Charity name: Rothersthorpe Village Hall

Charity registration number: 289887

### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The provision and maintenance of a Village Hall for the use of the inhabitants of the Parish of Rothersthorpe and of persons agreed by the Committee of Management without distinction of political, religious, or other opinions, including using for meetings, lectures and classes and for other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the said inhabitants and persons.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The hall is a shared facility with Rothersthorpe CE Primary School. The village hall is hired by groups and individuals for used outside of school hours and made available for school use during school hours. The village hall management committee work with the school to maintain the building and facilities.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit

### Additional information

	SORP reference	
Contribution made by volunteers	Para 1.38	The hall relies on the volunteers who sit on the village hall management committee and on the booking clerk, as well as the co-operation of Rothersthorpe Village School to provide our facilities to the community. Their contributions are much appreciated.

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Over the years the village hall has been a valuable asset to the village community and residents of surrounding areas. It has benefited residents by providing activities and clubs for all ages within the village without the need to travel. These have included rainbows, brownies, guides, table tennis, art, WI, badminton, Pilates and bowls among others. It has also provided a convenient and affordable venue for children's parties and family celebrations of many kinds.</p> <p>Unfortunately, the whole of this financial year was severely affected by covid restrictions. For long periods gatherings in community spaces were against the law. During other periods restricted gatherings were allowed, but the village hall management committee decided that the use of the hall by the school should be prioritised, and risks to the school users minimised by not allowing access by other groups.</p> <p>We were able to do some work to remove the hedges in the car park to improve the appearance of the hall and help pest control during the year.</p> <p>Following the end of the financial year, in April and May 2021, the hall began to re-open, as the rules allowed, to a wider group of users. This was supported by an appropriate risk assessment and additional measures to reduce the risks of infection. By the end of 2021 the hall was again being hired to a wide variety of users from across the community.</p>

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Although there were no lettings during the year other than to the school, grants from the local authority allowed us to retain a good financial position.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Reserves are held by the village hall in order to meet the costs of repairs and maintenance on an ongoing basis, including the more infrequent but large costs of maintaining building, for example, the roof and the heating system.
Amount of reserves held	Para 1.22	Reserves at the year-end totalled £32,570, which was an increase of £13,720. This unusual increase in reserves was due to the receipt of a second covid grant just before

		the year end. Reserves are likely to return to a more normal level during 2021/22.
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	The charity is a going concern and has returned to hiring the hall to a wide range of users in 2021.

### Additional information

The charity's principal sources of funds (including any fundraising)	Para 1.47	The charity's income is normally from letting the hall to the hall hirers including the school. Due to covid, in 20/21 the only rental income was from the school, and this was reduced. However we did receive grants from the local authority which have been effective in protecting our financial position in 20/21 and 21/22.
