DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The directors who are also trustees of the charitable company present their report and financial statements for the year ended 31st December 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005, in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Structure, Governance and Management

The charitable company is controlled by the governing document, the memorandum and articles of the charitable company, and constitutes a charitable company limited by guarantee, as defined by the Companies Act 2006.

There were eight directors who served during the year and seven in office at 31 December 2022 and these are listed on the information page of these financial statements.

The guarantee of the directors is limited to £100 each whilst they are a member and for twelve months after ceasing to be a member.

According to the Articles of Association there must be a minimum of three directors with a maximum of twelve. Additional directors may be appointed by the existing directors through a process of the board meeting with a prospective director to assess their suitability for the role taking into consideration their experience and skills, as well as providing information about the work of the charitable company.

Upon appointment the new director is provided with information including previous statutory and quarterly accounts, minutes of recent board meetings, details of upcoming charitable company's events, and is also provided with guidance documents produced by the Charity Commission.

Risk Management

There are two major risks identified: reliance on key individuals and of gift income being insufficient to meet expenditure. These two risks are mitigated by carrying out documentation of all processed/operational details, by the board receiving quarterly financial management reports, as well as the team continuing to address the increase of gift income by additional fundraising and increasing the support base.

Objectives and Activities

The principal activity of the charitable company is to advance the Evangelical Christian Faith in the United Kingdom and throughout the whole world by such means as the company determines.

Vision

The Luis Palau Association's vision is to Unite the Church, Proclaim the Gospel and Transform cities worldwide.

Public benefit:

The directors confirm that they have referred to the Charity Commission's specific guidance to charities on the public benefit for the advancement of religion and will continue to do so when reviewing objectives and activities as well as planning charitable activities.

The directors are confident that enabling Christians and Christian Communities to share the love of God seen in the life of Jesus Christ, and in promoting the whole mission of the Christian faith will be for the benefit of many. The results of this activity are a spiritual blessing of an inner peace and greater sense of purpose in the lives of individuals, and a harmony and reconciliation process in families and communities.

Achievements and Performance

Globally we have seen more than 2 million people indicate a decision for Jesus Christ in 2022! The past year we have been working on:

- 5 evangelistic festivals (Connecticut (USA), England, Pakistan, Egypt, and Argentina)
- 1,850+ churches united in outreach initiatives.
- 350,000+ people reached in person with the Good News of the Gospel
- Millions of people reached through digital media.
- 2,442,495+ recorded decisions for Jesus Christ

UK Festivals: Partnering with more than 300 local churches, The Message Trust and thousands of local believers, our efforts together proclaimed the Gospel on a massive scale, introducing thousands of people to Jesus Christ in Manchester and throughout the entire region. In addition to the major evangelistic festival at Wythenshawe Park on July 1-3, the campaign included dozens of initiatives reaching key groups throughout the region.

Outreaches included events such as a skate night for youth, banquets for the homeless, a women's dinner, a business and civic leaders' dinner, a Latin outreach, prison ministry, and the festival itself. And in the months leading up to the festival, we saw the Lord move powerfully through school tours, Friendship Evangelism Training, "Love Where U Live" outreaches, and so much more.

The 3-day evangelistic festival included a line-up of fantastic artists. Andrew Palau shared a clear Gospel message and challenged those in the crowd and those who tuned in online to give their lives to Jesus Christ. The free festival also hosted a funfair, a Kids Zone, a skatepark, and multiple presentations of the Gospel. Through this campaign, over 65,000 people were reached in person with the Good News and more than 4,800 people responded to the Gospel!

Through 2023 and 2024 we will be working on a similar region wide campaign called Festival Teesside, we have been invited by the churches of the region to serve them to unite the church, train in evangelism and proclaim the Gospel across the region.

UK City Gospel Movements: Evangelism doesn't happen by default, after decades of hosting festivals in cities around the world we have learned that without local leaders sustained focus on evangelism, evangelism momentum will atrophy no matter how energetic a festival may have been. Therefore, we are passionate about our ongoing work through City Gospel Movements.

In 2022 we created an Exploring Evangelism resource pack to help support leaders see evangelism flourish across their regions. The pack contains a wealth of resources from an online assessment, case study of city transformation (Portland Report), Talking Jesus research, Global Network of Evangelist brochure and much more. The resource pack is just the first touch point. The aim is to journey with leaders and unity groups in supporting and elevating the conversation of evangelism in their region. There have been many resource packs sent to individuals, leaders, and organisations and through 2022 and 2023 in the UK. We will continue to share this resource and launch Evangelism Teams across the UK and Europe which will begin to shift the culture and enthusiasm for faith sharing in those unity groups.

We are working with 150 unity groups in the UK as a key partner of the Gather Network and will continue to be the 'go to' organisation for evangelism for that network of church unity groups. We are also part of the Talking Jesus partnership producing the latest Talking Jesus Research. We are currently producing the toolkit to go alongside the research for further engagement and resourcing for churches and individuals. We created the Talking Jesus Personal Workbook for individuals and church groups to work through the research and journal their reflections.

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2022

The Global Network of Evangelists continues to grow and develop, with over 2,000 members globally in 2022. We are now supporting 63 members in the UK and Europe and regularly meet them to encourage, equip and coordinate collaborative mission together. In 2023 we are leading a unified outreach across London with hundreds of evangelists collaborating and focusing on evangelism across the capital as part of the week running up to the Kings Coronation weekend. It will be called Carry the Love London and to kick off that week of mission we will be hosting a 2-night festival style event at a key London venue with Andrew Palau sharing the Gospel and many known artists will be performing.

