AGUDAS ISRAEL COMMUNITY SERVICES

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2025

The trustees present their report with the financial statements of the charity for the year ended 5 April 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

REFERENCE AND ADMINISTRATIVE INFORMATION

The information is shown on page 1 of the financial statements and forms part of this report

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of Agudas Israel Community Services (AICS) are to assist vulnerable members of the community by providing information and support to enable them to make the most of available resources as well as of their own strengths and abilities to improve their lives and those of their families.

The charity operates an advice services, providing a wide range of benefits, immigration and employment advice, as well as an employment facility and other services including a number of training opportunities in partnership with other local organisations focusing on employment skills such as CV writing and interview techniques.

Forward is a division of AICS established in 2019 with a mission to help and support those coming from disadvantaged backgrounds with getting into employment and business and maximise their earning potential, we do this by providing them with job preparation, advanced career training, workplace experience, job placement support and more.

The trustees of the charity confirm that they have considered The Charity Commission's general guidance on public benefit.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The trustees are pleased to report that thanks to grants received we were able to continue our services which are in great demand. This was quite difficult, considering the fact that one of our advice workers did not return to work following the pandemic. This caused a great strain on our services, and we were often booked ahead for several weeks. We are aware of the high demand for our services, and the distress that having to wait for appointments can cause.

As the community grows exponentially, we are experiencing an increased demand for our services, especially, as we are the only organisation in the area providing expert advice in English, Hebrew and Yiddish, in a culturally appropriate setting. Additionally, the government's introduction of a Benefit Cap, as well as the restriction of Child Tax Credits and Universal Credit to two children per family, disproportionately affects our community, where larger families are the norm.

We have continued to run a weekly surgery in North West London, and there is a continued high demand for appointments. We have a very high level of customer satisfaction and are proud of the professional service we provide and would ideally like to increase our capacity and reach to meet the growing need for our services, but await a better financial situation.

We have seen continued growth and steady progress for Forward this year, with rising demand for our services driven further by the cost of living crises, we have added and upgraded many courses and services, launched our new online learning portal to expand our reach even further and expanded our job preparation programme to include many additional important skills and added more options to our advanced career training courses.

AGUDAS ISRAEL COMMUNITY SERVICES

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2025

FINANCIAL REVIEW

Reserves policy

It is the charity's policy that only funds that have cleared the bank be allowed to be used as payment for direct charitable and governance expenses. The trustees therefore ensure that the charity retains sufficient funds to cover immediate anticipated outgoings. They have contact at all times with potential donors who are able to assist with the charity's requirements.

Reserves at the year end stood at £6,508 deficit (2024- £859 deficit)

FUTURE PLANS

AICS's plans for the future are to continue to support the most vulnerable members of the community by providing time appropriate advice in the fields in which it has developed high levels of expertise. Advisors continue to attend in service training to ensure that their knowledge and skills are kept up to date in a rapidly changing climate.

It continues to remain our priority to increase fundraising activities, bearing in mind that we are providing essential and otherwise inaccessible services to the most needy members of our community and to their families. The demand is increasing as the government continues to cut the resources available and as the community grows. We are mindful of the fact that we are the only available resource for this community for benefits, immigration and employment advice and support, and take our responsibilities seriously. We look to the wider community to support us in our work and enabling members of the community and their families to live their lives with dignity, and to be able to access the minimal resources they need to survive in the increasingly challenging environment of our times.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity was constituted by Declaration of Trust dated 15th May 1983.

Recruitment and appointment of new trustees

It is not currently the intention of the trustees of the charity to appoint new trustees. Should this situation change in the future, the trustees will apply suitable recruitment and training procedures.

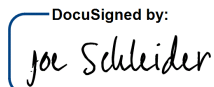

Organisational structure

The trustees and administrator meet regularly in order to ensure that the charity runs smoothly and that all activities are run efficiently, as well as to deal with issues as they arise, and to pre-empt potential problems before they develop. They plan both current and future strategy, balancing the developing and increasing needs of the community with the resources of Agudas Israel Community Services.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Approved by order of the board of trustees on 4 February 2026 and signed on its behalf by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF AGUDAS ISRAEL COMMUNITY SERVICES

Independent examiner's report to the trustees of Agudas Israel Community Services

I report to the charity trustees on my examination of the accounts of Agudas Israel Community Services (the Trust) for the year ended 5 April 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

AGUDAS ISRAEL COMMUNITY SERVICES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 5% on reducing balance

Taxation

The charity is exempt from tax on its charitable activities.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Going concern

There are no material uncertainties about the charity's ability to continue.
