REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2025

Structure, Governance and Management

Oxford Youth Enterprise Limited is a company limited by guarantee and a registered charity governed by its memorandum and articles of association. Charity Number: 288326, Company number: 01598586. The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £5.

Public Benefit

The trustees have taken into account the Charity Commission guidance on public benefit and believe that the activities are in line with that guidance.

Objectives, Activities, Achievements and Performance

The objects of the charity are to provide training, education and related services for disadvantaged young people in the Oxford/Oxfordshire area; this geographical coverage has now been extended to include 'and other areas' currently including Sheffield. The charity trustees for 2024-5 were George Smith (chair), Dr M G Khan and Ansa Khan becoming a trustee in 2025 to replace Teresa Smith.

Oxford Youth Enterprise Ltd has continued to work with and support the Name It Youth Project throughout the year. This group of youth workers began to provide services for young people in Oxford in January 2015. This project has continued very successfully over the past ten years, and as experience was gained Name It has extended the activities and the groups it works with into new areas.

Programme

The Name It Youth Project continued to operate regular weekly sessions on Saturdays in Oxford throughout the year, mainly based as before in Barracks Lane Community Gardens in East Oxford. Weekly sessions typically involve two separate groups operating on Saturdays at Barracks Lane Community Gardens, one for Junior members and a later one for senior ages, and a third detached youth work programme 'One Step Forward' covering different areas of Oxford using a pop-up gazebo as a focal point in places where young people gather.

Under the 'East Oxford Youth Partnership' led by the Name It project, a further series of holiday play-schemes took place in the Spring, Summer and Winter holidays. These were funded by the Oxfordshire County Council, drawing on support from the holiday free school meal programme, originally stimulated by Marcus Rashford. The three other local groups were Donnington Doorstep, Family Arena and the Syrian Community in Oxford (Syrcox). Name IT provided 28 four hour holiday sessions, coordinating with the other groups to ensure holiday coverage by one or other group.

As in previous years a successful three day residential camping trip took place at Willowbrook Farm, where the annual event had a change of structure as it now became 'The Oxford Youth Festival'; project manager and lead, Nafeesa Hussain, embarked upon the new idea of a festival to move from being just 'Name It Youth' to enable a more diverse range of young people by inviting other local youth groups to come together for 2 nights and 3 days to share activities as a collaborative event. Name it Youth Project joined with Wolvercote Young People's Club for the first ever 'Oxford Youth Festival' in Summer 2024, hosting over 50 young people.

In total over the year Name It held 40 senior 'open access' sessions, 40 Junior sessions, 30 One step forward detached youth work sessions as well as the three holiday schemes and the Oxford Youth Festival.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2025

Programme (continued)

Sessions have been very well attended with many young people; and the need to split sessions for open access to enable better age related activities. There has been a large flow of new young people and enquiries for those interested in accessing the various projects. The open format means that there is regular contact with parents or other family members. As in previous years sometimes this close contact leads on to individual counselling sessions that may raise safeguarding issues that have to be discussed and if necessary, followed up with other organisations.

Nafeesa has been invited to deliver several presentations on the Name It Project work with young people on nature including the Oxford Local Nature Partnership at Oxford University and at the Oxfordshire Youth Conference in November 2024.

Having started Name It Youth Project Girls Group in Sheffield in February 2024, Nafeesa has continued to deliver 46 weekly sessions with increasingly large numbers leading to a waiting list. To respond to the high numbers, the group has also initiated a junior and senior session. In February 2025 the group moved to a new venue at Al-Mahad Al Islami (A Girls school) offering larger and more accessible spaces for the group to develop further.

The group have taken several trips in holiday periods to local green spaces such as foraging workshops and establishing nature connections. The project relies on the support of local volunteers to offer time to take part to cope with the demand and one paid staff member.

The Sheffield group have also undertaken some collaborative work with 'Sheffield Young Explorers' as a series of workshops for teenage girls. Funding was received from a local South Yorkshire charity in May 2023 but has since been supported by Name It funds.

