# THE SAINSBURY CENTRE ENDOWMENT FUND

## TRUSTEES' REPORT

FOR THE YEAR ENDED 31 JULY 2021

---

### **Structure Governance and Management**

<b>Governing document</b>	The Sainsbury Centre Endowment Fund consists of two funds. The 1983 fund was established under a Trust Deed dated 21 June 1983 and the 1986 fund was established under a Trust Deed dated 23 December 1986. Although the two funds are administered separately they are treated as one charity by the Charity Commission and the individual accounts have been combined for the purpose of the statutory audit.
<b>Trustee Selection Methods</b>	The power of appointing University Trustees is exercisable by the University of East Anglia ('UEA'). The External Trustees are appointed by the continuing External Trustees with them being required to appoint those nominated by Lord Sainsbury of Turville.
<b>Organisational structure of the charity and how decisions are made</b>	The External Trustees are responsible for investment policy and management. The Trustees meet twice a year to consider reports from the External Trustees on investment performance and policy, to receive reports on the application of the funds passed to the University in order to fulfil the objects of the Trust and to consider the annual report and financial statements.
<b>Risk policy</b>	The key risk to the trust fund is the volatility of market investments as evidenced by the impact of the Coronavirus pandemic, where the value of investments has fluctuated and future investment income is anticipated to be substantially lower. The Trustees, in consultation with and on the advice of their Investment Advisers, maintain a diverse and balanced investment portfolio to mitigate so far as possible against adverse risks affecting the overall value of the endowment so that the charity can continue to pay out the income generated to the trust beneficiary. At the same time, other major risks to which the trust is exposed are considered and, where necessary, steps are taken to mitigate and minimise those risks.

### **Objectives and Activities**

<b>Objects</b>	The principal purpose of the Fund is to provide income but not capital to support the running costs of the Sainsbury Centre for Visual Arts at the UEA, Norwich ('the Centre') which are attributable to parts of the Centre which are being used for displaying a collection or exhibition.
<b>Public Benefit Statement</b>	The Trustees have reviewed the Charity Commission guidance on Public Benefit and consider that the information contained in this Trustees' report clearly sets out the aims, activities and achievements of the Trust which are of benefit to the general public.

## TRUSTEES' REPORT

FOR THE YEAR ENDED 31 JULY 2021

---

### Connected Charities

Connected charities, independently administered and with similar objects and with which this charity operates, are the Sainsbury Research Unit for the Arts of Africa, Oceania and the Americas.

### Achievements and Performance

#### Achievements

During the year the Trust distributed £307,308 (2020 - £392,487) to the University of East Anglia, to expend for the benefit of the Sainsbury Centre for Visual Arts in accordance with the terms of the Trust Deed.

The charity has no paid staff.

#### Director's Report

The Sainsbury Centre continued to deliver a huge range of projects and activities, including major exhibitions, sculpture park initiatives, publications and innovative online learning resources. The Centre successfully secured over £400,000 in new grants and awards and made several significant acquisitions.

Internationally, exhibitions travelled to Los Angeles (*Fiji: art and life in the Pacific*), Madrid (*The Body Observed*) and New York (*Brian Clarke: the art of light*), while in the UK *Art Deco by the Sea* toured to Newcastle. The Centre opened the major exhibitions *Bill Brandt/Henry Moore* and *Leiko Ikemura: Usagi in Wonderland*, a collaboration with SISJAC. Sustained research on key Sainsbury collection artists continued, including the publishing of *Henry Moore: Friendships and Legacies* which focuses on Moore's relationship with the Sainsburys.

The Sculpture Park provided a key resource for many communities during lockdown, helping to build the reputation of the Centre as a major regional amenity. Two works by Spanish artist Cristina Iglesias were installed in the West End Garden, and Anthony Caro's monumental *Goodwood Steps* is now on display in the meadow.

Public engagement with the Sculpture Park has been exceptional.

Sainsbury Centre staff contributed substantially to the University's REF return providing several outputs, and one of the two impact case studies. Outputs included exhibitions and publications on Giacometti, Frink, Art Nouveau, Art Deco, Henry Moore, world ceramics and ocean liner material culture.

Highlighting some outstanding examples of online engagement over the year, the Sainsbury Centre was selected to feature in the Art Fund film series '*Stories from...*'. The collections are receiving increased engagement through the Gatsby Cataloguing project, which is on-going. External authors have been commissioned to produce new entries and many staff members have been involved in the research and delivery of the project.

