## **TRUSTEES' REPORT**

**FOR THE YEAR ENDED 31 MARCH 2024**

---

The Trustees present their Annual Report together with the financial statements of the Charity for the year ended 31 March 2024.

The Trustees confirm that the Annual Report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019). The Trustees' report serves as a directors' report for the purposes of company law.

Since the Charity qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

### **Objectives and Activities of the Charity**

#### **Policies and objectives**

These, as outlined in the Charter of the Charity, are as follows:

"To provide an Open Resource for Musical Education in the widest sense and to bring the music of the past alive, entertaining and interesting for a wide range of the general public, with demonstrations, concerts, the opportunity for educational visits and the chance for interested adults, students and children to be able to play and study the original period instruments in the Richard Burnett Collection. The Charity also supports the maintenance of The Collection for these purposes."

The Trustees confirm that they have considered the guidance of the Charity Commission regarding public benefit when reviewing the charity's aims and objectives and in planning future activities. They are satisfied that the activities undertaken during the year fully meet these requirements.

#### **Activities for Achieving the Charity Objectives**

The Charity's activities continue to be centred around the Richard Burnett Collection of Early Keyboard Instruments of 14 historic instruments representing the development of the keyboard from the seventeenth to mid-nineteenth century up until the introduction of the modern pianoforte. This collection, which is on loan to the Charity, is historically significant and indeed unique in that all 14 instruments can be played by experts and students.

#### **Maintenance**

The maintenance of the instruments (which is the responsibility of the Charity) is a continuous and challenging objective. These old and delicate instruments require expert handling, tuning and conservation. They were all comprehensively restored between 2017 and 2019 but continue to require regular attention, especially before performances.

#### **Training**

The training activity has reduced in this reporting period due to our sponsored trainee disappointingly leaving to follow a different career path and the trainers no longer travelling to Tunbridge Wells.

#### **Performances**

This was a quiet year for the charity due to illness and recovery from the pandemic however there were still a number of performances and group visits.

# **THE FINCHCOCKS CHARITY LIMITED**

## **(A company limited by guarantee)**

### **TRUSTEES' REPORT (continued)**

**FOR THE YEAR ENDED 31 MARCH 2024**

---

#### **Planning**

There is a programme of concerts and visits planned for the 2024 "season" attracting both local and international players and visitors. The Collection is being carefully maintained and prepared for all events.

However, the trustees have concluded that the training activity is no longer viable. With a shortage of both trainers and trainees it has become apparent that the charity cannot continue to support training at the current time.

#### **Financial review**

##### **Going concern**

At present there are enough funds in the CAF bank to keep the charity afloat for the time being so there is no immediate urgency but we are looking forward to adopting a more active fundraising policy as soon as possible.

##### **Reserves policy**

The Trustees have reviewed the reserves of the Charity. The review concluded that in order to allow the Charity to continue efficiently and to provide a buffer against possible decreases in income that the reserves should be maintained above £200,000, which is a similar level to the reserves held in 2023.

#### **Structure, governance and management**

##### **Constitution**

The Charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

The charity is constituted under a Memorandum of Association and is a registered charity number 289155.

##### **Method of appointment or election of Trustees**

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association. Changes of Trustees are approved by a vote of three quarters of the Trustees present at the relevant meeting.

##### **Risk management**

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

## Trustees' responsibilities statement

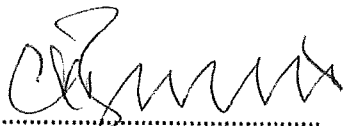

The Trustees (who are also directors of The Finchcocks Charity Limited for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, and signed on their behalf by:

## INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

---

### Independent Examiner's Report to the Trustees of The Finchcocks Charity Limited (the 'charity')

I report to the charity Trustees on my examination of the accounts of The Finchcocks Charity Limited for the year ended 31 March 2024, which comprise the Statement of financial activities, the Balance sheet and the notes to the accounts, including significant accounting policies.

