Description of the charity's trusts

Type of governing document

The Group's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

(e.g. trust deed, constitution)

How the charity is constituted

The Group is a trust established under its rules which are common to all Scouts.

(e.g. trust, association, company)

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

(e.g. appointed by, elected by)

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Trustee Board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Trustee Board consists of the Chair, Treasurer and up to 8 other Trustees and meets every 2 months.

Policies and procedures adopted for:

- a) the induction and training of trustees;
- b) trustee' consideration of major risks and the systems and procedures to manage them

Members of the Trustee Board complete Being a Scouts Trustee learning within the first 6 months of joining the Board.

This Group Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. In addition they provide strategic direction and support for securing grants and funds for larger projects. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.

Section B	Structure, governance and management (continued)
	<p><b>Risk and Internal Control</b></p> <p>The Group Trustee Board has identified the major risks to which they believe the Group is exposed, These are regularly reviewed and systems have been established to mitigate against them.</p> <p>The main areas of concern that have been identified are:</p> <p>Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.</p> <p>Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Trustees could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.</p> <p>Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>Reduction or loss of members. The Group provides activities for all young people aged 4 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.</p>

Summary of the objects of the charity set out in its governing document

### **The Purpose of Scouting**

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

### **The Values of Scouting**

As Scouts we are guided by these values:

**Integrity** - We act with integrity; we are honest, trustworthy and loyal.

**Respect** - We have self-respect and respect for others.

**Care** - We support others and take care of the world in which we live.

**Belief** - We explore our faiths, beliefs and attitudes.

**Co-operation** - We make a positive difference; we co-operate with others and make friends.

### **The Scout Method**

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

Summary of the main activities in relation to these objects

Our Squirrels, Beaver, Cubs, Scouts and Explorer Units enjoyed a wide variety of activities during this year; Including week long camps for Cubs and Scout and other Section led camps and sleepovers. The summer term saw young people take part in water sports, survival camping, first aid, cooking on camp fires, supporting the local forestry commission clear woodland pathways, as well as many other activities in support of gaining scout badges. During this year the group helped to celebrate the King's Coronation and attended the Remembrance Parade in November.

Additional details of the objectives and activities (optional information but encouraged as best practice)

You **may choose** to include further statements, where relevant, about:

We are very fortunate to have had over 65 adult volunteers supporting the work of the Group over the year. All volunteers are DBS checked and receive training from the Scout Association. In addition we actively involve parents/carers in the running of meetings and maintenance of the building and grounds.

Public benefit statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Section D	Achievements and performance
Summary of the main achievements of the charity during the year	<p>Our membership numbers have remained around 270-280 young people across the year, supported by 65 regular adult volunteer leaders. Over 150 young people and 30 leaders attended the Burghfield Village Remembrance parade in November 2023. We ran a fundraising/awareness stall at the Mortimer Coronation Event and plan for more community events during 2024. 2 of our Explorers and 3 of our leaders attended the World Scout Jamboree in South Korea in Summer 2023. During the year we established our first Squirrel Drey (children aged 4-5). We gave our young people numerous opportunities to camp over the year (over 600 nights away during 23/25) - including Beaver sleepovers for all sections, cubs attending the week long CubJam at Phassels Wood in May 2023, and the activity spectacular at Phassels wood in September. Scouts and Explorers had a week long camp on the Isle of Wight and attended Freezer camp at Paccar in February.</p>

Section E	Financial Review
Brief statement of the charity's policy on reserves	<p><b>Reserves Policy</b></p> <p>The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Trustee Board considers that the group should hold a sum equivalent to 6 months running costs.</p> <p>The Group held reserves of approximately £129k at year end (2023 £129k).</p>

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (including any fundraising);

The main source of income for the group is the termly subscription from members, together with associated gift aid recovered. The Scout Hut which is owned by the group is used to generate additional income from usage during the daytime and also at weekends. We seek grants to support larger building improvement works or significant equipment purchases.

- how expenditure has supported the key objectives of the charity;

- investment policy and objectives;

**Investment Policy**

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

## 2.3 EXPENDITURE AND LIABILITIES

<b>Liability recognition</b>	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
<b>Governance and support costs</b>	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.  Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
<b>Grants with performance conditions</b>	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
<b>Grants payable without performance conditions</b>	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
<b>Redundancy cost</b>	The charity made no redundancy payments during the reporting period.
<b>Deferred income</b>	No material item of deferred income has been included in the accounts.
<b>Creditors</b>	The charity has creditors which are measured at settlement amounts less any trade discounts
<b>Provisions for liabilities</b>	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
<b>Basic financial instruments</b>	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.
