Results for the year

The results for the year are set out on page 4.

Review of the year

We are delighted to report that we were able to present ALL our events in 2022. These being the "Champion of Champions", the "British Championships", the "TDCI Scholarships", the "Carl Alan Awards", the "World Performer" and the "English Championships". Six prestigious events which were all amazing events for the TDCI.

A big thank you to all the Member Associations for sponsoring all our events throughout the year, this is so much appreciated. Also, to the delegates and volunteers that help at these events and for giving up your valuable time. It is you that all help to make these events so successful.

In addition to all these events, the TDCI also have responsibility for looking after the Regional Championships, the Competitor Registration Scheme, the Adjudicators Register, the Rule Book and the TDCI website.

The first event in 2022 was the Champion of Champions and Bursary Awards followed by the British Championships which had been missed for 2 years. An extra day followed by the National Scholarships made this a 9 day event !. The standard was fantastic as usual.

The Carl Alan Awards in October is another prestigious event with both Theatre and Freestyle awards being presented but it is a costly event for the TDCI to present, however, it is a showcase for us.

It was excellent for the TDCI to be able to present the World Performer again in 2022 at the fantastic Blackpool Opera House. We had 88 competitors competing in the final, with a fabulous opening ceremony choreographed by Linda. The winner received £1,000 plus a 3 year full scholarship to a prestigious London college.

In November we presented the English Championships in Fleetwood. A successful event with four days of exceptional talent.

We would, once again, like to thank our amazing associations and all our sponsors, without whom we could not present our events.

Future of the charity

We are looking forward to 2023 and are confident that the TDCI will prosper and continue it's success. The new President and Vice President took office on 23rd January 2023 and will ensure that the TDCI continues to move forward.

Reserves policy

The trustees have established the level of reserves (that is those funds that are freely available) that the charity ought to have. Reserves are needed to bridge the funding gaps between spending on honorariums, event costs and other expenditure and receiving income from fees and subscriptions. The trustees have established a reserves policy for unrestricted reserves, whereby, in order to enable the charity to operate effectively they aim to have twelve months worth of expenditure in general fund reserves. The trustees therefore consider that the ideal level of reserves as at 31st December 2022 would be £120,000 (2021: £100,000). At 31/12/2022 the general reserves were £131,427 (2021: £129,446).

Risk assessment

The charity has reviewed and systems have been established to mitigate those major risks to which the charity is exposed. In particular with regard to Health and Safety and Safeguarding, suitable people have been identified to co-ordinate any potential matters that may arise at the events.

Statement of Trustees Responsibilities

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the financial activities of the charity for that year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards and Statements of Recommended Practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the charity

Independent Examiner's Report to the Trustees of the Theatre Dance Council International

I report to the trustees on my examination of the accounts of the charity for the year ended 31st December 2022 which are set out on pages 4 to 8.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act')

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Tangible Fixed Assets and depreciation

Fixtures, fittings and office equipment

The trophies and chain of office used within the charity are not depreciated as the charity operate a policy of replacing those assets on a like for like basis if the need for replacement arises. Such replacements with a purchase price of £1000 or less are written off when the asset is acquired.