### Responsibilities and Basis of Report

As the Trustees of the charitable company (and also the directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the Companies Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the Charities Act') and in carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act.

### Independent Examiner's Statement

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charitable company as required by section 386 of the Companies Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the Companies Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

---

#### 1. Accounting Policies (continued)

##### 1.5 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

##### 1.6 Tangible fixed assets and depreciation

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

|                     |   |                       |
|---------------------|---|-----------------------|
| Fixtures & fittings | - | 5 years straight line |

### **TRUSTEES' REPORT**

#### ***FOR THE YEAR ENDED 31 MARCH 2023***

---

The Charity co-founder, Richard Burnett sadly died on 8 July 2022, during this reporting period. His inspirational legacy continues to be the driving force of the Charity's mission to keep the true sound and music of the great composers of the past alive through conservation of historic keyboard instruments and enabling them to be played by both professional performers and students.

Thanks to an earlier legacy campaign the Charity is immensely grateful to those who were kind enough to leave a legacy in their will.

The Trustees present their Annual Report together with the financial statements of the Charity for the year ended 31 March 2023.

The Trustees confirm that the Annual Report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) as amended by Update Bulletin 1 (effective 1 January 2015).

Since the Charity qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

### **Objectives and Activities of the Charity**

#### **Policies and objectives**

These, as outlined in the Charter of the Charity, are as follows:

"To provide an Open Resource for Musical Education in the widest sense and to bring the music of the past alive, entertaining and interesting for a wide range of the general public, with demonstrations, concerts, the opportunity for educational visits and the chance for interested adults, students and children to be able to play and study the original period instruments in the Richard Burnett Collection. The Charity also supports the maintenance of The Collection for these purposes."

#### **Activities for Achieving the Charity Objectives**

The Charity's activities continue to be centred around the Richard Burnett Collection of Early Keyboard Instruments of 14 historic instruments representing the development of the keyboard from the seventeenth to mid-nineteenth century up until the introduction of the modern pianoforte. This collection, which is on loan to the Charity, is historically significant and indeed unique in that all 14 instruments can be played by experts and students.

#### **Maintenance**

The maintenance of the instruments (which is the responsibility of the Charity) is a continuous and challenging objective. These old and delicate instruments require expert handling, tuning and conservation. They were all comprehensively restored between 2017 and 2019 but continue to require regular attention, especially before performances. There are few and decreasing numbers of experts skilled in this vital work, therefore the Charity has focused on finding ways to advance opportunities and training for individuals interested in a career in maintaining historic keyboards.

#### **Workshops**

In early 2022 the Charity started to organise weekend workshops for amateurs and owners of early keyboards instruments interested in developing their skills in tuning and restoration.

### **TRUSTEES' REPORT (continued)** **FOR THE YEAR ENDED 31 MARCH 2023**

#### **Bursaries**

The Charity agreed to put aside funding for bursaries for individuals who are interested in more immersive development in tuning and conservation. Lewis Jones and Cesar Hernandez, conservator of the collection, are leading this activity.

#### **Performances**

The collection was used by researchers and performers throughout the year, requiring frequent tuning and moving. We had good feedback from visitors who came from around the world, including Germany, Canada and Japan. There were group visits and concerts held, and this activity is set to continue.

#### **Website**

A new website was published, and this hosts a series of wonderful new videos about each of the instruments. The Charity is extremely grateful for all the hard work that Gary Branch put into producing these films to a high professional standard and to the presenter and performers: to Katie Derham who introduced the series, Steven Devine, Julian Perkins, Jean Philips, Christine Croshaw, and Maggie Cole. The importance of this resource for musical education cannot be overestimated in that not only does it provide a clear and lasting demonstration of the unique characteristics of each instrument, but it can also be accessed by anyone, from anywhere in the world.

#### **Planning for the future**

In accordance with the educational aims of the Charity, next year will see the launch of a wider training programme for individuals interested in the long-term maintenance of historic keyboards.