## TRUSTEES' REPORT

FOR THE YEAR ENDED 31 JULY 2021

---

### Director's Report (cont.)

The Centre's digital learning offer has developed in exciting new directions. The Learning team delivered the online studio and the Virtual Study Centre - a digital render of the Living Area that can be used remotely by many different audiences. The 'New Perspectives' podcasts, sees UEA colleagues bring their unique disciplinary perspective to illuminate objects in the Sainsbury collection. Communities across the region were supported during lockdown through the distribution of over 500 creative materials packs to low income households and through housing trusts.

Ghislaine Wood, Acting Director, September 2021

### Investment policy

The Trustees have wide power of investment. The objective of the Trustees is to maintain a level of investment income over time that keeps pace with inflation.

The Trust's permanent endowment funds are invested to generate income and provide long-term capital growth in line with relevant indices. The Trustees regularly meet the investment managers to discuss strategy and review performance. In the year under review, Trustees maintained a defensive investment strategy.

### Investment performance

During the financial year the Trust's investment portfolio has been subject to unprecedented conditions arising from the Covid-19 pandemic. Global economic confidence has plunged, and equity and financial markets have encountered large falls, extreme volatility and rapidly changing conditions across the major markets. As a consequence higher levels of investment income are increasingly difficult to find. The market value of investments has increased by 11% compared to 2020, yet investment income has decreased by 10% compared with the previous financial year.

The Trust does not raise funds from the public.

### Financial Review

This is a grant making trust with no direct activities, all distributable income being donated to the UEA for the purposes specified above. Therefore there are no specific activities to be reported on by the Trustees.

The income of the year, all derived from stock exchange investments and cash placed on deposit was £335,022.

The total grant paid out of the income of the Trust for the year ended 31 July 2021 was £307,308.

The net incoming resources for the year of the Unrestricted fund after making these grants were £19,953.

The balance of the Unrestricted Fund at 31 July 2021 was £36,899.

## THE SAINSBURY CENTRE ENDOWMENT FUND

### TRUSTEES' REPORT

FOR THE YEAR ENDED 31 JULY 2021

---

#### **Financial Review (cont.)**

The UEA and External Trustees met twice during the year to consider the allocation of available income. The External Trustees had two further meetings with Cazenove Capital Management. The Trustees receive an annual report from the UEA on the application of funds paid to the UEA. The UEA accounts for the activities funded from the income made over to it by the Trustees within the scope of its Annual Report and Accounts.

#### **Reserves Policy**

The Trustees' policy is to pay the net income to the UEA.

#### **Going Concern**

Having assessed the Trust's financial position and plans for the foreseeable future, the Trustees are satisfied that it remains appropriate to prepare the financial statements on the going concern basis.

#### **Directors**

The directors of HON & V Trustee Ltd are: Mr D Flynn, Ms G Harris, Ms H Johnston, Miss J S Portrait.

**THE SAINSBURY CENTRE ENDOWMENT FUND**

**TRUSTEES' REPORT**

**FOR THE YEAR ENDED 31 JULY 2021**

---

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare the financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law.

Under charity law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its net incoming resources for the period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 10 November 2021 and signed on their behalf by

## **INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE SAINSBURY CENTRE ENDOWMENT FUND**

**FOR THE YEAR ENDED 31 JULY 2021**

---

### **Opinion**

We have audited the financial statements of the Sainsbury Centre Endowment Fund for the year ended 31 July 2021 which comprise the Statement of Financial Activities, the Balance Sheet and the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102. The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 July 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

## **INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE SAINSBURY CENTRE ENDOWMENT FUND**

**FOR THE YEAR ENDED 31 JULY 2020**

---

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Details of the extent to which the audit was considered capable of detecting irregularities, including fraud and non-compliance with laws and regulations are set out below.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102). We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

**INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE SAINSBURY CENTRE  
ENDOWMENT FUND**

**FOR THE YEAR ENDED 31 JULY 2020**

---

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charity's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charity for fraud.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the Trustees and other management and inspection of regulatory and legal correspondence, if any.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the override of controls by management. Our audit procedures to respond to these risks included enquiries of management about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the Charity Commission, and reading minutes of meetings of those charged with governance.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Crowe U.K. LLP**  
Statutory Auditor  
**London**

3 December 2021

Crowe U.K. LLP is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

# THE SAINSBURY CENTRE ENDOWMENT FUND

## NOTES TO THE ACCOUNTS

### FOR THE YEAR ENDED 31 JULY 2021

---

#### **1 Basis of Preparation**

##### **1.1 Basis of Accounting**

Form of Entity: Charitable Trust

Country of Incorporation: United Kingdom

Registered Office: University of East Anglia, Norwich Research Park, Norwich NR4 7TJ.

