WEMBLEY CENTRAL MASJID

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their annual report and financial statements for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

Trustees of a UK charity have a duty to report in their Annual Report on their charity's public benefit. The Management Committee of WCM has considered the requirements which are explained on the Charity Commission website.

This short report sets out WCM's aims and objects and reports on the activity and successes in the year, as well as highlighting any relevant plans for the current financial year. WCM's work benefits many organisations and individuals across London and the UK.

The Management Committee have considered these matters and concluded:

That the aims and objects of WCM continue to be charitable;

That the aims and the work done give identifiable benefits to the charitable sector and both indirectly and directly to individuals;

That the benefits are for the public, are not unreasonably restricted in any way; and

That our Madrasah will continue providing excellent educational services which now also includes Quranic classes for adults; Weekend Quranic classes for kids (aged 5 to 11); and Hifz classes for kids and adults; and increase other educational programs;

That WCM will start providing free funeral care services by mid-2022.

That there is no detriment or harm arising from the aims and objects.

Achievements and performance

Management Committee Working Method

- The current Management Committee was elected in March 2018 and successfully performing management duties. The Trustees plan every activity keeping in mind the larger audience and community, at the same time following a process of well implemented policies and procedures.
- The trustees will always consider further reserve policies and consider the Commission's guidance in this area.
- The trustees have and will continue with carrying out checks of any invited guest speakers and Friday sermons. The trustees will also continue to record and maintain written records of checks carried out of all speakers and Friday sermons.
- The trustees have implemented the safeguarding policies and enforced them when necessary to protect all our worshippers and children against any threat or abuse.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

The Management Committee had to operate within the lockdown and social distancing guidelines for most of the year. However, the Management Committee still managed to engage in many activities; making meaningful contribution for the local community; to highlight some of the efforts of our members and volunteers, are as follows:

- Humanitarian Aid projects with personal monitoring.
- Implementation of set procedure and protocols for Charity Funds Disbursement.
- Policy and Procedure for Outside Charity Chanda Collection at WCM.
- For Ramadan 2020, "Iftaar" arrangement in form of takeaways
- Distributed food packages during the lockdown to help elders and vulnerable people in local community
- Preparing Policy and Procedure set WCM Madrasah and keep working towards improving them professionally
- Conducted Online Madrassah Classes to minimize the disruption in religious education
- Event Management Policy implementation
- School Visits and other Religious organizations visits
- Continued improving WCM website, with focus on making it a portal for all beneficiaries, aiming at Young adults to connect to the Masjid proactively. Providing web as the medium to express, share and ask.
- Continuing regular Quran Tafseer Program and introducing "Seerah of Prophet Muhammad" program.
- Contract for existing employees and setting WCM contract with professional HR Company to handle new and old employment matters.
- Improving Madrasah activities and Madrasah Office

Education

Wembley Central Masjid has been providing a variety of services to the local community, especially the young children for whom we deliver the Madrasah classes. Now WCM also provide weekend Quranic classes for both adults and children. Our Madrasah now has a capacity of approx. 450 children, of which we are at the moment offering Islamic educational services to approx. 300 children. We are offering classes for Girls & Boys from Ages 6 to 11. Our educational curriculum is set to provide Islamic education for Muslim children irrespective of their race, ethnicity, colour or geographical background. Every year in December or January, we hold a Jalsa (convocation day) to celebrate the children's success and to promote them to the next level. Our new term for Madrasah begins every year in January.

We also host daily circles of 'Taleem' – i.e. reading of hadiths in Arabic, English and Urdu; mainly teachings from the story of Prophets and their rightly guided companions.

School Visits

The WCM hosts many events, visitors and dignitaries every year. As most of the last year was largely restricted by social distancing and lockdown, unfortunately we couldn't host many such visits from schools, dignitaries and other visitors. However, we are looking forward to next year where we will continue to open our doors for school visits and social events for our local community. Schools plan visits as part of their religious education curriculum and academics visit for historical and research purposes. As part of our continuous efforts, we host many schools every year; receiving strong and positive feedbacks.

WCM COVID19 Updates

We all recognise year 2020 has been one of the most challenging years for the whole ummah due to the pandemic which has affected our daily lives. We at WCM, have taken this very seriously from the health and safety aspect of our worshippers and local community. During the lockdown, we regularly kept our worshippers updated with notices and information through our social media pages and website. We also displayed posters and information pages on our gates all around the premises. To follow the governments strict guidelines when reopening the masjid, we introduced the WCM NHS Track and Trace registration process which allowed all our worshippers to register and come visit the premises all daily prayers including Jummah and Eid.