Income

The main source of funding in 2024-25 has been the Oxfordshire County and City Council. The County supported all three of the holiday playschemes and also funded the 'Green Spaces and Us' project. As the holiday schemes were built around providing a 'nutritious meal' to participants, this has meant registering with the national Food Standards Agency and being formally assessed. Name It was granted a 5* classification. The three year Oxford City 'Big Ideas' scheme provided the main source of funds for the weekly open sessions in Oxford. Overall income for 2024-5 was slightly lower than the previous year and overall expenditure rose but closely followed the budget.

Activities and staffing

Nafeesa Hussain has continued to be the project leader, planning, organising and managing the sessions in both Oxford and Sheffield with great energy, skill and stamina. She has become the principal person for fundraising, searching out possible grants and writing bids. She has continued to be supported by a small group of volunteers and part time paid youth workers. Similar arrangements have been set in place in Sheffield. All workers on the Name It project are paid at an hourly rate above the current 'Oxford Living Wage'.

Barracks Lane has been the main Oxford location, with other locations including local parks, playing fields, other open spaces as well as Willowbrook Farm. Ansa Khan who, with Nafeesa, was one of the founder members of Name It and an able deputy if Nafeesa was not available for a session, decided to move on with her career in January 2024. She will be much missed but has now taken up the role of OYE Trustee.

Future

OYE/Name It is now in a very much stronger position financially than it has been for many years, with grants from multiple sources. Though all of its funding is time limited and has to be continually competed for, it is

recognized as a key provider by County and City. The overall project is run by a very resourceful and capable youth leader who is widely recognized across the Oxford area for her experience, knowledge and skill in working with young people. She provides the critical backup and advanced preparation to make sure the sessions are well planned and resourced. This is particularly important as the project has increasingly provided food at most sessions and for the play-schemes. She has been the driving force behind the East Oxford Youth Partnership and has successfully coordinated funding with other local groups for three separate proposals this year. She also has a committed group of volunteers and part-time workers who assist in the work, and to whom she provides on-going training and support using some of the on-line training resources and qualifications now available.

Reserves Policy

The intention is for the charity to hold sufficient funds in order to meet its liabilities as and when they fall due.

Responsibilities of the Trustees

The trustees (who are also directors of Oxford Youth Enterprise Limited for the purpose of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Structure, Governance and Management

Oxford Youth Enterprise Limited is a company limited by guarantee and a registered charity governed by its memorandum and articles of association. Charity Number : 288326 Company number: 01598586. The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £5.

Public Benefit

The trustees have taken into account the Charity Commission guidance on public benefit and believe that the activities are in line with that guidance.

Objectives, Activities, Achievements and Performance

The objects of the charity are to provide training, education and related services to disadvantaged young people in the Oxford/Oxfordshire area; this geographical coverage has now been extended to include 'and other areas'. The charity trustees for 2023/24 were George Smith (chair), Teresa Smith and Dr M G Khan.

Oxford Youth Enterprise Ltd has continued to work with and support the Name It Youth Project throughout the year. This group of youth workers began to provide services for young people in Oxford in January 2015. This project has continued very successfully over the past ten years, and as experience was gained Name It has extended the activities it provides and the groups it works with into new areas.

Programme 2023-24

The Name It Youth Project continued to operate regular weekly sessions in Oxford throughout the year, mainly based as before in Barracks Lane Community Gardens in East Oxford but also on occasions using the Scout Centre on Ridgefield Road, as it has a larger heated space and cooking facilities in cold weather. This proved very useful for a major fund raising event that Name It organized for Palestinian refugees in November 2023. This raised over £2200. This was sent to two charities, Medical Aid for Palestine (MAP) and Medicins sans Frontieres (MSF).

Weekly sessions typically involve two separate groups operating on Saturday at Barracks Lane Community Gardens, and a third detached youth work programme 'Step Forward' covering different areas of Oxford using a pop-up gazebo as a focal point where young people gather. The innovative and very successful girls 'Green Spaces and Us' group built on the work of the previous year, moving on to design more suitable public 'open spaces' that would attract girls to make more use of such areas. This culminated at an open air meeting with the Lord Mayor of Oxford in June, displaying a model of their projected design, and presentations by girls from the group. The group received a formal 'Certificate of Appreciation' from the Lord Mayor for their work.

