The Inner Temple Scholarship Fund

Report of the Trustees for the year ended 31st December 2020

Objectives and activities

The Inner Temple Scholarship Fund is a registered charity established by gifts or legacies to advance legal education among students and junior barristers of the Honourable Society of the Inner Temple by such means as are charitable and particularly by means of the award of scholarships and grants.

The funds are all invested with Veritas Investment Management. Investment policy is supervised on behalf of the Trustees by the Investment Committee of the Honourable Society of the Inner Temple. Decisions about the award of scholarships are made by the Scholarships Committee of the Honourable Society of the Inner Temple.

The Trustees have given due regard to the Charity Commission guidance on Public Benefit.

Achievements and performance

There were no significant changes to the eligibility criteria or the application process for scholarships, prizes and awards in the year. £59,839 (2019 - £113,168) was contributed by the Fund to The Honourable Society of the Inner Temple towards the cost of scholarships awarded by the Inn during the year. There was no requirement to transfer any funds to the Inner Temple Benefactors' Scholarship Fund to meet the balance of the cost of the Peter Taylor Scholarship. (2019 - NIL).

The Fund will continue to distribute its surpluses to the Inn. Its investment policy is designed to maximise real returns on a rolling five-year view with emphasis on capital growth with income.

Financial review

All revenues are used for charitable activities. The Fund's investments achieved an overall return of 13.9% (2019: 14.4) in the year. Investment values increased during the year with £736,268 of realised and unrealised gains. Investment income of £63,892 was at a similar level to the previous year (2019 - £68,970).

Principal risks and uncertainties

The Trustees have identified the major risks to which the fund is exposed and have satisfied themselves that adequate systems are in place to mitigate those risks.

The major risks are set out as follows:

- Currency risk: this is the risk that the fair value of future cash flows of a financial asset will fluctuate because of changes in foreign exchange rate;
- Interest rate risk: this is the risk that the fair value of future cash flows of a financial asset will fluctuate because of changes in the market interest rate;
- Other price risk: this is the risk that the fair value of future cash flows of a financial asset will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risks), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Trustees aim to apply income as fully as possible in the year in which it arises. The level of funds at the year-end was £6,160,903 (2019 - £5,468,617) and was fully represented by the permanent endowment fund. There was no balance in restricted income reserves as at 31st December 2020 (2019 - £NIL).

The Inner Temple Scholarship Fund

Report of the Trustees for the year ended 31st December 2020 (continued) Reserves policy

Transfer between funds

Transfer between funds represents the movement between restricted income and endowment funds, relating to the investment income and fees paid to the investment managers.

There are no free unrestricted reserves at the year-end for the charity due to the nature of how the charity operates. All income is generated and recognised within restricted funds from endowed investments during the year and subsequently this is spent on underlying activities of the charity. The Charity's spend is adjusted to the income level generated in the year.

Structure governance and management

The Charity's Trustees are the four Governing Benchers elected by the Treasurer and Masters of the Bench of the Honourable Society of the Inner Temple to act as Trustees of the Honourable Society. Legal title to the Charity's investments is vested in the four Trustees. They act in accordance with decisions made by the appropriate committees of the Bench, provided they are satisfied that those decisions have been properly reached and are within the power of the committee. The committees which make decisions affecting the Charity are the Investment Committee and the Scholarships Committee.

New Trustees are advised of their role, duties and responsibilities on appointment, by reference to the Bench Table Orders of the Honourable Society of the Inner Temple.

Day-to-day management of the Charity is undertaken by the staff of the Honourable Society of the Inner Temple, acting in accordance with policies and procedures laid down by the Society.

The Charity's Trustees recognise the legal obligation to oversee and report on the Inner Temple Scholarship Fund's fundraising activities.

The Inner Temple Scholarship Fund does not use Direct Marketing for its fundraising activities and is not therefore registered with the Fundraising Regulator. It does not have any direct contact with vulnerable people hence no Vulnerable People Protection Policy is currently in place.

Any donations or bequests are welcome and given voluntarily, usually by members of the Inner Temple. Any Gift Aid forms are securely stored in order to protect donors' personal data. The personal data is used only for Gift Aid tax claims and is not used for mailing, distribution or other fundraising purposes. No Personal Data is sold to third parties.

Currently no third parties are used for fundraising purposes but if they are used in future the third parties would be expected to maintain a high standard of fundraising practice.

There were no fundraising complaints from donors or the general public in 2020 or any prior years. Any complaint would be taken seriously and investigated thoroughly.

Investment Committee

This Committee comprises Benchers and other members of the Honourable Society of the Inner Temple. Among the Bencher members are Honorary Benchers chosen for their particular expertise in investment matters. The Committee meets quarterly to review investment performance and to consider changes to policy. It is advised by an independent investment manager.