During the first wave of COVID-19 lockdown beginning in March 2020, the Management Committee in consultancy with Faith Associates carried out a detailed risk assessment for our premises and based on the report we planned the opening of our masjid and Madrasah. At the start of the year 2020 we had between 200 – 220 students registered for weekday and weekend Madrasah. We had to close due to COVID-19 in the first term of the year, but this didn't deter us from taking proactive measure to protect our children's valuable term time. The Education Sub Committee took alternative method and created online Madrasah classes for students, we are very thankful to our teachers who voluntarily agreed to teach them. We regularly kept the parents informed via email and phone calls during these unprecedented times. The Management Committee have always tried their level best in making sure that children's Islamic education is not interrupted or disturbed during these times.

The UK Government once again announced a second national lockdown in December 2020. We have followed and complied with all the restriction rules and made sure our Masjid and Worshippers are always kept safe and secure. We pray that the places of worship do open again, and we are given the opportunity to serve our local community and worshippers. We also would like to express our sincere gratitude to all our members who have followed all the guidelines and registered with the WCM NHS Track and Trace, which has helped us keep all our worshippers safe and well informed.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Financial review

The trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks. Some of the areas of focus for next year are as below:

- a. Conclude the process of setting up WCM as CIO (Charitable incorporated organisation) and get its assets and property transferred to charitable trust and permanently avoid threats to Stop WCM charity to carry out its operations peacefully.
- b. Complete the work for Funeral Project and initiate the services by Mid 2022
- c. Short term Islamic courses for Adults, Youngsters and Teenagers during vacation times. Ladies section safety and security protocols implementation.
- d. Ladies section Monitoring and safeguarding.
- e. Friday Sermon Management with advance planning
- f. Organising Charity Events and Dinners to raise Funds and utilise them for upcoming projects.
- g. Planning for Ramadhan 2021
- h. Organising various sporting events such as Cricket and Football tournament for WCM youth.
- i. Starting projects at WCM to deal with Social Isolation problem prevailing in older age group.

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. There is a significant drop in the reserves and collections due to the following reasons:

- 1) False propaganda and negative portrayal of the masjid and its committee members led by a disputed group who identify themselves as the 'Do Not Donate' group
 - 2) The 'Do Not Donate' groups attempt to trespass the premises, attempted burglary, criminal damage leading to various losses to the Masjid's property and finances
 - 3) Do Not Donate' groups constant intrusion on sabotaging the collection of funds during Friday prayers. Bullying, harassment, intimidation and annoyance to the regular worshippers, which would make them back off from donations
 - 4) Do Not Donate member's running false stories through social media accounts and YouTube channel to promote hatred and division within the community
 - 5) Unethical and unislamic behaviour within the Wembley Central Masjid premises by Do not Donate group
 - 6) Masjid closure due to violent and aggressive incidents taking place inside the premises by the Do Not Donate group
 - 7) Since March 2020 lockdown due to COVID-19
- The trustees are optimistic that conditions will return to normality and funds will become available soon to get back to the required level.

The trustees has assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks. Some of the areas of focus for next year, as below

1. Conclude the process of setting up WCM as CIO (Charitable incorporated organisation) and get its assets and property transferred to charitable trust and permanently avoid threats to Stop WCM charity to carry out its operations peacefully
2. Short term Islamic courses for Adults, Youngsters and Teenagers during vacation times
3. Ladies section new AC installation, repair and maintenance
4. Friday Sermon Management with entire advance planning
5. Collection and gathering of funds once the masjid reopens, raising funds by using online platforms such as fundraising pages and websites

Structure, governance and management

The charity had an election on 18 March 2018 where all the members resigned. The trustees who served during the year and up to the date of signature of the financial statements were:

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF WEMBLEY CENTRAL MASJID

I report on the financial statements of the Charity for the year ended 31 March 2021, which are set out on pages 9 to 17.

Respective responsibilities of trustees and examiner

The Charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In connection with my examination, no other matter except that referred to in the previous paragraph has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Charity information

WEMBLEY CENTRAL MASJID is an unincorporated association.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

1.4 Incoming resources

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

WEMBLEY CENTRAL MASJID

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

(Continued)

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Land and buildings	Building is depreciated at 2% per annum. Freehold land is not depreciated
Fixtures, fittings & equipment	10% Straight Line
Computers	25% Straight Line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.6 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

WEMBLEY CENTRAL MASJID

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