Under the 'East Oxford Youth Partnership' led by the Name It project, a further series of holiday play-schemes took place in the Spring, Summer and Winter holidays. These were funded by the Oxfordshire County Council, drawing on support from the holiday free school meal programme, originally stimulated by Marcus Rashford. The three other groups were Donnington Doorstep, Family Arena and the Syrian Community in Oxford (Syrcox). Name It provided 28 four hour holiday sessions, coordinating with the other groups to ensure holiday coverage by one or the other group. As in previous years, a successful three day camping trip took place at Willowbrook Farm.

In total over the year Name It held 50 'open access' sessions, 26 'Green Spaces and Us' sessions, and 20 detached youth work sessions together with three holiday schemes and the summer residential camping trip. Sessions have been very well attended with regular attenders, plus a good flow of new young people. The open format means that there is regular contact with parents or other family members. As in previous years, sometimes this close contact leads on to individual counselling sessions that may raise safeguarding issues that have to be discussed and if necessary, followed up.

OXFORD YOUTH ENTERPRISE LIMITED
REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2024

(continued)

In addition to the Lord Mayor's certificate, Name It was shortlisted for the annual 2023 'Make a Difference Award' by BBC Oxford Radio. The youth leader Nafeesa Hussain was formally presented with the High Sheriff of Oxfordshire's award in March 2024 in 'recognition of great and valuable services to the community'. The Name It group has also been invited to present their work at conferences and meetings in Oxford.

In February 2024 in a new development Nafeesa started a weekly Name It programme in Sheffield at the Al Huda Institute, starting with a girl's group on Sunday. There was a very high take up from families in the local area, needing local volunteers to take part to cope with the demand. This programme has continued as a regular session every week, including moving around the local area to explore other spaces as with the Oxford girls' group. Funding was received from a local South Yorkshire charity.

Income

The main source of funding in 2023-24 has been the County and City Council. The County supported all three of the holiday play-schemes and also funded the 'Green Spaces and Us' project. As the holiday schemes were built around providing a 'nutritious meal' to participants. This year this meant registering with the national Food Standards Agency and being formally assessed. Name It was granted a 5* classification. The three year Oxford City 'Big Ideas' scheme provided the main source of funds for the weekly open sessions in Oxford.

Activities and staffing

Nafeesa Hussain has continued to be the project leader, planning, organising and managing the sessions in both Oxford and Sheffield with great energy, skill and stamina. She has continued to be supported by a small group of volunteers and part time paid youth workers. Similar arrangements have been set in place in Sheffield.

Barracks Lane has been the main Oxford location, with other locations including local parks, playing fields, other open spaces and Willowbrook Farm. Ansa Khan who, with Nafeesa, was one of the founder members and an able deputy if Nafeesa was not available for a session, decided to move on in her career in January 2024. She will be much missed.

Future

OYE/Name It is now in a very much stronger position financially than it has been for many years, with grants from multiple sources. The overall project is run by a very resourceful and capable youth leader who is widely recognised in the Oxford area for her experience, knowledge and skill in working with young people. She provides the critical backup and advanced preparation to make sure that sessions are well planned and resourced. This is particularly important as the project has increasingly provided food at most sessions and the play-schemes. She has been the driving force behind the East Oxford Youth Partnership and has successfully coordinated funding with other local groups for three separate proposals this year. She also has a committed group of volunteers and part-time workers who assist in the work, and to whom she provides on-going training and support using some of the on-line training resources and qualifications now available.

Sadly, one of our founding trustees, Mrs Teresa Smith, died in August 2024. OYE continues as a memorial, along with other charities to which she provided long term support.

Reserves Policy

The intention is for the charity to hold sufficient funds in order to meet its liabilities as and when they fall due.

Structure, Governance and Management

Oxford Youth Enterprise Limited is a company limited by guarantee and a registered charity governed by its memorandum and articles of association. Charity Number : 288326 Company number: 01598586. The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £5.

Public Benefit

The trustees have taken into account the Charity Commission guidance on public benefit and believe that the activities are in line with that guidance.

Objectives, Activities, Achievements and Performance

The objects of the charity are to provide training, education and related services to disadvantaged young people in the Oxford/Oxfordshire area. The charity trustees for 2022/23 are George Smith (chair), Teresa Smith and Dr M G Khan.

