**REPORT FOR YEAR ENDING DEC. 2022**

We managed to receive some donations from other small charities, & from regular supporters & used funds to make some grants to worthy institutions & mainly also donations to assist needy families, especially for them to celebrate the Jewish religious festivals, and to help children with various problems. We also made grants to help some Yeshiva students travelling abroad to study.

**REPORT TO THE TRUSTEES OF KEREN ZEDAKAH (Foundation) charity no. 284826**

I have examined the accounts of the above registered charity for the year 2022 and have followed the procedures laid down in the general directions given by the Charity Commission, under the Charities Act of GB. I have examined the accounting records and have discussed these with the trustees. No matter has come to my attention which gives me reasonable cause to believe that the appropriate requirements regarding the accounting records have not been met, nor have I become aware of any matter which requires special attention.

**REPORT FOR YEAR ENDING DEC. '21**

Despite the difficult situation in the U.K. & elsewhere, we managed to receive some donations from other charities, and also were passed sums allocated in trusts of deceased benefactors. We used funds to make some small grants to worthy institutions & small donations to assist needy families. We also made grants to help some Yeshiva students travelling abroad to study, and paid for medical assistance for poverty-stricken Yeshiva students, and for disabled members of the Community.
