The Trustees have set a Policy of Giving that explains the strategies for achieving the objects set out in the trust deed. The Policy of Giving is detailed below. References to the Company refer to the Worshipful Company of Fuellers.

1. The Trustees shall estimate at the start of each financial year the amount that the Fund would be able to donate in that year, taking into account the level of reserves and anticipated revenue from investment income and donations.
2. Where possible, positive responses shall be made to those charitable requests where the donation may make a significant impact. Preference shall be given to small and medium size charitable organisations.

 - e. Special appeals from military affiliates.
 - f. Suitable appeals from youth organisations, especially those having relevance to the energy industries.
5. There shall be a list of standing donations which shall be reviewed by the Trustees annually.

Investments

The Trustees have the authority to invest the funds of the Trust in a wide range of investments, as they think fit for the furtherance of the objects of the Trust.

The Trustees have appointed Investment Advisors and Managers to carry out this role. The Trustees seek to protect the real capital value of the investments over the long term while generating a stable and sustainable income and do accept a medium risk profile and also wish to protect against inflation over the long term.

Environmental, Social and Governance ("ESG") issues have been increasingly highlighted for the investment management industry and the environment has in recent years been in sharper focus. The Trustees are pleased that the Investment Advisors and Managers have confirmed they continue to focus on improving corporate governance as a driver of returns and ESG considerations are a key part of their investment process. This encompasses both investments in companies which are part of the green economy and in companies moving towards a more sustainable future.

Financial review and review of activities

Income during the year increased to £57,025 (2022: £48,621) which included donations received of £22,646 (2022: £23,772). Investment income increased also to £26,916 (2022: £23,790). Donations and prizes given during the year were £34,134 (2022: £38,362).

Driven by easing inflation concerns and optimism about future interest rate cuts, global markets experienced a significant rally confounding earlier gloomy expectations around the prospect of recession, a mini banking crisis and geopolitical instability across Europe and the Middle East. Equities had a good year in the round, but the UK market continued to lag behind other global markets gaining less than 5%. Of course, everything else paled into insignificance in the face of the dreadful events that unfolded in Israel and Gaza, in addition to the ongoing stalemate in Ukraine that is almost into its third year.

The net realized and unrealized gains on investments were £73,463 (2022: losses of £239,501). There was an overall increase in the market value of investments of £82,604 (2022: decrease of £233,137).

After taking account of costs, the Fund increased by £89,976 (2022: £239,789 decrease). At the end of the year the Fund was valued at £1,162,732 (2022: £1,072,756).

The Trustees believe that the activities in support of education, defence services and other areas are of substantial public benefit. In particular some donations paid are focused towards various education initiatives. Many of these initiatives are designed to encourage students into energy related further education or energy careers.

Unrestricted Designated Fund

The Trustees maintain a designated fund for certain specific objectives, nevertheless this forms part of the unrestricted funds. This is the Coal Meters Fund, which is recorded separately, having been established in 2018 from an initial transfer of £94,618 of investments from the Coal Meters Committee by way of a donation and increased by a final donation in 2020 of £173,819.

Future plans

For the future, the Trustees' key objective is to increase the Trust's giving in absolute terms. The Trustees aim to achieve this by encouraging higher levels of regular giving to the Trust by freemen and liverymen of the Worshipful Company of Fuellers. The Trustees will therefore continue to seek to raise the profile of the Trust within the Company's literature and will also encourage further fundraising events, as well as remembering the charity in their wills with an appropriate legacy.

Reserves

At the balance sheet date, Unrestricted Funds were £1,162,732 (2022: £1,072,756). The Trustees consider reserves of this amount necessary in order to generate the level of investment income required to supplement voluntary income in order to meet the Trust's objectives.

Unrestricted funds include designated funds which are designated for certain donations relevant to the Coal Meters Committee

Risk assessment

The Trustees have regularly reviewed the risks to which the charity is exposed and have established appropriate systems and procedures to manage these risks. The ability of the charity to make grants is dependent on mainly the level of donations and the stability of investment income.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are grateful to all the members of the Worshipful Company of Fuellers and others who have supported the Charity during the year. The Trustees hope that any Company members not making regular contributions to the Charity will consider doing so in the future. The Trustees are also grateful to Baillie Gifford and Sarasin for their care as Investment Advisors and Managers.

1. General information

The Trust was established in 1983 and is governed by a trust deed originally dated 10 October 1983. The charity is a Public Benefit Entity registered in England and Wales and a registered charity (Charity Number: 288157). The address of the registered office is given in the charity information on page 2 of these financial statements.

These financial statements are presented in Sterling and are rounded to the nearest £1.

2. Accounting policies

a) Basis of accounting

The financial statements are prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated through Bulletin 1 published on 2 February 2016), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) (Second Edition), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Fuellers Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognized at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The Trustees have a reasonable expectation that the Trust has adequate financial resource to continue in operational existence for the foreseeable future, being a period of at least twelve months after the date on which the report and financial statements are signed. For this reason it continues to adopt the going concern basis in the financial statements. These considerations take into account the impact of Covid-19.

b) Income recognition

All income is recognised in the Statement of Financial Activities when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received. Investment income is included on a receivable basis. Donations are accounted for when their receipt is probable. Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognized when entitlement has occurred.

c) Expenditure recognition

All expenditure is recognised on an accruals basis. Expenditure is allocated to appropriate headings within the Statement of Financial Activities. Costs of charitable activities include donations made, prizes awarded and governance and support costs. Governance costs and support costs have been allocated fully to expenditure on charitable activities. The allocation of support and governance costs is analysed in note 5.

Donation payments due are accrued once agreed by the Trustees, the recipient is notified and any conditions are satisfied.

d) Investments

Investments are stated at market value at the Balance Sheet date. Any changes in value during the year are disclosed separately in the Statement of Financial Activities.

Restricted funds are to be used in accordance with specific purposes imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Independent Examiner's Report to the Trustees of The Fuellers Charitable Trust

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2023 which are set out on pages 8 to 15.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work or for this report.