In 2022 and again in 2023 we have been invited to many national leaders gatherings from across the UK and Europe where we will plan strategies for how to best reach the rest of Europe with the Gospel over the next 10 years, so that by 2033 every people group would have heard the Gospel. We will be spending some time this year supporting churches and leaders in Eastern Europe in the regions around Ukraine and the Baltic nations. We will introduce them to our network of evangelists and support them through resources and strategies for unified outreach work. Through 2023 we will also lead teaching sessions at several conferences and gatherings across Europe.

In 2022 we ran two specific English speaking digital campaigns:

Light Your World – A global campaign. We led on finding, interviewing, and recording inspiring testimonies that were used as part of the backbone to the campaign. Adverts reached 43,182,566 people. The Gospel was presented to 1,894,274 people, and 245,609 people indicated a decision for Christ.

My Darkest Moment – A campaign incorporating a reading series on You Version bible app. Again, we led on the capturing of testimonies and created our own landing pages. Launched mid-December and within 3 weeks the campaign had: Adverts reaching 1,300,314 people, The Gospel was presented to 61,507 people and 6,632 people indicated a decision for Christ with 1,203 of those signed up for the Made New series. This campaign is still on-going and seeing fantastic results.

There is a growing sense of momentum building in our charity and our charitable cause, and we are expectant to continue seeing growth in 2023 and beyond.

Financial Review

The accounts for this year, and the charitable company's financial position as at 31 December 2022 are shown in the attached financial statements.

It is the policy of the charitable company to maintain unrestricted funds (the free reserves). This is currently set by the directors at £45,000 which is duly considered to be the amount required to cover the estimated costs of closing the charity if the need arose, as well as meeting the working capital requirements of the charity. This policy is reviewed annually by the board.

Unrestricted funds (donations not restricted for a specific purpose by the donor, not included in fixed assets and not designated by the board) as of 31 December 2022 were £70,782, (2021: £75,683), circa £26k over the reserves policy at the year end to be utilised in supporting the ongoing ministry in future years.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors (who are also trustees of Luis Palau Evangelistic Team (The) for the purposes of charity law) are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Charities Act 2011 requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the The Charities Act 2011, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

LUIS PALAU EVANGELISTIC TEAM (THE)

INDEPENDENT AUDITORS' REPORT

TO THE DIRECTORS OF LUIS PALAU EVANGELISTIC TEAM (THE)

Opinion

We have audited the financial statements of LUIS PALAU EVANGELISTIC TEAM (The) (the 'charitable company') for the year ended 31 December 2022 which comprise the Statement of Financial Activities (incorporating the Income and Expenditure account), the Balance Sheet, notes to the financial statements including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2022 and of its incoming resources and application of resources including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulation 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether any other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether it gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact.

We have nothing to report in this regard.

LUIS PALAU EVANGELISTIC TEAM (THE)

INDEPENDENT AUDITORS' REPORT (CONTINUED)

TO THE DIRECTORS OF LUIS PALAU EVANGELISTIC TEAM (THE)

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006, the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- the accounts are not in agreement with the accounting records; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors statement of responsibilities, the directors, who also act as trustees for the charitable activities of LUIS PALAU EVANGELISTIC TEAM (The), are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the charitable company's ability to continue as a going concern basis of accounting unless the directors' either intend to liquidate the charitable company or cease operations, or have no realistic measure alternative but to do so.

Auditors responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies House Act 2006 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud are instances of non-compliance with laws and regulations. We design procedures inline with our responsibilities outlined above, to detect material misstatements in respect of irregularities including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

We design our procedures so as to obtain sufficient appropriate audit evidence that the financial statements are not materially misstated due to non-compliance with laws and regulations or due to fraud or error.

We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with laws and regulations - this responsibility lies with management with the oversight of the directors.

LUIS PALAU EVANGELISTIC TEAM (THE)

INDEPENDENT AUDITORS' REPORT (CONTINUED)

TO THE DIRECTORS OF LUIS PALAU EVANGELISTIC TEAM (THE)

Based on our understanding of the charitable company and industry and discussions with management we identified financial reporting standards and Companies Act 2006 as having a direct effect on the amounts and disclosures in the financial statements.

As part of the engagement team discussion about how and where the company's financial statements may be materially misstated due to fraud, we did not identify any areas with an increased risk of fraud.

Our audit procedures included:

- enquiry of management about the charitable company's policies, procedures and related controls regarding compliance with laws and regulations and if there are any known instances of non-compliance
- examining supporting documents for all material balances, transactions and disclosures
- review of board of directors minutes
- enquiry of management and review and inspection of relevant correspondence with any legal firms
- evaluation of the selection and application of accounting policies related to subjective measurements and complex transactions
- analytical procedures to identify any unusual or unexpected relationships
- testing the appropriateness of journal entries recorded in the nominal ledger and other adjustments made in the preparation of the financial statements
- review of accounting estimates for biases

Owing to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements of the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The potential effects of inherent limitations are particularly significant in the case of misstatement resulting from fraud because fraud may involve sophisticated and carefully organized schemes designed to conceal it, including deliberate failure to record transactions, collusion or intentional misrepresentations being made to us.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors report and no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

The directors have made this assessment with respect to a period of one year from the date of approval and signature of these financial statements.
