## Trustees Report 23-24

The Queens Hall has had a good year, with hire to regular clubs and others in the community.

Our clubs that use the hall have been with us for a number of years – some more than 10 years now and we hope to continue to support them and their members

We are hired for children party's over the summer and we have community events such as Halloween, and hopefully Christmas this year.

The memorial playing field is used by the community for both football clubs and cricket and during the summer we hope to attract the community for picnics on the field and play.

We hope to continue to grow and support the community.
