British Toxicology Society(The)
Report of the Trustees
for the Year Ended 31 December 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and significant activities

The Society is established for the promotion and advancement, for the public benefit, of education in the science of toxicology. In deciding the aims and activities of the society, the trustees have paid due regard to the guidance issued by the Charity Commission on public benefit. Toxicology is the science of disease induced by chemicals present in the diet, medicines, and in the environment. The British Toxicology Society (BTS) is a leading international toxicology society, based on the highest quality science, and promotes the advancement, communication and understanding of the scientific disciplines necessary to foster public health and environmental safety.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Society is a company limited by guarantee and the liability of members is limited to an amount not exceeding £1. It is exempt under Section 60 of the Companies Act 2006 from the requirement to use the word 'Limited' in its title. The Society is governed by the Memorandum and Articles of Association. It is registered with the Charities Commission, number 286197, and no liability to taxation arises.

The Executive Committee are Directors for the purpose of company law and Trustees for the purpose of charity law. Directors/Trustees are appointed by the Society's members at the Annual General Meeting. When a Trustee retires, the Executive Committee nominates new Trustees. Additional nominations may be made by the membership, provided they are signed by six members of the Society.

Informal induction procedures are in place for new Trustees, conducted by an existing member of the Executive Committee and they are also provided with relevant documentation to formally advise and inform them of the Society's constitution and objectives and also their duties and responsibilities as a trustee.

One third of the Executive Committee ordinary members retire each year in rotation but are then eligible for re-election. The society is organised so that the Trustees, in the form of the Executive Committee, meet regularly, usually on a quarterly basis, to manage its affairs. There are also sub-committees which are responsible for advising and researching the various activities and development of the Society, who report to the Executive Committee.

Statutes for the workings of the various sub-committees are continually being revised and updated to ensure that the terms of reference are clearly defined and the ways of working are consistent. This also enables transparency of committee elections and duration of membership, while allowing the committees to work to agreed aims, backed up by comprehensive set of Standard Operating Procedures for the Society.

The trustees have assessed the major risks to which the Society is exposed, in particular those related to the operations and finances of the Society, and are satisfied that systems are in place to mitigate exposure to major risks.

All of the officers and members who serve on the Society's committees are unpaid. They are entitled to be reimbursed for any out of pocket expenses incurred in attending meetings.

No related parties, related party transactions, beneficial relationships or conflicts of interest requiring disclosure by the Charities' or Companies' Acts existed during the year.

Attendance by Executive Committee members has been reasonable throughout the year. The co-opted members continue to provide liaison with the relevant Sub-Committees and Speciality Sections.

The day to day administration of the Society is undertaken by an outside agency on a fee basis.

Independent Examiner's Report to the Trustees of
British Toxicology Society(The)

Independent examiner's report to the trustees of British Toxicology Society(The) ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 December 2023.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 December 2023 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

British Toxicology Society(The)

Balance Sheet - continued

31 December 2023

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on and were signed on its behalf by:

.....
F Hill - Trustee

.....
S C Price - Trustee

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

There are no material uncertainties about the charity's ability to continue.

The trustees' assessment of the risks associated with Brexit and the pandemic are detailed in the President's report.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows;
- the requirement of paragraph 3.17(d);
- the requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of paragraphs 12.26, 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirement of paragraph 33.7.

Income

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

- Legacy income is recognised when receipt is probable and entitlement is established.

- Income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

- Income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- Expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

Notes to the Financial Statements - continued
for the Year Ended 31 December 2023

1. ACCOUNTING POLICIES - continued

Expenditure

- Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

- Other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