We will publish worksheets for GCSE and A level students on Historic Keyboards and encourage visits from groups attending local schools.

Steven Devine will bring his students to play the instruments, as in his opinion the Charity provides the only opportunity for students and researchers to play a variety of historic keyboard instruments in one place.

#### **Summary**

Although the reporting period was overshadowed by sadness at the death of Richard Burnett this remained an active period with the well-established series of concerts and performances continuing, whilst the development programme for historic keyboard tuning and conservation got underway, and the Charity's digital resources were greatly enhanced.

**Financial review**

**Going concern**

At present there are enough funds in the CAF bank to keep the charity afloat for the time being so there is no immediate urgency but we are looking forward to adopting a more active fundraising policy as soon as possible.

**Reserves policy**

The Trustees have reviewed the reserves of the Charity. The review concluded that in order to allow the Charity to continue efficiently and to provide a buffer against possible decreases in income that the reserves should be maintained at a similar level to 2022.

**Structure, governance and management**

**Constitution**

The Charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

The charity is constituted under a Memorandum of Association and is a registered charity number 289155.

**Method of appointment or election of Trustees**

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association. Changes of Trustees are approved by a vote of three quarters of the Trustees present at the relevant meeting.

**Risk management**

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

#### **Trustees' responsibilities statement**

The Trustees (who are also directors of The Finchcocks Charity Limited for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

---

### Independent Examiner's Report to the Trustees of The Finchcocks Charity Limited (the 'charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2023.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

### Responsibilities and Basis of Report

As the Trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### Independent Examiner's Statement

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

---

#### 1. Accounting Policies (continued)

##### 1.5 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

##### 1.6 Tangible fixed assets and depreciation

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

|                     |   |                       |
|---------------------|---|-----------------------|
| Fixtures & fittings | - | 5 years straight line |
| Office equipment    | - | 5 years straight line |

##### 1.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

##### 1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### 1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and deposits held at call with banks.

Richard Burnett sadly died on 8th July 2022 and has not been involved in this report. He will be greatly missed but the charity intends to continue with the activities previously carried on and inspired by him. Richard was one of the co-founders of the charity and his international reputation for early keyboards was the driving force for education and conservation of the period piano world. Since his death it has become clearer to us just what effect he had on the whole early keyboard world with tributes from all over the world. The projects going forward reflect his legacy and the ground-swell of support across the whole of the early keyboard movement.

Helena Lloyd has taken over the role of secretary.

The Trustees present their annual report together with the financial statements of the charity for the year ended 31 March 2022.

The Trustees confirm that the Annual Report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) as amended by Update Bulletin 1 (effective 1 January 2015).

Since the Charity qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

### **Objectives and Activities of the Charity**

#### **Policies and objectives**

These, as outlined in the Charter of the Charity, are as follows:

"To provide an Open Resource for Musical Education in the widest sense and to bring the music of the past alive, entertaining and interesting for a wide range of the general public, with demonstrations, concerts, the opportunity for educational visits and the chance for interested adults, students and children to be able to play and study the original period instruments in the Richard Burnett Collection. The Charity also supports the maintenance of The Collection for these purposes."

#### **Activities for Achieving Objectives**

The Trustees are confident that the core aims and objectives are being developed and fulfilled in a positive way since the move to Waterdown House in 2016. The instruments were restored over a period of two years (2017-2019) to a high standard by the then curator, Ben Marks and other leading specialists. Since the beginning of 2020, our activities have been by necessity much curtailed by Covid and so we have had very few proper events since 2019 although we have been involved in other projects which involve research and necessary study of the maintenance of these instruments.

#### **2021 Season**

2021 was the fifth year that the remaining 14 instruments from the Richard Burnett Collection following the auction of 99 instruments in 2016 were relocated in their new home at Waterdown House, Tunbridge Wells. In 2021, the charity put on a few concerts only due to Covid but continued to develop educational visits by students, also supported a number of recordings on the instruments and developed the Training Programme.

### TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 MARCH 2022

#### Projects

##### 1) Recordings

During the year we welcomed the distinguished horn player Anneke Scott who recorded a CD with Steven Devine (keyboard). This was based on the life of the famous British horn player Denis Brain.

We also hosted Toby Thatcher who recorded Schumann and Chopin on the Graf piano. The founder of the Nineteenth Circle came over from Paris to organise this recording. More recordings have been booked for the year 2022/23.

##### 2) Collaboration

We continued our collaboration with Finchcocks, Goudhurst and welcomed two groups of pianists to Waterdown House. We are excited to expand on this collaboration and the visitors were enthralled with the instruments and enjoyed a masterclass with Helena Lloyd.

##### 3) Research

We were contacted by a number of PhD students from international and national universities who wanted to come and study for their research. These visits were organised with the participation of all members of the Finchcocks team. We were grateful to Gary Branch, Cesar Hernandez and Helena Lloyd who all worked to make these visits a success using zoom and other forms of technology to enable visitors from abroad and the UK to experience the collection.

##### 4) Publications

We started a new series in publications under the title "Waterdown Press" The first was a recipe book sold in aid of the charity. Plans for the next year include books on Clementi, Broadwood, Graf and a pamphlet on the Byfield organ which is now in France.

##### 5) Continued training programme for new technicians, tuners and restorers

The charity's charter is to maintain access to the music of the past and there is increasing concern about the lack of skilled craftsmen (and women) and technicians who can tune and restore important period instruments such as those in the collection.

The charity is providing bursaries and grants to individuals in training as tuners and restorers. In this period there were two apprentices who benefited from bursaries. The current Curator, Cesar Hernandez, continues to be sponsored for study days with other leading specialists for tuning, restoration and other allied skills

We are grateful to Lucy Coad, director of the Square Piano workshop near Bath who has been assisting in the training and the expert assistance from other leading specialists including Andrew Wooderson, David Manson and Edmund Pickering.

##### 6) Planning for the future

In accordance with the educational aims of the charity the following form a significant part of our aims for the future:

Schools projects - We aim to continue our links with local schools.

Video - The series of videos which shows the instruments will be released shortly.

Website - A new website is being developed and will be released shortly.

Workshops - There has been an extended programme working with universities and schools.

Bursaries - Bursaries will continue to be awarded.

#### Summary

The Trustees are very encouraged by the interest and enthusiasm we have received about our aims and objectives. We are also grateful for the help and support of other leading experts and specialists.

### **TRUSTEES' REPORT (continued)**

**FOR THE YEAR ENDED 31 MARCH 2022**

---

#### **Achievements and performance**

Although the public events were still recovering from the pandemic, we have been very grateful for some major legacies and donations.

#### **Financial review**

##### **Going concern**

At present there are enough funds in the CAF bank to keep the charity afloat for the time being so there is no immediate urgency but we are looking forward to adopting a more active fundraising policy as soon as possible.

##### **Reserves policy**

The Trustees have reviewed the reserves of the Charity. The review concluded that in order to allow the Charity to continue efficiently and to provide a buffer against possible decreases in income that the reserves should be maintained at a similar level to 2021.

#### **Structure, governance and management**

##### **Constitution**

The Charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

The charity is constituted under a Memorandum of Association and is a registered charity number 289155.

Company law requires the Trustees to prepare financial statements for each financial year. ## INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2022

---

### Independent Examiner's Report to the Trustees of The Finchcocks Charity Limited (the 'charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2022.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

### Responsibilities and Basis of Report

As the Trustees of the charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### Independent Examiner's Statement

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

#### 1. Accounting Policies (continued)

##### 1.5 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

##### 1.6 Tangible fixed assets and depreciation

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

|                     |   |                       |
|---------------------|---|-----------------------|
| Fixtures & fittings | - | 5 years straight line |
| Office equipment    | - | 5 years straight line |

##### 1.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

##### 1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### 1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and deposits held at call with banks.
