Trustees Report 24-25

The Queens Hall has had a good year, with hire to regular clubs and others in the community.

Our clubs that use the hall have been with us for a number of years – this year has been a challenge in some ways with clubs losing members along with safety concerns with clubs / users – this has resulted in some changes which we hope will enable us to ensure the safety of all who visit our hall

We had a slow year on party bookings, but hope that this along with some other new things will increase

The memorial playing field is used by the community for both football clubs and cricket and during the summer we hope to attract the community for picnics on the field and play.

We hope to continue to grow and support the community.
