Ball					£3,918.12

**Treasurer summary**

With great profit being achieved across all activities it's been another bumper fund raising year.

This year saw the return of the Hever Ball. An amazing event where everyone enjoyed the evening – but also a great fundraiser. Thank you to all that made this event happen.

The next project we are working towards is the outdoor classroom area. We already have a starting point and know you will all do your best to again meet this target to give the children a quiet (not to mention not muddy) outdoor area to enhance their playtime and outdoor learning space. CIL funding adds £10k to the outdoor classroom total.

*The school are also looking for support to complete an art project in the school – leaving a legacy for all the children to be involved with. We will be confirming what the PTA can contribute and the school will update us all on progress.*

As always, anyway you can help – be it monetary or time – makes all the difference. If you are able to fundraise, take on a project, offer match funding – please speak with one of the trustees.

Thank you.

Summer Fete	£450.65	£2,424.92	£3,259.33	£4,100.00

**Treasurer summary**

The year started with the delivery of the great new climbing frame. The final elements of this was paid in this year's financial year. This was no small task to achieve in the short lead time.

The next project to work towards was chosen as the playground resurfacing. We saw this as a long term fundraising target due to the large amount of money it was going to take to complete this project. Early conversations with the school - asked if all fund raising efforts could be put towards the playground. We didn't think that we would be finishing the year having seen this project completed. A huge achievement. Thank you to everyone that played their part in getting this total achieved.

Another valuable grant achieved was to replace the old and not fit for purpose staging that the school had. The Bluespark grant was applied for and awarded and although the money is showing in the list above, the new staging has already been purchased and is ready for use for the Christmas nativity performance.

On top of the money received above - £6k has been paid to the school directly. £5,500 towards the playground and £537.30 for the staging handrails from Hever Parish Council.

I think we can all agree that it has been another extremely successful year and I am in awe of the passion and driving force you all show to meet these fundraising targets.

The next project we are working towards is the outdoor classroom area. We already have a starting point and know you will all do your best to again meet this target to give the children a safe and quiet (not to mention not muddy) outdoor area to enhance their learning.

Thank you

## Independent examiners review

For Period: 1st August 2023 - 31st July 2024

[Independent examination of charity accounts: Direction and guidance for examiners](#)

### **Direction 1      Check whether the charity is eligible to have an independent examination.**

Check that an audit is not required

Check if subsidiaries or branches have been taken into account

Check if accruals accounts are required

The examiner is able to carry out the examination

Keeping the charity's income under review

Checking for any audit dispensation

If a company, check for the audit exemption statement

Establishing early on that an independent examination can be carried out

### **Direction 2      Check for any conflict of interest that prevents the examiner from carrying out their independent examination.**

Confirm ability, experience and qualification

Check for any involvement in the day to day administration of the charity

The examiner may assist in preparing the accounts

Check for any conflict of interest

Check for any close relationship with the trustees

### **Direction 3      Record your independent examination.**

The working papers that you should have:

1) A communication with the trustees which confirms their appointment as the independent examiner

2) A note that the examiner has the qualification where required (independent examinations where gross income exceeds £250,000) to carry out the examination and, if a member of a professional body, the examiner has met the requirements of any practicing certificate and has maintained their membership and registration

3) Confirmation that the charity is eligible for the independent examination and that that an audit is not required by law, the charity's governing document or for another reason

4) Their analytical review

5) Notes as to how any areas of concern identified have been resolved, including meetings with trustees and charity staff, together with details of any verification procedures used

- 6) Where verification procedures have been used, details of checks or vouching carried out during the examination, the conclusions reached and any areas of concern identified
  - 7) The approved accounts
  - 8) The trustees' annual report. The examiner must note that where accruals accounts are prepared consideration of the trustees' annual report is required by the 2008 Regulations
  - 9) Relevant information that the examiner relied upon and/or considered in carrying out their examination. For example copies of the governing document, trustees' meeting minutes and a record of any discussions with the charity's trustees and the charity's staff
  - 10) Copies of any written assurances that the examiner has required of the trustees confirming amounts included within the accounts
  - 11) The examiner's conclusions about what they have found out during the independent examination that support their report to the trustees
  - 12) Details of any matters identified as matters of material significance the examiner reported to the Commission or any relevant matters that the examiner chose to report to the Commission
- Extra considerations if charging a fee  
Consider if there are matters to report directly to the Commission

