BRINKWORTH VILLAGE HALL COMMITTEE

Chair's report 2020-2021

2020-2021 has been another year which has been dominated by the impact of COVID.

The year from September 2020 started with the country emerging from the first major lockdown only to plunge back into lockdown during November, out for December and then back in lockdown for January. From September to June this year, the regulations on controlling and restricting activity in Village Halls changed on numerous occasions. This was a trying time as it meant that Risk Assessments and the permitted opening conditions changed frequently. However, I'm really proud to say that due to the hard work of the committee the village hall was always as open as it could be. Some Village Halls did not take the same attitude and decided to remain closed for much longer periods. It wasn't easy and there was a lot of work involved in keeping the hall as available as it could be and I'd like to take this opportunity to thank the committee members involved for their diligence and support during this difficult period. Excepting Claire Norfolk, all of our current management committee took up their roles during the COVID crisis which was a brave choice when circumstances for public venues were so challenging. I'd like to this opportunity to thank all the management committee members with a specific role that's Sally Thomas Treasurer, Jo Haskins booking clerk, Dave Fry Vice Chair, Claire Norfolk Secretary and Phil Armitt health and safety. You are a great team.

As a result of the COVID crisis, we received a grant from Wiltshire and Swindon Community Foundation during this year towards improvements and some new equipment to enable in-person/virtual activities for our community. That money has helped to pay for the new security lights, the refurbishment of the men's urinals, repairs to the windows and the new doors. The largest improvement to the VH will be the new audio visual equipment which we haven't seen come to fruition yet, but I'm confident will be a major asset for the village. I want to give a very special thanks to Malcolm Pitcher who took the design, procurement and installation on as a project. I know he has given huge amounts of his time to developing the best system for our Hall and I'm immensely grateful. I know it's taken much

longer than he envisaged (mostly because of increased lead times for purchasing items because of COVID and availability of trades people). I'm so excited about what all his hard work will give in terms of benefit to our Hall.

Due to COVID, the VH received a number of Local Restriction Support Grants as a community building from Wiltshire Council which were part of the government's COVID relief measures. These monies have obviously supplemented the costs of the work that has been undertaken. They have also left us in a good place financially after what was potentially a devastating loss of business for such a prolonged time. But we can't be complacent. The hall has to regain its financial viability. The COVID grants have stopped and we've lost a lot of business (including sadly Butterflies Pre-School which was a great loss to the village.) I'm hopeful that with the improvements to the Hall it will be a more attractive proposition to hirers. We are going to be looking at the rates we charge later this evening and that consideration is crucial.

COVID was obviously a very mixed time for everybody, but there were moments of light in the darkness - the pizza van that Dave Fry organised in the carpark when the lockdown days were most dreary and Dave Fry's Christmas lights immediately spring to mind.

For me personally, I was also very glad to know Tony Lamm who came onto the committee for a short period, but did so much for the hall. He was great fun. I'm sure you probably have seen that he sadly passed away in August.

But we must look to the future and embrace all the changes that seem never-ending and move forward and care for our lovely Hall. The job goes on.

Yvonne Chamberlain

Village Hall Committee Chair