Oxford Youth Enterprise Ltd has continued to work with and support the Name It Youth Project throughout the year. This group of youth workers began to provide services for young people in Oxford in January 2015. This project has continued very successfully over the past seven years, and as experience was gained Name It has extended the activities it provides and the groups it works with into new areas.

Programme 2022-23

After the stop start nature of youth work due to Covid19, that affected the Name It programme in the previous two years, 2022-23 was back to a more regular pattern of weekly sessions through an extended programme. Weekly sessions typically involve two separate groups operating on Saturdays at Barracks Lane Community Gardens, and sometimes a third 'detached youth' work programme covering different areas of East Oxford.

With support from a National Lottery grant covering the annual costs, the 'Green Spaces and Us' which had been funded as an experiment in the previous year by the County Council and Natural England, continued throughout the current year. This innovative programme for young women aged 10-15 was featured in a paper to an international conference on the future of urban planning in London. One of the outcomes of the pilot phase - a shelter designed by the group and constructed as a small model - was taken up by the Oxford City Council and built full scale in the local park to seat about 8-10 young people under a permanent open canopy. Its opening generated substantial local media coverage. At the end of the year a further event took place with the group presenting their model design for an urban open space that could attract young women to spend more time outdoors, in contrast to football pitches and tennis courts which attract largely a male clientele.

Under the 'East Oxford Youth Partnership' led by the Name It project, a further series of holiday play-schemes took place in the Spring, Summer and Winter holidays. These were funded by the County Council drawing on support from the national Department for Education through the scheme stimulated by Marcus Rashford for free school meals support during the holidays. Several other independent youth groups in Oxford contributed to the overall programme with Name It providing the lead. As in previous years a camping trip took place at Willowbrook Farm - unfortunately due to a (non-Covid) viral outbreak this had to be wound up after two days.

The Oxford City Council 'Big Ideas' grant continued for a further year covering the regular weekly programme at Barracks Lane Community Gardens and also the detached work checking out young people across the area. This required careful liaison with local Police to ensure the safety of the two workers.

In total approximately 137 sessions took place over the year principally at Barracks Lane with several other venues particularly with the 'Green Spaces' and holiday play-schemes.

OXFORD YOUTH ENTERPRISE LIMITED
REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST MARCH 2023

(continued)

Income

Funds from the Oxfordshire County Council for holiday play-schemes amounted to approximately £14,000 in separate bids for each holiday period. Oxford City Council 'Big Ideas' was the second largest source, followed by the National Lottery grant for 'Green Spaces and Us'. But fund raising by the Name It project itself, particularly the contributions from sponsored events/swims etc by the project leader, raised nearly £1000. A donation from Royal Cars of £500 was also very much appreciated. Willowbank Farm contributed £430 in recognition of the contribution made by Name It to their open day.

Activities and staffing

Nafeesa Hussain has continued to be the project leader, planning, organising and managing the sessions with great energy, skill and stamina. She has continued to be supported by a small group of volunteers and part time paid youth workers. Barracks Lane has been the main setting, with other locations including local parks, playing fields, other open spaces and Willowbrook Farm. Foraging sessions have again proved exceptionally popular.

Future

OYE/Name It is in a very much stronger position financially than it has been for many years, with grants from multiple sources and funding now covering more than the current year. The overall project is run by a very resourceful and capable youth leader who is now widely recognised in the Oxford area for her experience, knowledge and skill in working with young people. She provides the critical backup and advanced preparation to make sure that sessions are well planned and resourced. This is particularly important as the project has increasingly provided food at most sessions and the play-schemes. She has been the driving force behind the East Oxford Youth Partnership and has successfully coordinated funding with other local groups for three separate proposals this year. She also has a committed group of volunteers and part-time workers who assist in the work.

Reserves Policy

The intention is for the charity to hold sufficient funds in order to meet its liabilities as and when they fall due.

Responsibilities of the Trustees

The trustees (who are also directors of Oxford Youth Enterprise Limited for the purpose of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Company Law requires the trustees to prepare financial statements for each financial period, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
OXFORD YOUTH ENTERPRISE LIMITED

I report on the accounts of the company for the year ended 31st March 2023 which are set out on pages 6 to 8

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this period under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

Basis of Independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met ; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