**Direction 4 Plan the independent examination.**

In order to plan the specific examination procedures appropriate to the circumstances of the charity, the examiner must review:

- 1) The charity's constitution
- 2) The way the organisation is controlled and managed
- 3) Whether action has been taken on any previous recommendations for improvement
- 4) The accounting records and systems
- 5) The charity's structure, its funds and how fund balances changed in the year
- 6) The charity's activities in the year and spending and the financial risks the charity faces

**Direction 5 Check that accounting records are kept to the required standard.**

**Direction 6 Check that the accounts are consistent with the accounting records.**

**Direction 7**      **The examiner must check that the trustees have considered if there were any related party transactions in the reporting period and check whether the trustees have made the disclosures required by the applicable Statement of Recommended Practice (SORP) in the notes to the accounts.**

Trustees preparing receipts and payment accounts are not legally required to include in the accounts a note disclosing related party transactions. If the trustees have added such a note to the accounts then it forms a part of the accounts and the examiner is recommended to consider the note if its contents are relevant to any concerns that they have identified when making their report.

**Direction 8**      **Check the reasonableness of the significant estimates and judgments and accounting policies used in accounting for the types of fund held and in the preparation of the accounts.**

1) Check the reasonableness of the significant estimates and judgments and accounting policies used in accounting for the types of fund held and in the preparation of the accounts.

2) Check the reasonableness of any significant estimates or judgments that have been made in preparing the accounts

[Guidance on the form and content of receipts and payments accounts](#)

Action to take if concerns are identified with the accounts

**Direction 9**      **The examiner must check whether the trustees have considered the financial circumstances of the charity at the end of the reporting period**

The examiner must consider whether the trustees have assessed what invoices, bills and commitments remain outstanding at the end of the reporting period and whether the trustees have identified if they can settle these as and when they fall due.

**Direction 10**      **Check the form and content of the accounts.**

Where receipts and payments accounts have been prepared check that the charity can lawfully prepare such accounts, that all the accounting statements are present and that the funds of the charity are correctly identified

**Direction 11**      **Identify items from the analytical review of the accounts that need to be followed up for further explanation or evidence.**

For receipts and payments accounts the analytical review involves comparing the analysis of the cash received and the cash spent in the current year with the previous year to identify any significant changes from year to year.

**Direction 12**      **Compare the trustees' annual report with the accounts.**

The examiner must compare any narrative information or figures in the trustees' annual report with the accounts in order to identify any material inconsistency between the trustees' annual report and the accounts.

**Direction 13** Write and sign the independent examination report.

No issues noted

Completed - 30/5/25

## **Independent examiner's report to the trustees of Friends of Hever School**

I report to the trustees on my examination of the accounts of the Friends of Hever School (the Trust) for the year ended 31 July 2024.

### **Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### **Treasurer summary**

As I sit here and look at this report – I am in awe of you all. The energy and commitment you put into securing money for the school and enriching our children’s time at Hever is simply outstanding. I am the lucky one that gets to see the money come in and pay all of the bills for all of the wonderful stuff. A privileged position.

As with last year – there is a large sum of money that was raised by the PTA for the new climbing frame. There was a dream to install some more challenging playground entertainment for the children – which has been fundraised and installed in less than a year. And that was with going back to the drawing board as to what was going to be commissioned!! That is a further £27k that has gone direct to the school – so not showing in these numbers – but very much all down to the grants group.

We have some big ambitions for the coming academic year and beyond. Let’s keep up the momentum and continue to improve the children’s time at Hever.

Thank you all 😊

\*Class remaining money 2023/2024 Academic year:

- Acorn – 0
- Magnolia - £210.04
- Elderberry - £63.34
- Elm - £463.64
