## **Trustees' Report**

**For the Year Ended 31 December 2023**

---

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 December 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's memorandum and articles of association, the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP FRS 102-effective 1 January 2019).

### Constitution

The Association of Aviation Medical Examiners is a registered charity, charity number 285927. The charity's principal address is:

Hender House  
Nympsfield Road  
Forest Green, Nailsworth  
Stroud  
Gloucestershire  
GL6 0EA

The Association of Aviation Medical Examiners was established on 5 November 1982 and registered as a charity on 22 December 1982.

### Objectives and activities

The objectives are the dissemination of information and education in the advancement of medical aviation procedures for all those who use air transport.

### Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

### Organisational structure

The charity is an independent charity staffed by volunteers. The charity is administered through its Executive Committee. This committee is elected from the fully paid-up members of the Association who serve for a term of two years. After the term the committee members are eligible for re-election. The committee meets three times a year. The trustees are nominated from the Executive Committee and are usually the Chairman, Treasurer and Secretary.

The trustees have complied with their duty under section 17 of the Charities Act 2011 to have regard to guidance on the public benefit requirements issued by The Charity Commission.

### Financial review

The main source of income for the charity is membership subscriptions. The main activity of the year is the Annual Scientific Meeting which is held to improve the knowledge of members in medical procedures. In 2023, membership subscriptions remained consistent with a slight increase in administrative costs of operating the charity, resulting in a deficit of £6,336 (2022: £5,536). This has decreased total funds to £79,048 (2022 - £85,384), which remains an appropriate level of reserves, the overall financial position of the Association is sound.

### Reserves policy

The charity has free reserves as at the end of the year of £79,048 (2022: £85,384). These are held to advance the charitable objectives and continue to operate the Annual Scientific Meeting should income fall.

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For the Year Ended 31 December 2023

---

**Independent examiner's report to the trustees of The Association of Aviation Medical Examiners**

I report to the charity trustees on my examination of the accounts of The Association of Aviation Medical Examiners ("the charity") for the year ended 31 December 2023.

**Responsibilities and basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect: ·

1. the accounting records were not kept in accordance with section 130 of the 2011 Act; or
2. the accounts did not accord with the accounting records; or
3. the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
