Structure, Governance and Management

Great and Little Chishill Village Hall Charity is an unincorporated charity and operates under the following governing documents:

Scheme sealed 5th April 1983
Order dated 18th July 2006
Memorandum dated 26th June 2007

The charity is managed by the Trustees with support from a wider management committee made up of local residents and representatives of local groups and clubs that use the hall for their activities.

Trustees are appointed or re-appointed at the charity's AGM, usually held in April or May to coincide with the annual parish meeting.

Charitable objects and activities

The provision and maintenance of a village hall for the use of the inhabitants of the Parish of Great and Little Chishill without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the said inhabitants.

Achievements and Performance

During the year to 31st March 2021 the village hall was closed for many months due to the coronavirus pandemic and was only let out to a very limited extent. Many of our regular groups were unable to operate at all over this period and all ad-hoc social events and parties were discontinued. For a brief spell in the summer, we were able to temporarily welcome back some of our exercise and dance groups, but sadly had to close the hall again when the second national lockdown came into force in November 2020.

Over this entire period, the trustees' worked hard to ensure that we complied with current government guidance so that we could keep the hall as safe as possible for those using it, and followed relevant advice provided by ACRE (Action with Communities in Rural England). This included carrying out regular Covid-19 risk assessments and asking users to follow new 'Special Covid-19 Conditions of Hire'.

While the hall was closed, we carried out some routine maintenance and continued to pay our self-employed cleaner, to help make sure the hall is in good shape for when it can re-open again.

Financial Review

The charity's reserves at 31st March 2021 were £38,108 in unrestricted funding. Of this £29,601 was held as cash in the bank and £8,507 in a charities investment fund.

The charity's policy is to maintain reserves of at least £5,000 to cover around 6 months running costs in the event of loss of income and to help meet any unforeseen expenditure that may occur.

Due to the coronavirus pandemic, the charity's hire income dropped significantly this year. Our main income was from grants, including £3,000 from the Parish Council and £22,907 from Covid-19 support grants applied for through South Cambridgeshire District Council. These grants put the charity in a healthy financial position going forward and should help cover any ongoing loss of income due to Covid, as well as potentially providing funds to put towards future improvements.

Declaration

The trustees declare that they have approved the trustees report above.
