REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST DECEMBER 2022

The trustees present their report with the financial statements of the charity for the year ended 31st December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal aims and activities of the charity are the preservation and protection of health and the advancement of education of residents of Uganda, India and elsewhere.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Charity has achieved its objectives that were set up for the year. We continue to work with Smt KB Joshi Samasta Bardai widows Trust (also registered here in the UK) and also B L Joshi Charity Trust in India.

About 50% of available funds continue to be used for medical purpose, repair work and maintaining water reservoir and repair of huts and homes of old people in the villages where we can reach was concentrated on this year. Education work which was also supported but less amount than last year. Some aids such as books were ordered and also regular supply of chaas (buttermilk) was provided for school children. This is now a regular activity.

Because of rise in costs in all sectors, we also look to local village farmers to supply milk and grain etc

Fundraising activities

Because we do not request from donations from the general public, our main source of income continues to be from fixed deposit bank interest. This way we know that we have a certain budget within the year that we can commit to any purpose.

If any contributions are given we do not refuse it. Donations go toward current charitable work. We thank those who have donated either their time or money to Trust activities.

Future Plans

Year 2023 is forecast to be a damaging year with rain and heat so we did not make much new plans for work because we are limited with available funds and anticipate an expensive year ahead. A village community has asked for assistance in building a village hall. We wait to see how and what they are requesting.

FINANCIAL REVIEW

Investment policy and objectives

The Trustees have the power to invest in such assets as we see fit, however we prefer to keep funds with banks rather than take any risk. These deposits are usually fixed for say, five years each. This way we have a guaranteed income and can plan our work accordingly. As all income is for charitable purpose and mainly for charitable work, barring professional and bank charges.

Reserves policy

Charity deposits are preserved, only interest is spent. If any donations are received, they would be used to support whatever work or as required. Donations are usually only accepted if not restricted to any specific area of work.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The Charity is an unincorporated trust and its objects and regulations are regulated by a trust deed dated 25th January 1983.

Recruitment and appointment of new trustees

New trustees are identified and appointed by the existing trustees. As it is a family run charitable trust, we encourage what we see as future trustees to take part in discussions and review. Their thoughts are also considered as we, the current trustees wish to encourage the continuance of this charity's work. There are five trustees at present.

Organisational structure

The Charity is based in the UK and has various related charities in India, Uganda and elsewhere.

We continue to concentrate in India as we are familiar with the work the charity supports there and have related charitable institutes which ensure the monies are used in accordance with objectives and principles of the charity. Any work undertaken for our charity is voluntary.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST DECEMBER 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Induction and training of new trustees

There are no official changes to the number of trustees. As it is a family run charity, conversations sometimes are to do with the charity work. This way family are educated in how this charity works.

The region this Benevolent Fund works bears relation to our heritage and so interest is bred in next generation. We attempt to encourage visits to India especially to the hospital and schools which are supported. New ideas are also respected.

Wider network

We work with Mrs K B Joshi Samasta Bardai Widows Trust (registered in the UK) and B L Joshi Charity Trust (registered in India).

Related parties

Included in creditors due after more than one year, is a loan of £37,550 from B L & Mrs K B Joshi, which is interest free and unsecured. The interest earned from this is held on deposit brings income for the charity. At the date of the balance sheet, the loan stands at £37,550.

Risk management

The main area of risk is the low income received from funds held on deposit. New projects therefore are not currently undertaken as shortage of funds would mean incompleteness of them.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
B L JOSHI BENEVOLENT FUND

Independent examiner's report to the trustees of B L Joshi Benevolent Fund

I report to the charity trustees on my examination of the accounts of B L Joshi Benevolent Fund (the Trust) for the year ended 31st December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (the Act).

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement - matters of concern identified

I have completed my examination.

As explained in the Trustees' report, the Charity made donations to various charities in India. We have not been provided with sufficient evidence by the Trustees to confirm that the donations made by the UK charity have been utilised for charitable purposes in furtherance of its aims and objectives.

We have also not been able to verify all related party transactions.

As a result of the above matter, we were unable to determine whether any adjustments might have been found necessary in respect of the elements making up the statement of comprehensive income and statement of changes in equity.

I confirm that no other matters have come to my attention that give me cause to believe that in any material respect:

1. except for the matter of concern noted above accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.
