRIL 2024*

---

The Trustees present their report and financial statements for the year ended 5 April 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

#### **Objectives and activities**

The Trustees hold the capital and income of the Trust upon trust to pay or apply the whole thereof to or towards or for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations (or the Trustees thereof) as they, from time to time, decide.

The Trust makes grants to registered charities, organisations with charitable objects which are exempt from the requirement for charitable registration and other charitable causes.

There have been no changes in the policies adopted by the Trust during the year.

#### **Achievements and performance**

During the year, the Trust made various charitable donations amounting to £101,867 (2023: £151,275). It is the usual policy of the Trustees to make awards from the accumulated unrestricted fund only. Total expenditure in the year amounted to £101,897 (2023: £151,304).

#### **Financial review**

The net movement in funds in the year is shown on page 4.

Donations received in the year amounted to £75,000 (2023: £200,000).

The balance sheet on page 5 of the financial statements shows the financial position of the Trust as at 5 April 2024.

Total assets less liabilities amounted to £216,665 (2023: £243,562), which is represented by the accumulated balances on capital and income funds. The net assets of the Trust are held in order to meet the Trust's operating expenses, if any, and also to be applied towards the Trust's charitable objectives.

The Trust has made no future commitments with regard to the funds held.

The Trustees wish to continue their support of selected causes and consequently reserves are maintained at a level commensurate with this requirement. The Trustees consider the current level of reserves held are adequate to achieve this.

The Trustees regularly review charitable grants made and are conscious of their need to distribute income and not maintain reserves in excess of the level set in the above policy.

#### *Major risks*

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### **Structure, governance and management**

The Trust was established under a Deed of Settlement dated 12 January 1982 and is a registered charity No. 284299.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 5 APRIL 2024

---

#### 1 Accounting policies

##### Charity information

The Wogen Anniversary Trust is a Charitable Trust established under a Deed of Settlement.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. However, the Trustees accept that the current economic climate will present challenges to the charity sector.

Notwithstanding this, the charity has sufficient financial and cash resources to help withstand the challenging period ahead. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

The unrestricted income fund consists of funds to be used for the purpose of the Trust's charitable objectives at the discretion of its Trustees.

The capital endowment fund is attributable to the original amount settled on the charity and subsequent additions thereto. Under the terms of the Deed of Settlement, the endowment is expendable at the discretion of the Trustees on expenditure which meets the charitable objectives of the Trust.

##### 1.4 Income

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably. All expenditure is classified as direct costs as Wogen Group Limited provides administrative support for no consideration.

Expenditure is included on an accruals basis. Grants payable are charged in the year when the offer is conveyed to the recipient, such grants being recognised as expenditure.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

##### **Basic financial assets**

Basic financial assets, which include cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

---

The Trustees present their report and financial statements for the year ended 5 April 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

#### **Objectives and activities**

The Trustees hold the capital and income of the Trust upon trust to pay or apply the whole thereof to or towards or for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations (or the Trustees thereof) as they, from time to time, decide.

The Trust makes grants to registered charities, organisations with charitable objects which are exempt from the requirement for charitable registration and other charitable causes.

During the year, the Trust made various charitable donations amounting to £151,275 (2022: £121,916). It is the usual policy of the Trustees to make awards from the accumulated unrestricted fund only. Total expenditure in the year amounted to £151,304, an increase of £29,118 on the previous year.

#### **Financial review**

The net movement in funds in the year is shown on page 4.

Donations received in the year amounted to £200,000 (2022: £100,000).

The balance sheet on page 5 of the financial statements shows the financial position of the Trust as at 5 April 2023.

Total assets less liabilities amounted to £243,562 (2022: £194,866), which is represented by the accumulated balances on capital and income funds. The net assets of the Trust are held in order to meet the Trust's operating expenses, if any, and also to be applied towards the Trust's charitable objectives.

The Trust has made no future commitments with regard to the funds held.

The Trustees wish to continue their support of selected causes and consequently reserves are maintained at a level commensurate with this requirement. The Trustees consider the current level of reserves held are adequate to achieve this.

The Trustees regularly review charitable grants made and are conscious of their need to distribute income and not maintain reserves in excess of the level set in the above policy.

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### **Structure, governance and management**

The Trust was established under a Deed of Settlement dated 12 January 1982 and is a registered charity No. 284299.

#### **Responsibilities and basis of report**

As the Trustees of the Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 5 APRIL 2023**

---

### **1 Accounting policies**

#### **Charity information**

The Wogen Anniversary Trust is a Charitable Trust established under a Deed of Settlement.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. However, the Trustees accept that the current economic climate will present challenges to the charity sector.

Notwithstanding this, the charity has sufficient financial and cash resources to help withstand the challenging period ahead. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

The unrestricted income fund consists of funds to be used for the purpose of the Trust's charitable objectives at the discretion of its Trustees.

The capital endowment fund is attributable to the original amount settled on the charity and subsequent additions thereto. Under the terms of the Deed of Settlement, the endowment is expendable at the discretion of the Trustees on expenditure which meets the charitable objectives of the Trust.

#### **1.4 Income**

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

### **1 Accounting policies**

**(Continued)**

#### **1.5 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably. All expenditure is classified as direct costs as Wogen Group Limited provides administrative support for no consideration.

Expenditure is included on an accruals basis. Grants payable are charged in the year when the offer is conveyed to the recipient, such grants being recognised as expenditure.

#### **1.6 Cash and cash equivalents**

Cash and cash equivalents include cash in hand and deposits held at call with banks.

##### ***Basic financial assets***

Basic financial assets, which include cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

There have been no changes in the policies adopted by the Trust during the year.

