Section B	Structure, governance and management
Description of the charity's trusts	
Type of governing document (e.g. trust deed, constitution)	The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.
How the charity is constituted (e.g. trust, association, company)	The Group is a trust established under its rules which are common to all Scouts.
Trustee selection methods (e.g. appointed by, elected by)	The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.
Additional governance issues (optional information but encouraged as best practice)	
You may choose to include additional information, where relevant, about:	The Group is managed by the Trustee Board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.
Policies and procedures adopted for:	The Trustee Board consists of 2 independent representatives, Chair and Treasurer, together with the Acting Group Scout Leader, Deputy Group Scout Leader, individual Section Leaders opted to take on the responsibility, and parent representation. The Trustee Board aims to meet every 4 months.
a) the induction and training of trustees; b) trustee' consideration of major risks and the systems and procedures to manage them	Members of the Trustee Board aim to complete ' <i>Essential Information</i> ' training within the first 5 months of joining the committee.
	This Group Trustee Board exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for: The maintenance of Group property; The raising of funds and the administration of Group finance; The insurance of persons, property and equipment; Group public occasions; Assisting in the recruitment of leaders and other adult support; Appointing any sub committees that may be required; Appointing Group Administrators and Advisors other than those who are elected.

Section B	Structure, governance and management (contd.)
	<p>The Group Trustee Board has identified the major risks to which they believe the Group is exposed. The main areas of concern that have been identified are:</p> <p>Damage to the building, property and equipment. The Group owns three gargares for equipment storage and has sufficient buildings and contents insurance in place to mitigate against permanent loss.</p> <p>Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.</p> <p>Reduced income from fundraising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Trustee Board could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.</p> <p>Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>Reduction or loss of members. The Group provides activities for all young people aged 4 to 18. If there was a reduction in membership in a particular section or the group as whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.</p> <p>The group has in place internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments.</p>

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	<p>The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p>The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes. Co-operation - We make a positive difference; we co-operate with others and make friends.</p> <p>The Scout Method Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.</p>
Summary of the main activities in relation to these objects	These are detailed in the Chair, GSL and Sections Annual Reports contained in the Annual Report which includes this Trustees Annual Report.
Public benefit statement	The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.
Section D	Achievements and performance
Summary of the main achievements of the charity during the year	<p>All sections of the Group (Squirrels, Beavers, Cubs and Scouts) have remained very active through 2024. Total membership was at 141 in the 2024 autumn term. Each section has held weekly meetings during term time, following a structured program to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. All sections took part in at least one overnight camp. Each section has organised numerous trips and nights away throughout the year and has also come together for group social events that include parents and the wider scouting family.</p> <p>All sections took part in the November social campfire. Activities and events have been planned to be both enjoyable and add value to the members.</p>

Section E	Financial Review
Brief statement of the charity's policy on reserves	<p>The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the Group should hold a minimum sum equivalent to 9 months running costs, circa £12,500, on top of the amount held by the individual sections.</p> <p>The Group held reserves in excess of the minimum level required for operating expenses. This excess is held to support participants at major Scouting events such as the World Scout Jamborees and enables the Group to keep subscriptions at a minimal level which we consider to be essential during the current cost of living inflation. Having such reserves enables the Group to be in a strong position to move forward.</p>
Details of any funds materially in deficit (circumstances plus steps to eliminate)	N/A

Further financial review details (optional information)

- investment policy and objectives;

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

Section F	Other Optional Information

Independent examiner's report to the trustees of 14th Canterbury Scout Group

I report to the trustees on my examination of the accounts of the 14th Canterbury Scout Group for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity trustees of the 14th Canterbury Scout Group you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the 14th Canterbury Scout Group accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the 14th Canterbury Scout Group as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