These financial statements have been prepared in accordance with the Charities SORP (FRS 102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015. The accounts (financial statements) have been prepared to give a "true and fair" view and have departed from the charities (Accounts and Reports) Regulations only to the extent required to provide a "true and fair view".

##### **1.2 Fund accounting**

The charities both have a single permanent endowment fund and unrestricted fund.

##### **1.3 Going Concern**

Having assessed the Trust's financial position and plans for the foreseeable future, the trustees are satisfied that it remains appropriate to prepare the financial statements on the going concern basis.

The effect of the Coronavirus pandemic has been to increase the value of the investment portfolio by approximately 11% compared to the end of the 2020 financial year, and dividend income receivable by the Trust is very likely to be substantially lower going forward. Nevertheless the endowment assets of the Trust remain significant, and these will continue to return income which the Trust will continue to pay out to its beneficiary in accordance with the provisions of the Trust Deed.

##### **1.4 Public Benefit**

The trust is a public benefit entity.

#### **2 Accounting Policies**

- 2.1** Incoming resources are included in the Statement of Financial Activities (SoFA) when:
- the charity becomes entitled to the resources;
  - the trustees are virtually certain they will receive the resources; and
  - the monetary value can be measured with sufficient reliability.

# THE SAINSBURY CENTRE ENDOWMENT FUND

## NOTES TO THE ACCOUNTS

### FOR THE YEAR ENDED 31 JULY 2021

---

#### **2 Accounting Policies**

- 2.2 Where incoming resources have related expenditure, the incoming resources and related expenditure are reported gross in the SoFA
- 2.3 Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
- 2.4 Incoming resources from tax reclaims are included in the SoFA at the same time as the income to which they relate.
- 2.5 Investment income is included in the accounts when receivable.
- 2.6 Investment gains and losses include any gain or loss on the sale of investments and any gain or loss resulting from revaluing the investments to market value at the end of the year.
- 2.7 Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
- 2.8 Governance costs include the cost of the preparation and examination of statutory accounts, the cost of Trustee meetings and cost of any legal advice to the Trustees on governance or constitutional matters.
- 2.9 Grants payable are payments made to third parties in the furtherance of the charitable objectives of the trust. The grants are accounted for where either the trustees have agreed to pay the grant without condition and the recipient has a reasonable expectation that they will receive a grant, or any condition attaching to the grant is outside the control of the trust.
- 2.10 Investments quoted on a recognised stock exchange are valued at market value at the year end.
- 2.11 The Trust is an exempt charity within the meaning of Section 519 of the Income Tax Act, 2007. Accordingly, it is potentially exempt from taxation in respect of income or capital gains received within categories covered by Section 256 of the Taxation of Chargeable Gains Act, 1992 to the extent that such income or gains are applied to exclusively charitable purposes.
- The Trust receives no exemption in respect of Value Added Tax (VAT) and is not VAT registered.
- 2.12 Endowed funds are permanent endowments where the donor has specified that the capital of the gift cannot be expended and that only the income arising from the capital may be used for the purpose named by the donor. None of these funds are available to meet the general costs of the Trust. Investment management charges and legal fees are charged to the capital of the endowed funds.

# THE SAINSBURY CENTRE ENDOWMENT FUND

## NOTES TO THE ACCOUNTS

### FOR THE YEAR ENDED 31 JULY 2021

- 2.13 Sources of estimation uncertainty that have a significant effect on the amounts recognised in the financial statements are described in the accounting policies. No specific accounting judgements and uncertainties have been identified for the current year.
- 2.14 The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost using the effective interest method. Financial assets held at amortised cost comprise cash at bank and in hand, together with trade and other debtors. Financial liabilities held at amortised cost comprise trade and other creditors. Investments are held at fair value at the Balance Sheet date, with gains and losses being recognised with income and expenditure.
- 2.15 Cash held for reinvestment in the portfolio has been included within fixed asset investments only as it is a long term investment. Other cash that is available on demand within the income is included within current assets.

### 3 Investment Assets

	2021	2020
	£	£
<b>3.1 Quoted Investments</b>		
Market value brought forward (1983)	1,860,178	2,270,925