The Inner Temple Scholarship Fund

Report of the Trustees for the year ended 31st December 2020 (continued)

Scholarships Committee

This Committee comprises Benchers and other members of the Honourable Society of the Inner Temple. It meets throughout the year to set policy for the awarding of scholarships and to assess applications.

As a matter of course, the Fund distributes its entire net surplus to the Honourable Society of the Inner Temple as a contribution towards the greater cost of the Inn's scholarship awards.

Investments policy and performance

The Trustees aim to maximise real return on a rolling five-year view with emphasis on capital growth with income. Investment performance during the year equated to 13.9% (2019: 14.4%) net of fees. Investment income on the Charity's funds is paid out by the manager (Veritas) to generate funds for the payment of scholarships.

Coronavirus

The global pandemic has not led to any significant changes in the Charity's income or expenditure in the post balance sheet period.

Taking into account the balance sheet position and the impact of Covid-19 on the Charity's income streams and expenditure plans, the Trustees consider that the going concern assumption remains appropriate and the financial statements continue to be prepared on this basis.

The Trustees do not consider it necessary to make a reduction to the levels of funding budgeted for 2021.

London SE1 9HA

Investment Powers: The Trustees have wide powers of investment.

The Inner Temple Scholarship Fund

Report of the Trustees for the year ended 31st December 2020 (continued)

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved for the Trustees on **28 October** 2021 and signed on their behalf:

The Rt Hon Lord Justice Nugee
Trustee

The Inner Temple Scholarship Fund

Independent Auditor's Report to the Trustees of the Inner Temple Scholarship Fund

Opinion

We have audited the financial statements of the Inner Temple Scholarship Fund ('the charity') for the year ended 31 December 2020 which comprise the Statement of Financial Activities, the Balance sheet, the Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2020 and of its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information contained within the annual report. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

The Inner Temple Scholarship Fund

Independent Auditor's Report to the Trustees of the Inner Temple Scholarship Fund (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient and proper accounting records have not been kept by the charity; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section of the Charities Act 2011, and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

The Inner Temple Scholarship Fund

Independent Auditor's Report to the Trustees of the Inner Temple Scholarship Fund (continued)

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charity's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charity for fraud. We noted no additional laws and regulations in this context for the UK operations.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the override of controls by management. Our audit procedures to respond to these risks included enquiries of management, and the Board about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Crowe U.K. LLP

Crowe U.K. LLP
Statutory Auditor

Crowe U.K. LLP
55 Ludgate Hill

The Inner Temple Scholarship Fund

Notes to the financial statements for the year ended 31st December 2020

1. Accounting policies

a) Basis of accounting

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014.

The Inner Temple Scholarship Fund constitutes a public benefit entity as defined by FRS 102.

After making enquires, the Trustees have a reasonable expectation that the charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements as outlined in the Statement of Trustees Responsibilities on page 6.

The Covid-19 pandemic has had no material impact on the Charity's operations. The Trustees, the relevant committees, professional advisers and staff continue to monitor the situation carefully.

Having regard to the above, the current cash position, and expected cashflow over the following twelve months the Trustees believe it is appropriate to adopt the going concern basis of accounting in preparing the financial statements.

b) Critical accounting judgements and key sources of estimation uncertainty

Sources of estimation uncertainty that have a significant effect on the amounts recognised in the financial statements are described in the accounting policies. No specific accounting judgements and uncertainties have been identified for the current year.

c) Investments

Investments are included in the accounts at fair value. Net realised and unrealised gains and losses are reflected in the Statement of Financial Activities as net gains/losses on investments.

d) Incoming resources

Donations, interest and investment income are accounted for when receivable. Legacies are accounted for when entitlement has been granted and the income is probable and measurable.

e) Resources expended

Direct charitable expenditure comprises services supplied and activities undertaken, which are identifiable as wholly or mainly in support of the charity's objectives. The costs of generating funds relate to the management of the charity's assets. The Charity has no direct employees or support costs in running the organisation.

The Inner Temple Scholarship Fund

Notes to the financial statements for the year ended 31st December 2020 (continued)

f) **The Inner Temple Scholarship Fund**

The Inner Temple Scholarship Fund is an approved charity registered with The Charity Commissioners in 1982.

g) **Taxation**

The Inner Temple Scholarship Fund is a registered charity and taxation is not applicable.

h) **Permanent endowments**

These comprise funds donated by the Honourable Society of the Inner Temple for the purposes of generating income to support students wishing to train as barristers.

i) **Financial instruments**

The Inner Temple Scholarship Fund has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost using the effective interest method. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. Financial liabilities held at amortised cost comprise bank loans and overdrafts, trade and other creditors.

Investments, including bonds held as part of an investment portfolio are held at market value at the Balance Sheet date, with gains and losses being recognised within income and expenditure.
