Financial Review

The Charity with the support of its donors, staff and volunteers, generated incoming resources of £54,111. Total resources expended were £5,011. This has resulted in a surplus of £49,100.

Risk Management

The Trustees have conducted a review of the major risks to which the charity is exposed. A risk register has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors. There are vetting procedures as required by law for the protection of the children. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity.

Reserves policy

The association is a small charity with a simple, stable pattern of receipts and payments, few if any commitments, and little susceptibility to factors outside its own control. In normal circumstances, it is considered that the association has no reason to hold reserves in large amounts. New capital or revenue projects will only be approved by officers, and supported financially by the association, when revenue is already in place within its funds or following a successful application for grant funding, where pledged support has been received in writing. The association funds will not be allowed to go into deficit.

Trustees' Report for the Year Ended 31st August 2022

Trustees' responsibilities in relation to the financial statements

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the accounts on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity to enable them to ensure that the accounts comply with the Charities Act 2011 the applicable Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