#### **Achievements and performance**

During the year, the Trust made various charitable donations amounting to £121,916 (2021: £109,167). It is the usual policy of the Trustees to make awards from the accumulated unrestricted fund only. Total expenditure in the year amounted to £122,186, an increase of £12,995 on the previous year.

#### **Financial review**

The net movement in funds in the year is shown on page 4.

Donations received in the year amounted to £100,000 (2021: £200,000).

The balance sheet on page 5 of the financial statements shows the financial position of the Trust as at 5 April 2022.

Total assets less liabilities amounted to £194,866, which is represented by the accumulated balances on capital and income funds. The net assets of the Trust are held in order to meet the Trust's operating expenses, if any, and also to be applied towards the Trust's charitable objectives.

The Trust has made no future commitments with regard to the funds held.

The Trustees wish to continue their support of selected causes and consequently reserves are maintained at a level commensurate with this requirement. The Trustees consider the current level of reserves held are adequate to achieve this.

The Trustees regularly review charitable grants made and are conscious of their need to distribute income and not maintain reserves in excess of the level set in the above policy.

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### **Structure, governance and management**

The Trust was established under a Deed of Settlement dated 12 January 1982 and is a registered charity No. 284299.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 5 APRIL 2022

---

#### 1 Accounting policies

##### Charity information

The Wogen Anniversary Trust is a Charitable Trust established under a Deed of Settlement.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. However, the Trustees accept that the current economic climate will present challenges to the charity sector.

Notwithstanding this, the charity has sufficient financial and cash resources to help withstand the challenging period ahead. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

The unrestricted income fund consists of funds to be used for the purpose of the Trust's charitable objectives at the discretion of its Trustees.

The capital endowment fund is attributable to the original amount settled on the charity and subsequent additions thereto. Under the terms of the Deed of Settlement, the endowment is expendable at the discretion of the Trustees on expenditure which meets the charitable objectives of the Trust.

##### 1.4 Income

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 5 APRIL 2022

### 1 Accounting policies

(Continued)

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure is included on an accruals basis. Grants payable are charged in the year when the offer is conveyed to the recipient, such grants being recognised as expenditure.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks.

#### 1.7 Financial instruments

The Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Trust's balance sheet when the Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **Basic financial assets**

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

## TRUSTEES' REPORT

**FOR THE YEAR ENDED 5 APRIL 2021**

---

The Trustees present their report and financial statements for the year ended 5 April 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

### **Objectives and activities**

The Trustees hold the capital and income of the Trust upon trust to pay or apply the whole thereof to or towards or for the benefit or furtherance of such charitable purposes, charitable institutions or charitable foundations (or the Trustees thereof) as they, from time to time, decide.

The Trust makes grants to registered charities, organisations with charitable objects which are exempt from the requirement for charitable registration and other charitable causes.

There have been no changes in the policies adopted by the Trust during the year.

### **Achievements and performance**

Total expenditure in the year amounted to £109,191, an increase of £37,807 on the previous year.

During the year, the Trust made various charitable donations amounting to £109,167 (2020: £71,359). It is the usual policy of the Trustees to make awards from the accumulated unrestricted fund only.

### **Financial review**

The net movement in funds in the year is shown on page 4.

Donations received in the year amounted to £200,000 (2020: £54,880).

The balance sheet on page 5 of the financial statements shows the financial position of the Trust as at 5 April 2021.

Total assets less liabilities amounted to £217,052, which is represented by the accumulated balances on capital and income funds. The net assets of the Trust are held in order to meet the Trust's operating expenses, if any, and also to be applied towards the Trust's charitable objectives.

The Trust has made no future commitments with regard to the funds held.

The Trustees wish to continue their support of selected causes and consequently reserves are maintained at a level commensurate with this requirement. The Trustees consider the current level of reserves held are adequate to achieve this.

The Trustees regularly review charitable grants made and are conscious of their need to distribute income and not maintain reserves in excess of the level set in the above policy.

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

### **Structure, governance and management**

The Trust was established under a Deed of Settlement dated 12 January 1982 and is a registered charity No. 284299.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE WOGEN ANNIVERSARY TRUST

---

I report to the Trustees on my examination of the financial statements of The Wogen Anniversary Trust (the Trust) for the year ended 5 April 2021.

#### **Responsibilities and basis of report**

As the Trustees of the Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Trust's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

**FOR THE YEAR ENDED 5 APRIL 2021**

---

### **1 Accounting policies**

#### **Charity information**

The Wogen Anniversary Trust is a Charitable Trust established under a Deed of Settlement.

#### **1.1 Accounting convention**

The financial statements have been prepared in accordance with the Trust Deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Trust is a Public Benefit Entity as defined by FRS 102.

The Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### **1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. However, the Trustees accept that the current economic climate brought on by the worldwide pandemic will present challenges to the charity sector.

Notwithstanding this, the charity has sufficient financial and cash resources to help withstand the challenging period ahead. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3 Charitable funds**

The unrestricted income fund consists of funds to be used for the purpose of the Trust's charitable objectives at the discretion of its Trustees.

The capital endowment fund is attributable to the original amount settled on the charity and subsequent additions thereto. Under the terms of the Deed of Settlement, the endowment is expendable at the discretion of the Trustees on expenditure which meets the charitable objectives of the Trust.

#### **1.4 Income**

Income is recognised when the Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

#### **1.5 Expenditure**

Expenditure is included on an accruals basis. Grants payable are charged in the year when the offer is conveyed to the recipient, such grants being recognised as expenditure.

#### **1.6 Cash and cash equivalents**

Cash and cash equivalents include cash in hand and deposits held at call with banks.

### 1 Accounting policies (Continued)

#### 1.7 Financial instruments

The Trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Trust's balance sheet when the Trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

#### **Basic financial assets**

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.
